

Planet	Sign	Dignity/Decan	House	Positively Aspected Keywords	Negatively Aspected Keywords	Anatomical Manifestation	Notes
Sun: ThPhARTh (6) - heart, circulation, spine, chest, divine self	Aries: Head	Zodiac: <b>Exaltation</b> Decan: <b>Mars (Domicile)</b> - Tarot: 2 of Wands (Dominion) <i>Solar will acts like a sword slicing paths forward</i>	I: body, vitality, physical self	Leadership, initiative, courage, self-reliance, charisma, physical vitality, magnetic presence	Arrogance, impulsiveness, dominance, egotism, aggression, lack of patience		Sun is exalted in Aries
			II: resources, values, sustenance	Financial assertiveness, entrepreneurial instinct, self-worth grounded in action, bold resource use	Material impatience, reckless spending, greed, possessiveness, identity tied to money		
			III: mind, nerves, speech, movement	Assertive intellect, strong opinions, persuasive speech, leadership in learning	Argumentative, mental restlessness, careless words, dominating conversations		
			IV: roots, digestion, family	Protective family leader, initiates traditions, builds from roots, ancestral pride	Domineering at home, generational conflict, explosive domestic dynamics		
		Zodiac: <b>Exaltation</b> Decan: <b>Sun (Exaltation)</b> - Tarot: 3 of Wands (Virtue) <i>Heroic ideal, vision put into action</i>	V: expression, pleasure, reproduction	Bold creativity, leadership in love, passionate expression, dynamic playfulness	Drama-seeking, egotistical romance, impatience in parenting, risk addiction		
			VI: illness, service, work routines	Energetic worker, proactive health focus, disciplined service, commanding routines	Controlling with coworkers, health volatility, workaholism, irritability in servitude		May have natural healing powers or resistant to illnesses.
			VII: relationships, contracts, harmony	Loyal partner, initiates relationships, assertive in fairness, confident negotiator	Combative in unions, controlling dynamics, competition with partner		
			VIII: death, sex, transformation	Fearless in crisis, transformative willpower, initiates deep change, occult insight	Reckless with intimacy or finances, emotional volatility, controlling behavior		
		Zodiac: <b>Exaltation</b> Decan: <b>Venus (Detriment)</b> - Tarot: 4 of Wands (Completion) <i>Beauty through strength, harmony from fire</i>	IX: beliefs, expansion, higher mind	Bold philosophy, visionary leadership, passionate beliefs, spiritual fire	Dogmatic, intolerant, rash in belief systems, self-righteous in ideals		
			X: career, public life, structure	Ambitious leader, courageous authority, initiates new ventures, public recognition	Ruthless ambition, prideful downfall, public aggression, misuse of power		
			XI: hopes, groups, nerves	Inspires groups, assertive social vision, leadership among peers, idealistic action	Domineering in friendships, rebellion for ego, group tension, overbearing ideology		
			XII: isolation, karma, subconsciousness, hidden illness	Inner courage, mystical insight, initiator of spiritual growth, heroic healing in isolation	Repressed anger, self-sabotage, ego dissolution anxiety, hidden hostility		May have natural healing powers or resistant to illnesses.
Sun: ThPhARTh (6) - heart, circulation, spine, chest, divine self	Taurus: Neck/Throat	Zodiac: Semi-compatible Decan: <b>Mercury</b> - Tarot: 5 of Pentacles (Worry) <i>Find light through struggle</i>	I: body, vitality, physical self	Grounded presence, calm authority, enduring will, reliable leadership, serene confidence	Stubborn identity, resistance to change, slow to act, overattachment to image		This integrates the Sun's solar nature (will, identity, vitality) with Taurus' fixed earth qualities (stability, sensuality, value, persistence) through the House symbolism.
			II: resources, values, sustenance	Natural wealth builder, secure values, steady income, confident in worth, generous	Greed, possessiveness, laziness with money, self-worth based on materialism		
			III: mind, nerves, speech, movement	Calm and practical thinker, steady communication, persuasive in a measured way, loyal to siblings	Inflexible mindset, resistance to new ideas, dull communication, overly literal		
			IV: roots, digestion, family	Stable home environment, long-lasting family ties, strong ancestral pride, builder of traditions	Clingy to past, emotional inertia, resistant to change at home, materialistic domestic concerns		
		Zodiac: Semi-compatible Decan: <b>Moon (Exaltation)</b> - Tarot: 6 of Pentacles (Material Success) <i>Harmony of material and spiritual wealth, generosity with boundaries</i>	V: expression, pleasure, reproduction	Artistic talent, sensual creativity, affectionate lover, patient with children, slow-burning passion	Jealousy, indulgent in pleasure, possessive in love, emotionally immobile		
			VI: illness, service, work routines	Steady worker, dependable in service, thrives on routine, somatic health awareness	Overly rigid habits, stubborn with coworkers, health stagnation, resists change in routine		
			VII: relationships, contracts, harmony	Loyal partner, sensual union, dependable in commitments, seeks harmony through stability	Clings to comfort in toxic unions, avoids growth, possessive in partnership		
			VIII: death, sex, transformation	Powerful grounding in crisis, solid emotional transformation, sensuality in intimacy	Inflexible during emotional shifts, hoarding behaviors, fears loss of control		
		Zodiac: Semi-compatible Decan: <b>Saturn</b> - Tarot: 7 of Pentacles (Success Unfulfilled) <i>Patience, delay, time as teacher, Sun becomes the seed in the soil of time</i>	IX: beliefs, expansion, higher mind	Steady beliefs, grounded philosophy, ethical consistency, practical wisdom	Dogmatism, close-mindedness, resistance to unfamiliar beliefs, intellectual inertia		
			X: career, public life, structure	Patient success, reliable authority, enduring reputation, earns status through persistence	Stubborn ambition, slow career moves, fear of risk in public image, inertia in progress		
			XI: hopes, groups, nerves	Loyal to friends, steady social ideals, dependable in groups, practical vision for the future	Social stagnation, conservative groupthink, rigid ideals, overinvestment in stability		
			XII: isolation, karma, subconsciousness, hidden illness	Inner peace through simplicity, enduring spiritual strength, devotion in solitude	Resistance to letting go, stuck in karmic patterns, attachment to inner fears, self-sabotage through comfort		

<b>Sun:</b> ThPhARTh (6) - heart, circulation, spine, chest, divine self	<b>Gemini:</b> arms, lungs	Zodiac: Compatible Decan: <b>Jupiter (Detriment)</b> - Tarot: 8 of Swords (Shortened Force) <i>Influences</i>	I: body, vitality, physical self	Witty, mentally agile, expressive, charismatic communicator, adaptable identity	Scattered energy, nervous self-image, overthinking, superficial identity		These reflect the Sun's will and selfhood filtered through Gemini's mutable air qualities—curiosity, intellect, adaptability, and restlessness.
			II: resources, values, sustenance	Intellectually resourceful, earns through communication, values learning and ideas	Inconsistent with money, restless values, distracted from financial growth		
			III: mind, nerves, speech, movement	Gifted speaker, curious, fast learner, strong sibling ties, sharp mind	Gossip, mental overload, argumentative, distractible, duplicity in speech		
			IV: roots, digestion, family	Mentally active home life, multi-generational communicator, curious ancestry	Mentally restless at home, shallow family bonds, instability in domestic life		
		Zodiac: Compatible Decan: <b>Marte</b> - Tarot: 9 of Swords (Despair and Cruelty)	V: expression, pleasure, reproduction	Playful, humorous, clever in love, creative writer or performer, flirtatious charm	Flighty in romance, shallow emotional connections, overindulgent in novelty		
			VI: illness, service, work routines	Skilled multitasker, adaptable in work, detail-oriented communicator, quick thinker	Burnout, inconsistency in service, scattered routines, overly cerebral in health		
			VII: relationships, contracts, harmony	Verbally engaging partner, values mental connection, diplomatic, clever negotiator	Superficial relationships, indecisiveness in unions, argument-prone in partnerships		
			VIII: death, sex, transformation	Analytical in crisis, curious about taboo or occult, psychological insight	Avoidance of emotional depth, intrusive questions, restless in intimacy		
		Zodiac: Compatible Decan: <b>Sun</b> - Tarot: 10 of Swords (Ruin)	IX: beliefs, expansion, higher mind	Broad-minded, philosophical, versatile in beliefs, articulate teacher or traveler	Jack-of-all-trades beliefs, scattered ideologies, inconsistency in faith or truth-seeking		
			X: career, public life, structure	Communicative leader, intellectual reputation, master of words in career	Talk without follow-through, superficial achievements, reputation for duplicity		
			XI: hopes, groups, nerves	Witty in groups, social butterfly, idealistic communicator, visionary through ideas	Social overstimulation, group inconsistency, fickle loyalty, chatter over substance		
			XII: isolation, karma, subconsciousness, hidden illness	Introspective intellect, subconscious communication, spiritual curiosity, symbolic insight	Secretive duplicity, mental self-undoing, over-isolation in thought, internal fragmentation		
<b>Sun:</b> ThPhARTh (6) - heart, circulation, spine, chest, divine self	<b>Cancer:</b> chest, breasts	Zodiac: Incompatible Decan: <b>Venus</b> - Tarot: 2 of Cups (Love)	I: body, vitality, physical self	Witty, mentally agile, expressive, charismatic communicator, adaptable identity	Scattered energy, nervous self-image, overthinking, superficial identity		In Cancer, the Sun expresses itself through the cardinal water qualities of emotional depth, protectiveness, sensitivity, and memory, often tied to roots, intuition, and care.
			II: resources, values, sustenance	Intellectually resourceful, earns through communication, values learning and ideas	Inconsistent with money, restless values, distracted from financial growth		
			III: mind, nerves, speech, movement	Gifted speaker, curious, fast learner, strong sibling ties, sharp mind	Gossip, mental overload, argumentative, distractible, duplicity in speech		
			IV: roots, digestion, family	Mentally active home life, multi-generational communicator, curious ancestry	Mentally restless at home, shallow family bonds, instability in domestic life		
		Zodiac: Incompatible Decan: <b>Mercury</b> - Tarot: 3 of Cups (Abundance)	V: expression, pleasure, reproduction	Playful, humorous, clever in love, creative writer or performer, flirtatious charm	Flighty in romance, shallow emotional connections, overindulgent in novelty		
			VI: illness, service, work routines	Skilled multitasker, adaptable in work, detail-oriented communicator, quick thinker	Burnout, inconsistency in service, scattered routines, overly cerebral in health		
			VII: relationships, contracts, harmony	Verbally engaging partner, values mental connection, diplomatic, clever negotiator	Superficial relationships, indecisiveness in unions, argument-prone in partnerships		
			VIII: death, sex, transformation	Analytical in crisis, curious about taboo or occult, psychological insight	Avoidance of emotional depth, intrusive questions, restless in intimacy		
		Zodiac: Incompatible Decan: <b>Moon (Domicile)</b> - Tarot: 4 of Cups (Blended Pleasure)	IX: beliefs, expansion, higher mind	Broad-minded, philosophical, versatile in beliefs, articulate teacher or traveler	Jack-of-all-trades beliefs, scattered ideologies, inconsistency in faith or truth-seeking		
			X: career, public life, structure	Communicative leader, intellectual reputation, master of words in career	Talk without follow-through, superficial achievements, reputation for duplicity		
			XI: hopes, groups, nerves	Witty in groups, social butterfly, idealistic communicator, visionary through ideas	Social overstimulation, group inconsistency, fickle loyalty, chatter over substance		
			XII: isolation, karma, subconsciousness, hidden illness	Introspective intellect, subconscious communication, spiritual curiosity, symbolic insight	Secretive duplicity, mental self-undoing, over-isolation in thought, internal fragmentation		

<b>Sun:</b> ThPhARTh (6) - heart, circulation, spine, chest, divine self	<b>Leo:</b> heart, spine	Zodiac: <b>Domicile</b> Decan: <b>Saturn (Detriment)</b> - Tarot: 5 of Wands (Strife, battles)	I: body, vitality, physical self	Witty, mentally agile, expressive, charismatic communicator, adaptable identity	Scattered energy, nervous self-image, overthinking, superficial identity		Leo is the natural rulership of the Sun, so this is its most powerful and radiant position. The expression is regal, proud, creative, and bold—yet prone to vanity, control, and ego inflation when negatively aspected.
			II: resources, values, sustenance	Intellectually resourceful, earns through communication, values learning and ideas	Inconsistent with money, restless values, distracted from financial growth		
			III: mind, nerves, speech, movement	Gifted speaker, curious, fast learner, strong sibling ties, sharp mind	Gossip, mental overload, argumentative, distractible, duplicity in speech		
			IV: roots, digestion, family	Mentally active home life, multi-generational communicator, curious ancestry	Mentally restless at home, shallow family bonds, instability in domestic life		
		Zodiac: <b>Domicile</b> Decan: <b>Jupiter</b> - Tarot: 6 of Wands (Victory)	V: expression, pleasure, reproduction	Playful, humorous, clever in love, creative writer or performer, flirtatious charm	Flighty in romance, shallow emotional connections, overindulgent in novelty		
			VI: illness, service, work routines	Skilled multitasker, adaptable in work, detail-oriented communicator, quick thinker	Burnout, inconsistency in service, scattered routines, overly cerebral in health		
			VII: relationships, contracts, harmony	Verbally engaging partner, values mental connection, diplomatic, clever negotiator	Superficial relationships, indecisiveness in unions, argument-prone in partnerships		
			VIII: death, sex, transformation	Analytical in crisis, curious about taboo or occult, psychological insight	Avoidance of emotional depth, intrusive questions, restless in intimacy		
		Zodiac: <b>Domicile</b> Decan: <b>Mars</b> - Tarot: 7 of Wands (Excess)	IX: beliefs, expansion, higher mind	Broad-minded, philosophical, versatile in beliefs, articulate teacher or traveler	Jack-of-all-trades beliefs, scattered ideologies, inconsistency in faith or truth-seeking		
			X: career, public life, structure	Communicative leader, intellectual reputation, master of words in career	Talk without follow-through, superficial achievements, reputation for duplicity		
			XI: hopes, groups, nerves	Witty in groups, social butterfly, idealistic communicator, visionary through ideas	Social overstimulation, group inconsistency, fickle loyalty, chatter over substance		
			XII: isolation, karma, subconsciousness, hidden illness	Introspective intellect, subconscious communication, spiritual curiosity, symbolic insight	Secretive duplicity, mental self-undoing, over-isolation in thought, internal fragmentation		
<b>Sun:</b> ThPhARTh (6) - heart, circulation, spine, chest, divine self	<b>Virgo:</b> abdomen	Zodiac: Semi-compatible Decan: <b>Sun</b> - Tarot: 8 of Pentacles (Prudence)	I: body, vitality, physical self	Humble confidence, analytical self-awareness, health-conscious, practical demeanor	Self-critical, over-modest, anxious persona, overly perfectionistic identity		In Virgo, the Sun expresses itself through mutable earth—precision, service, intellect, and purification. When well-aspected, it yields humility and excellence; when afflicted, it leans toward anxiety, nitpicking, and self-doubt.
			II: resources, values, sustenance	Disciplined with money, values precision and skill, earns through service	Miserly, over-focused on material flaws, insecure about self-worth		
			III: mind, nerves, speech, movement	Detail-oriented thinker, clear communicator, analytical learner, sharp perception	Overthinking, pedantic speech, anxious learning, critical of others' ideas		
			IV: roots, digestion, family	Organized home, devoted to family duty, emotionally grounded through structure	Excessive criticism in family, emotional repression, cold home environment		
		Zodiac: Semi-compatible Decan: <b>Venus (Fall)</b> - Tarot: 9 of Pentacles (Material Gain)	V: expression, pleasure, reproduction	Precise artistic skill, refined creativity, loving through acts of service, analytical with romance	Overanalyzes love, critical of partners, perfectionist with children or art		
			VI: illness, service, work routines	Master of routines, healer archetype, devoted worker, structured habits	Workaholic, neurotic about health, overly controlling in service roles		
			VII: relationships, contracts, harmony	Reliable partner, loyal in service to relationship, seeks improvement in union	Over-critical of partner, nitpicking in marriage, seeks flawlessness in love		
			VIII: death, sex, transformation	Precise in handling crises, emotionally analytic, healer of deep wounds	Anxiety in transformation, emotionally withdrawn, fears emotional imperfection		
		Zodiac: Semi-compatible Decan: <b>Mercury (Domicile &amp; Exaltation)</b> - Tarot: 10 of Pentacles (Wealth)	IX: beliefs, expansion, higher mind	Rational beliefs, analytical theology, truth-seeking through evidence and ethics	Overly skeptical, cold in faith, rigid philosophy, lacks spiritual intuition		
			X: career, public life, structure	Career through detail and diligence, trusted expert, leadership by competence	Obsessive about career perfection, hypercritical image, fear of public failure		
			XI: hopes, groups, nerves	Practical visionary, loyal to useful ideals, humble contributor to causes	Self-effacing in groups, over-analyzes friendships, anxious social participation		
			XII: isolation, karma, subconsciousness, hidden illness	Solitude through sacred work, quiet healing energy, deep inner analysis	Hidden shame, mental rumination, self-sacrifice to the point of invisibility		

<b>Sun: ThPhARTh (6)</b> - heart, circulation, spine, chest, divine self	<b>Libra:</b> kidneys, loins	<b>Zodiac: Fall</b> Decan: <b>Moon</b> - Tarot: 2 of Swords (Peace Restored)	I: body, vitality, physical self	Diplomatic, gracious, harmonious presence, refined identity, naturally elegant	Identity depends on others, people-pleasing, indecisiveness, superficial charm		In Libra, the Sun expresses itself through cardinal air—balance, diplomacy, justice, and beauty. The Sun is in fall in Libra, meaning its willful nature must yield to others, often creating a refined but conflicted sense of identity.
			II: resources, values, sustenance	Values fairness, earns through art or beauty, balances finances wisely	Overspends on aesthetics, insecure about worth, financial co-dependence		
			III: mind, nerves, speech, movement	Tactful communicator, peaceful speaker, intellectually fair, articulate	Passive-aggressive tone, avoids confrontation in speech, indecisive thoughts		
			IV: roots, digestion, family	Seeks harmony in the home, balances family roles, cultivates beauty in private life	Peace at all costs in family, emotional detachment, buried conflict at home		
		<b>Zodiac: Fall</b> Decan: <b>Saturn (Exaltation)</b> - Tarot: 3 of Swords (Sorrow/Pain)	V: expression, pleasure, reproduction	Romantic, artistic, expressive in refined ways, fair with children and lovers	Avoids deep emotional risks, overidealizes love, performs affection		
			VI: illness, service, work routines	Cooperative in service, seeks balance in routines, brings fairness to the workplace	People-pleasing in work, indecisive in tasks, overburdened by obligation		
			VII: relationships, contracts, harmony	Natural partner, seeks balance in unions, gracious in marriage, harmony in negotiations	Over-accommodating, codependent, loses self in relationships, fear of discord		
			VIII: death, sex, transformation	Harmonizes power dynamics, seeks fairness in transformation, emotionally intelligent	Avoids emotional intensity, fears confrontation in intimacy, detachment in crisis		
		<b>Zodiac: Fall</b> Decan: <b>Jupiter</b> - Tarot: 4 of Swords (Rest from Strife)	IX: beliefs, expansion, higher mind	Seeks beauty in truth, aesthetic philosophy, fair and cultured worldview	Dogmatic politeness, conflict-avoidant belief systems, indecision in moral choices		
			X: career, public life, structure	Public poise, career in law/art/design, diplomatic authority, respected for fairness	Reputation built on image, indecision in leadership, overly cautious in public roles		
			XI: hopes, groups, nerves	Brings balance to groups, promotes justice in community, tactful with friends	Inauthentic friendships, indecisive about ideals, seeks approval in social circles		
			XII: isolation, karma, subconsciousness, hidden illness	Inner harmony, meditative grace, spiritual balance, mystic through art and quiet	Repressed conflict, internalized people-pleasing, loss of self in others' expectations		
<b>Sun: ThPhARTh (6)</b> - heart, circulation, spine, chest, divine self	<b>Scorpio:</b> genitals	<b>Zodiac: Incompatible</b> Decan: <b>Mars (Domicile)</b> - Tarot: 5 of Cups (Loss of Pleasure)	I: body, vitality, physical self	Intense presence, magnetic charisma, emotionally powerful identity, fearless	Dominating, secretive, emotionally reactive, intimidating persona		In Scorpio, the Sun is in the sign of Mars' nocturnal rulership, giving it intensity, willpower, emotional depth, and regenerative power. When afflicted, this placement can manifest as control issues, secrecy, or destructive pride.
			II: resources, values, sustenance	Resourceful, financially strategic, values depth and resilience, protective of assets	Possessive, controlling over money, emotionally tied to material security		
			III: mind, nerves, speech, movement	Penetrating intellect, persuasive speaker, emotionally insightful communicator	Manipulative speech, secrecy in communication, intense mental obsessions		
			IV: roots, digestion, family	Deep ancestral connection, loyal protector of family, strong emotional roots	Power struggles at home, emotional entanglement with the past, secretive household		
		<b>Zodiac: Incompatible</b> Decan: <b>Sun</b> - Tarot: 6 of Cups (Pleasure)	V: expression, pleasure, reproduction	Passionate lover, transformative creativity, magnetic performer, emotionally rich art	Jealousy, drama in romance, obsessive love, controlling with children or art		
			VI: illness, service, work routines	Unyielding in service, emotionally focused on healing or reform, deep work ethic	Overworked, obsessive with routines, emotionally drained by tasks, controlling in service		
			VII: relationships, contracts, harmony	Intensely loyal partner, seeks emotional fusion, transformative unions	Obsession in relationships, power plays in partnership, jealous or possessive		
			VIII: death, sex, transformation	Master of transformation, emotional alchemist, fearless in crisis, powerful rebirth	Control through intimacy, hidden fears, manipulation, destructive emotional cycles		
		<b>Zodiac: Incompatible</b> Decan: <b>Venus (Detriment)</b> - Tarot: 7 of Cups (Illusory Success)	IX: beliefs, expansion, higher mind	Depth in beliefs, initiates into mysteries, passionate seeker of truth, occult wisdom	Fanatical or extreme beliefs, secret dogmas, pride in obscure knowledge		
			X: career, public life, structure	Powerful authority figure, public magnetism, emotional integrity in leadership	Ruthless ambition, emotional manipulation in career, fear of exposure		
			XI: hopes, groups, nerves	Loyal to a cause, transformative ideals, attracts intense friendships	Obsessive group dynamics, emotional dependency on social circles, secrecy in ideals		

			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Deep subconscious awareness, intense inner life, mystical regeneration, spiritual strength	Self-destructive secrecy, internalized emotional chaos, fear of vulnerability		
<b>Sun:</b> ThPhARTh (6) - heart, circulation, spine, chest, divine self	<b>Sagittarius:</b> thighs	Zodiac: Pure Fire Decan: <b>Mercury (Detriment)</b> - Tarot: 8 of Wands (Swiftiness)	<b>I:</b> body, vitality, physical self	Adventurous identity, confident and optimistic, inspiring presence, truth-teller	Restless, boastful, tactless, over-promises, careless with self-awareness		In Sagittarius, the Sun is fiery, expansive, and idealistic. It expresses will through truth-seeking, freedom, philosophy, and bold exploration—but when negatively aspected, it can be reckless, dogmatic, or overconfident.
			<b>II:</b> resources, values, sustenance	Generous with money, earns through education or travel, values freedom and ethics	Irresponsible spending, philosophical materialism, inconsistent income		
			<b>III:</b> mind, nerves, speech, movement	Philosophical mind, expansive thinker, eloquent speaker, inspired learner	Rigid in opinions, know-it-all, dismissive of details, exaggerates facts		
			<b>IV:</b> roots, digestion, family	Seeks freedom at home, proud of heritage, philosophical family values	Detached from family roots, restless domestic life, ignores emotional needs		
		Zodiac: Pure Fire Decan: <b>Moon</b> - Tarot: 9 of Wands (Great Strength / Vigor)	<b>V:</b> expression, pleasure, reproduction	Joyful creativity, playful romance, inspires children or students, bold in expression	Overbearing in love, excessive in pleasure, inattentive to emotional depth		
			<b>VI:</b> illness, service, work routines	Ethical in work, dedicated servant of truth, strong moral routines, thrives with variety	Inconsistent with tasks, scattered service, overcommitted, overly preachy in work		
			<b>VII:</b> relationships, contracts, harmony	Honest partner, seeks shared growth, adventurous in love, promotes freedom in unions	Avoids commitment, restless in partnership, overly blunt, idealizes relationships		
			<b>VIII:</b> death, sex, transformation	Faith in transformation, mystical explorer, philosophical intimacy, seeks meaning in crisis	Avoids emotional vulnerability, over-intellectualizes loss, compulsive truth-telling		
		Zodiac: Pure Fire Decan: <b>Saturn</b> - Tarot: 10 of Wands (Opression)	<b>IX:</b> beliefs, expansion, higher mind	Natural philosopher, spiritual visionary, wise teacher, deeply moral seeker	Dogmatic, self-righteous, moral superiority, blind to nuance		
			<b>X:</b> career, public life, structure	Inspirational public figure, ethical leader, achieves through belief and optimism	Scandal-prone, reckless ambition, inflated public persona, overextended career goals		
			<b>XI:</b> hopes, groups, nerves	Idealistic friend, inspiring social visionary, optimistic group contributor	Fanaticism, social elitism, restlessness in communities, imposing ideology on others		
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Faith in solitude, mystic explorer of inner truth, spiritual pilgrim, karmic philosopher	Escapism through belief, secret arrogance, spiritual bypassing, inflated solitude		
<b>Sun:</b> ThPhARTh (6) - heart, circulation, spine, chest, divine self	<b>Capricorn:</b> knees	Zodiac: Semi-compatible Decan: <b>Jupiter (Fall)</b> - Tarot: 2 of Pentacles (Harmonious Change)	<b>I:</b> body, vitality, physical self	Disciplined presence, composed self-image, mature identity, strategic thinker	Cold demeanor, over-controlled self-expression, excessive self-restraint		In Capricorn, the Sun expresses will and identity through structure, discipline, ambition, and tradition. This is a place of exaltation for long-term success and maturity, but when afflicted, it can produce coldness, rigidity, or ruthless pride.
			<b>II:</b> resources, values, sustenance	Ambitious with finances, disciplined earner, values legacy and responsibility	Material rigidity, fear-based spending, self-worth tied to status		
			<b>III:</b> mind, nerves, speech, movement	Methodical thinker, pragmatic communicator, logical in learning	Emotionally distant in speech, overly cautious expression, rigid mindset		
			<b>IV:</b> roots, digestion, family	Deep respect for ancestry, traditional home life, structured emotional foundation	Emotionally repressed, controlling family roles, distant or harsh upbringing		
		Zodiac: Semi-compatible Decan: <b>Mars (Exaltation)</b> - Tarot: 3 of Pentacles (Material Works / Construction)	<b>V:</b> expression, pleasure, reproduction	Constructive creativity, responsible romance, devoted parent, refined artistic ambition	Repressed emotional joy, strict with children or love, calculated affection		
			<b>VI:</b> illness, service, work routines	Master of duty, work-oriented, excellent in routine, service through stability	Workaholic, inflexible in roles, cold in service, overly critical of imperfection		
			<b>VII:</b> relationships, contracts, harmony	Loyal and structured partner, seeks serious union, reliable in relationships	Emotionally unavailable in love, control issues, avoids vulnerability		
			<b>VIII:</b> death, sex, transformation	Power through discipline, emotionally composed in crisis, stable transformation	Fear of emotional surrender, guarded intimacy, manipulation through control		
		Zodiac: Semi-compatible Decan: <b>Sun</b> - Tarot: 4 of Pentacles (Earthly Power)	<b>IX:</b> beliefs, expansion, higher mind	Respect for tradition, philosophical maturity, structured belief system, grounded ideals	Dogmatic beliefs, fear of spiritual uncertainty, close-minded righteousness		
			<b>X:</b> career, public life, structure	Natural authority, ambitious leader, earns respect over time, strategic career planner	Ruthless ambition, over-identified with career, emotionally cold public image		
			<b>XI:</b> hopes, groups, nerves	Steady friendships, committed to legacy in ideals, practical visionary	Social isolation, rigid social values, over-serious in group dynamics		

			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Inner structure, karmic maturity, emotional boundaries in solitude, spiritual realism	Emotional suppression, cold detachment, burdened by guilt, fear of inner chaos		
<b>Sun:</b> ThPhARTh (6) - heart, circulation, spine, chest, divine self	<b>Aquarius:</b> shins	<b>Zodiac: Detriment</b> Decan: <b>Venus</b> - Tarot: 5 of Swords (Defeat)	<b>I:</b> body, vitality, physical self	Unique self-expression, visionary personality, independent and original identity	Rebellious for its own sake, emotionally detached, unpredictable persona		In Aquarius, the Sun expresses itself through fixed air: individuality, innovation, idealism, and social consciousness. Yet, the Sun is in detriment here, meaning personal identity often serves collective ideals—potentially leading to detachment, rebellion, or ego diffusion.
			<b>II:</b> resources, values, sustenance	Innovative with money, values freedom and intellect, earns through originality	Irregular income, careless with possessions, values eccentricity over stability		
			<b>III:</b> mind, nerves, speech, movement	Forward-thinking mind, inventive communicator, objective and insightful thinker	Emotionally disconnected speech, cold logic, contrarian ideas for attention		
			<b>IV:</b> roots, digestion, family	Unconventional home life, futuristic family values, emotionally objective	Detached from roots, unstable domestic dynamics, aloofness in private life		
		<b>Zodiac: Detriment</b> Decan: <b>Mercury (Exaltation)</b> - Tarot: 6 of Swords (Earned Success)	<b>V:</b> expression, pleasure, reproduction	Creative genius, original in love, eccentric playfulness, detached romantic charm	Cold romance, emotionally distant parenting, erratic or aloof creative energy		
			<b>VI:</b> illness, service, work routines	Innovative service, experimental routines, logical healer, reformer of systems	Unreliable in tasks, emotionally removed from service, intellectual overwork		
			<b>VII:</b> relationships, contracts, harmony	Fair-minded partner, values autonomy in relationships, socially aware in union	Aloof in intimacy, emotionally unavailable, seeks partnership only on mental terms		
			<b>VIII:</b> death, sex, transformation	Objective in transformation, occult experimenter, emotionally progressive in crisis	Repression of emotional depth, detachment from passion, over-rationalized trauma		
		<b>Zodiac: Detriment</b> Decan: <b>Moon</b> - Tarot: 7 of Swords (Unstable Effort)	<b>IX:</b> beliefs, expansion, higher mind	Visionary beliefs, advocate of futuristic ideals, cosmopolitan thinker	Detached ideology, belief in cold abstractions, rebellious philosophy for ego		
			<b>X:</b> career, public life, structure	Unique career path, intellectual reputation, social innovator, admired for individuality	Eccentric public image, inconsistency in status, pride in being oppositional		
			<b>XI:</b> hopes, groups, nerves	Natural idealist, futuristic social visionary, leads through collective innovation	Elitism in social groups, rigid ideals, emotionally cold toward friends		
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Inner clarity through detachment, visionary solitude, transcendental thinker	Isolation through superiority, karmic emotional blockages, dissociation from self		
<b>Sun:</b> ThPhARTh (6) - heart, circulation, spine, chest, divine self	<b>Pisces:</b> feet	<b>Zodiac: Incompatible</b> Decan: <b>Saturn</b> - Tarot: 8 of Cups (Abandoned Success)	<b>I:</b> body, vitality, physical self	Mystical aura, compassionate self-expression, empathic identity, dreamlike presence	Lack of boundaries, emotional confusion, martyrdom, lost personal identity		In Pisces, the Sun expresses will and identity through mutable water—imagination, mysticism, compassion, sensitivity, and transcendence. When positively aspected, this placement brings inspired service and deep spiritual vision. When afflicted, it can cause confusion, escapism, or emotional overwhelm.
			<b>II:</b> resources, values, sustenance	Spiritual values, charitable with money, intuitive with resources, inspired earning	Disorganized finances, escapist spending, self-worth confusion		
			<b>III:</b> mind, nerves, speech, movement	Poetic communicator, imaginative learner, empathic with siblings, intuitive thoughts	Mental vagueness, daydreaming, deceptive speech, easily overwhelmed by information		
			<b>IV:</b> roots, digestion, family	Soulful connection to roots, imaginative home life, emotionally attuned family bonds	Escapism into the past, emotional enmeshment, unstable or chaotic home		
		<b>Zodiac: Incompatible</b> Decan: <b>Jupiter (Domicile)</b> - Tarot: 9 of Cups (Material Happiness)	<b>V:</b> expression, pleasure, reproduction	Inspired creativity, romantic idealism, mystical playfulness, artistic love expression	Fantasy in romance, emotional codependence, escapism through pleasure or art		
			<b>VI:</b> illness, service, work routines	Compassionate in service, healing routines, devoted worker, spiritual caregiving	Lack of structure, burnout, victimhood in work, avoidance of practical duties		
			<b>VII:</b> relationships, contracts, harmony	Romantic idealist in partnership, mystical connection, seeks soulful union	Overidealizes partners, merges identities, avoids conflict, boundary issues		
			<b>VIII:</b> death, sex, transformation	Emotional surrender, spiritual rebirth, mystic through transformation, intuitive depth	Obsessive fantasy, lack of emotional control, fear of loss, vulnerability avoidance		
		<b>Zodiac: Incompatible</b>	<b>IX:</b> beliefs, expansion, higher mind	Mystical beliefs, intuitive philosophy, visionary truths, spiritual seeker	Delusion in ideology, confused faith, escapism through dogma		
			<b>X:</b> career, public life, structure	Artistic reputation, mystic vocation, compassionate leader, serves through vision	Lack of ambition, unclear public image, passive in status or authority		

		Decan: <b>Mars</b> - Tarot: 10 of Cups (Perfected Success)	<b>XI:</b> hopes, groups, nerves	Inspired social dreamer, mystical ideals, compassionate contributor to collective causes	Escapism into ideology, disillusionment with groups, emotional imbalance in friendships		
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Profound mysticism, spiritual insight, deep compassion in solitude, connection to divine mystery	Victim complex, self-sabotage, illusion, emotional dissolution, hidden suffering		
Moon: YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	Aries: Head		<b>I:</b> body, vitality, physical self	Emotionally expressive, bold instincts, passionate presence, courageous persona	Mood swings, reactive self-image, impulsive expression, emotional volatility		In Aries, the Moon expresses emotion through spontaneity, fire, instinct, and drive. Feelings emerge quickly, often intensely. When well-aspected, this placement yields courage and initiative; when afflicted, it may create emotional impulsiveness or volatility.
		Zodiac: Incompatible	<b>II:</b> resources, values, sustenance	Driven to secure resources, emotionally invested in values, assertive about needs	Greedy tendencies, emotional spending, over-identifies worth with possessions		
		Decan: <b>Mars (Domicile)</b> - Tarot: 2 of Wands (Dominion)	<b>III:</b> mind, nerves, speech, movement	Fast thinker, emotionally assertive communicator, passionate learner	Argumentative tone, rash thoughts, impulsive speech, emotional reactivity in dialogue		
			<b>IV:</b> roots, digestion, family	Fiercely protective of family, strong emotional roots, initiates domestic change	Combative at home, emotional unrest in family life, defensiveness with origins		
		Zodiac: Incompatible	<b>V:</b> expression, pleasure, reproduction	Emotionally passionate in love, courageous self-expression, quick to show affection	Attention-seeking, possessive in romance, emotionally impatient with children		
		Decan: <b>Sun (Exaltation)</b> - Tarot: 3 of Wands (Virtue)	<b>VI:</b> illness, service, work routines	Energetic in routines, emotional drive in work, quick to support others in crisis	Burnout, frustration in service, mood-driven habits, irritability in health matters		
			<b>VII:</b> relationships, contracts, harmony	Passionate and reactive in relationships, assertive emotional partner	Clingy or controlling in unions, emotionally competitive, quick to take offense		
			<b>VIII:</b> death, sex, transformation	Brave in emotional transformation, instinctive insight, emotionally fearless in crisis	Power struggles, intense emotional reactions, rash with shared resources		
		Zodiac: Incompatible	<b>IX:</b> beliefs, expansion, higher mind	Emotionally inspired beliefs, passionate seeker, adventurous spirit in learning	Fanatical ideals, restless in faith, emotionally dogmatic, impulsive spiritual shifts		
		Decan: <b>Venus (Detriment)</b> - Tarot: 4 of Wands (Completion)	<b>X:</b> career, public life, structure	Strong public instincts, emotionally driven ambition, passionate about legacy	Emotional outbursts in public, impulsive career moves, reactive reputation		
			<b>XI:</b> hopes, groups, nerves	Courageous in friendships, emotionally expressive in groups, driven by ideals	Overly dominant in group settings, emotionally charged idealism, social clashes		
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Deep instinctual intuition, emotional warrior in solitude, brave inner healer	Repressed rage, hidden mood swings, impulsive self-sabotage, emotional denial		
Moon: YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	Taurus: Neck/Throat		<b>I:</b> body, vitality, physical self	Calm emotional presence, grounded instincts, nurturing and steady identity	Stubborn personality, emotionally inflexible, passive resistance		The Moon is exalted in Taurus, making this one of its strongest positions. Emotions are expressed through stability, sensuality, patience, and earthy receptivity. When afflicted, this placement can be overly rigid, indulgent, or possessive.
		Zodiac: <b>Exaltation</b>	<b>II:</b> resources, values, sustenance	Strong emotional security, nurtures stability, generous and consistent provider	Overattached to possessions, emotional spending, fear of financial change		
		Decan: <b>Mercury</b> - Tarot: 5 of Pentacles (Worry)	<b>III:</b> mind, nerves, speech, movement	Warm communicator, steady emotions in thought, emotionally supportive sibling ties	Inflexible thinking, emotionally stuck in old narratives, avoids difficult conversations		
			<b>IV:</b> roots, digestion, family	Emotionally anchored in family, protective of home, comforting domestic energy	Fear of change in family, emotionally immobile, possessive in private life		
			<b>V:</b> expression, pleasure, reproduction	Romantic and sensual, emotionally generous in love, slow and devoted affection	Jealous, possessive in romance, emotionally indulgent, overprotective of children		
		Zodiac: <b>Exaltation</b>	<b>VI:</b> illness, service, work routines	Emotionally dependable in service, steady in health routines, nurturing work ethic	Resistant to change in habits, emotionally burdened by routine, comfort-driven stagnation		
		Decan: <b>Moon (Exaltation)</b> - Tarot: 6 of Pentacles (Material Success)	<b>VII:</b> relationships, contracts, harmony	Loyal and nurturing partner, seeks emotional harmony in unions, patient in relationships	Emotionally possessive in partnerships, fear of disruption, resistant to growth in love		
			<b>VIII:</b> death, sex, transformation	Emotionally resilient in transformation, steady through crisis, deep emotional grounding	Resistance to emotional letting go, fear of vulnerability, possessive in intimacy		

		Zodiac: <b>Exaltation</b> Decan: <b>Saturn</b> - Tarot: 7 of Pentacles (Success Unfulfilled)	IX: beliefs, expansion, higher mind	Emotionally grounded beliefs, spiritual depth through nature and embodiment	Rigid in moral views, lacks philosophical flexibility, emotionally resists unfamiliar ideas		
			X: career, public life, structure	Emotionally committed to success, steady ambition, respected for stability and nurturing leadership	Fear of failure, clings to public status, over-identification with career security		
			XI: hopes, groups, nerves	Loyal friend, emotionally stable in groups, nurtures collective ideals	Resistant to new ideals, possessive in social dynamics, emotionally stuck in past friendships		
			XII: isolation, karma, subconsciousness, hidden illness	Deep inner peace, spiritually steady, emotionally healing in solitude, devotion in isolation	Internalized emotional inertia, overattachment to private suffering, avoidance of emotional change		
Moon: YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	Gemini: arms, lungs	Zodiac: Semi-compatible Decan: <b>Jupiter (Detriment)</b> - Tarot: 8 of Swords (Shortened Force) <i>Influences</i>	I: body, vitality, physical self	Expressive, witty, emotionally agile, mentally alert persona	Mood swings, emotional inconsistency, scattered identity, overtalking emotions		The Moon in Gemini expresses emotion through communication, intellect, curiosity, and quick adaptability. When well-aspected, it brings wit and versatility; when challenged, it may manifest as restlessness, emotional inconsistency, or detachment.
			II: resources, values, sustenance	Emotionally adaptable about resources, values ideas, quick to adjust financial plans	Unstable financial habits, spends to soothe nerves, values tied to mental stimulation		
			III: mind, nerves, speech, movement	Emotionally expressive in communication, strong intuition in learning, bonds with siblings	Anxious thoughts, emotionally reactive speech, superficial communication patterns		
			IV: roots, digestion, family	Communicative home life, intellectual family bonds, emotionally curious about ancestry	Restless at home, emotionally distracted in domestic matters, emotionally unavailable roots		
		Zodiac: Semi-compatible Decan: <b>Marte</b> - Tarot: 9 of Swords (Despair and Cruelty)	V: expression, pleasure, reproduction	Playful, flirty, creatively expressive, emotionally stimulating in love	Emotionally fickle in romance, scattered in creative focus, flirtation without depth		
			VI: illness, service, work routines	Adapts emotionally to tasks, mentally agile in routines, quick to support others	Emotionally overwhelmed by details, nervous habits, difficulty with consistency		
			VII: relationships, contracts, harmony	Talkative partner, values intellectual connection in love, emotionally verbal in union	Inconsistent in relationships, avoids emotional depth, emotional over-analysis of partner		
			VIII: death, sex, transformation	Curious about emotions, explores emotional transformation through language and ideas	Emotional detachment from intensity, avoids deep feelings, intellectualizes intimacy		
		Zodiac: Semi-compatible Decan: <b>Sun</b> - Tarot: 10 of Swords (Ruin)	IX: beliefs, expansion, higher mind	Emotionally inspired by learning, adaptable faith, emotionally open to new ideas	Scattered beliefs, emotionally uncommitted to philosophy, lacks depth in convictions		
			X: career, public life, structure	Communicates well in public, emotionally versatile in career, quick-witted authority	Nervous ambition, reputation for inconsistency, emotionally driven career changes		
			XI: hopes, groups, nerves	Expressive in friendships, values intellectual group ideals, emotionally responsive in causes	Emotionally distracted in groups, restless social ties, superficial group commitments		
			XII: isolation, karma, subconsciousness, hidden illness	Reflective and mentally intuitive, emotionally aware of subconscious patterns	Inner anxiety, difficulty quieting the mind, emotional overthinking in solitude		
		Zodiac: <b>Domicile</b> Decan: <b>Venus</b> - Tarot: 2 of Cups (Love)	I: body, vitality, physical self	Deeply intuitive, nurturing presence, emotionally expressive, gentle authority	Moody self-image, emotionally sensitive identity, tendency to retreat inward		The Moon is in domicile (its rulership) in Cancer, making it powerful and deeply expressive. Emotions here are nurturing, protective, and intuitive. When negatively aspected, this placement can become overly reactive, clingy, or prone to emotional manipulation.
			II: resources, values, sustenance	Emotionally secure in values, nurtures through resources, protective provider	Possessiveness, emotional dependency on material stability, hoarding tendencies		
			III: mind, nerves, speech, movement	Empathic speaker, emotionally attuned communicator, intuitive learner	Emotionally reactive speech, difficulty detaching from memories, passive-aggressive tone		
			IV: roots, digestion, family	Strong ancestral bonds, family protector, emotionally fulfilling home life	Over-attachment to the past, emotionally enmeshed, difficulty leaving home or family conflicts		
			V: expression, pleasure, reproduction	Devoted and protective lover, emotional creativity, nurturing parent or artist	Clingy in romance, emotional insecurity in expression, overprotectiveness with children		

Moon: YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	Cancer: chest, breasts	Zodiac: <b>Domicile</b> Decan: <b>Mercury</b> - Tarot: 3 of Cups (Abundance)	<b>VI:</b> illness, service, work routines	Nurtures through work, emotionally responsive to health and service, caretaker archetype	Overwhelmed by service, burnout from emotional labor, difficulty setting boundaries at work	
			<b>VII:</b> relationships, contracts, harmony	Seeks emotional safety in relationships, caring and loyal partner, union through feeling	Codependency, emotional manipulation, hypersensitivity to conflict in love	
			<b>VIII:</b> death, sex, transformation	Emotionally deep, transformational healing, instinctively attuned to mystery and loss	Emotional possessiveness, avoidance of vulnerability, fear of emotional death or merging	
		Zodiac: <b>Domicile</b> Decan: <b>Moon (Domicile)</b> - Tarot: 4 of Cups (Blended Pleasure)	<b>IX:</b> beliefs, expansion, higher mind	Emotionally resonant beliefs, intuitive spirituality, nurtures others through wisdom	Clings to inherited beliefs, emotional resistance to change, fearful of unfamiliar ideologies	
			<b>X:</b> career, public life, structure	Publicly nurturing, emotionally devoted to career, maternal authority	Overidentified with public image, emotionally burdened by career, reputation based on sentiment	
			<b>XI:</b> hopes, groups, nerves	Supportive friend, emotionally loyal in causes, intuitive collective awareness	Overattached in social groups, emotionally swayed by peer dynamics, cliquish tendencies	
Moon: YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	Leo: heart, spine	Zodiac: Incompatible Decan: <b>Saturn (Detriment)</b> - Tarot: 5 of Wands (Strife, battles)	<b>I:</b> body, vitality, physical self	Charismatic, emotionally radiant, confident presence, instinctive leadership	Overly dramatic self-image, emotional pride, demands validation	The Moon in Leo expresses emotion through warmth, creativity, pride, and personal radiance. When positively aspected, it offers leadership and passionate care. When afflicted, it can become dramatic, attention-seeking, or emotionally domineering.
			<b>II:</b> resources, values, sustenance	Proud provider, emotionally secure in values, generous with resources	Ties self-worth to admiration, emotionally spends to impress, fear of financial obscurity	
			<b>III:</b> mind, nerves, speech, movement	Passionate speaker, emotionally creative mind, warm and expressive communicator	Boastful in speech, emotionally reactive in arguments, dominates conversations	
			<b>IV:</b> roots, digestion, family	Loyal and protective of family, emotionally proud of roots, warm domestic energy	Domineering in the home, excessive family pride, drama in private life	
		Zodiac: Incompatible Decan: <b>Jupiter</b> - Tarot: 6 of Wands (Victory)	<b>V:</b> expression, pleasure, reproduction	Artistic passion, emotionally vibrant lover, nurturing through performance and play	Jealousy in love, emotional theatrics, seeks attention through romantic expression	
			<b>VI:</b> illness, service, work routines	Pride in service, emotionally generous at work, creative routine and health awareness	Controlling in workplace, emotionally dramatic about minor tasks, needs praise for service	
			<b>VII:</b> relationships, contracts, harmony	Loyal partner, affectionate in union, passionate about harmony and fairness	Possessive in relationships, overbearing emotionally, needs constant emotional validation	
			<b>VIII:</b> death, sex, transformation	Courageous in emotional depth, powerfully loyal in intimacy, transformative emotional strength	Emotional control issues, pride blocks vulnerability, fear of emotional exposure	
		Zodiac: Incompatible Decan: <b>Mars</b> - Tarot: 7 of Wands (Excess)	<b>IX:</b> beliefs, expansion, higher mind	Inspirational beliefs, emotionally connected to truth, teaches from the heart	Intolerant of differing views, emotionally righteous, dramatic spiritual identity	
			<b>X:</b> career, public life, structure	Public warmth, nurturing leadership, admired for emotional nobility	Seeks recognition in career to soothe emotions, emotionally reactive to public failure	
			<b>XI:</b> hopes, groups, nerves	Loyal and proud friend, emotionally driven idealism, warm group participation	Needs admiration from groups, emotionally theatrical about causes, group ego conflicts	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Deep inner passion, creative solitude, emotional self-reflection through art or mysticism	Hidden pride, emotional isolation, self-pity masked as nobility, dramatic internal world	
		Zodiac: Compatible	<b>I:</b> body, vitality, physical self	Modest, emotionally composed, gentle presence, precise emotional expression	Overly self-critical, emotionally restrained, anxious persona, dry demeanor	In Virgo, the Moon expresses emotion through discernment, service, analysis, and structure. This is a placement of emotional refinement and duty, but when afflicted, it can cause anxiety, perfectionism, and emotional inhibition.
			<b>II:</b> resources, values, sustenance	Emotionally practical about money, values discipline and order, generous through service	Worry-driven spending, overly frugal, ties self-worth to productivity	

<b>Moon:</b> YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	<b>Virgo:</b> abdomen	Decan: <b>Sun</b> - Tarot: 8 of Pentacles (Prudence)	<b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Thoughtful communicator, emotionally precise, analytic in emotional tone Orderly and dependable at home, emotionally committed to family, supportive roots	Overthinks feelings, emotionally rigid thoughts, critical or cold speech Rigid family dynamics, suppresses emotional needs, overly self-sacrificing	
		Zodiac: Compatible Decan: <b>Venus (Fall)</b> - Tarot: 9 of Pentacles (Material Gain)	<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines	Careful in love, emotionally supportive to children or lovers, crafts detailed creative work Devoted to service, emotionally fulfilled by routines, instinctively helpful	Emotionally withheld in romance, perfectionist in art or affection, fear of rejection Martyr complex, neurotic about tasks, emotional repression through overworking	
			<b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Loyal and thoughtful partner, values emotional consistency, seeks practical union Emotionally analytical, brave in crisis, instinctively understands emotional healing	Overanalyzes emotions in relationships, critical of partner, emotionally nitpicky Fear of loss of control, emotionally distant in intimacy, analyzes rather than feels	
			<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure	Practical philosophy, emotional clarity in beliefs, applies reason to faith Steady emotional presence in career, admired for humility and work ethic	Cold worldview, lacks emotional resonance in belief, skeptical of spiritual emotion Emotionally repressed in public, overly focused on image, avoids emotional leadership	
		Zodiac: Compatible Decan: <b>Mercury (Domicile &amp; Exaltation)</b> - Tarot: 10 of Pentacles (Wealth)	<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Quietly supportive in friendships, practical idealism, values structured community Subtle emotional healer, inner life of careful reflection, compassionate solitude	Emotionally reserved in groups, critical of collective causes, lacks warmth in social settings Self-sabotaging perfectionism, guilt over emotional needs, repressed grief and worry	
			<b>I:</b> body, vitality, physical self <b>II:</b> resources, values, sustenance	Graceful presence, emotionally refined, instinctively fair, attractive personality Values harmony and beauty, emotionally generous with money, earns through grace	Emotionally dependent, indecisive identity, suppresses conflict, needs approval Overspends to keep peace, ties self-worth to appearance or approval	The Moon in Libra expresses emotion through balance, beauty, harmony, and relationships. When well-aspected, it is graceful, diplomatic, and socially aware. When afflicted, it may become indecisive, overly dependent, or passive-aggressive.
			<b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Diplomatic speaker, emotionally balanced thoughts, seeks peace in communication Harmonious family dynamic, nurtures through peace, emotionally secure in beauty	Avoids difficult conversations, emotionally indecisive in ideas, superficial expression Avoids emotional depth in family, conflict-avoidant at home, over-sacrifices to maintain calm	
		Zodiac: Semi-compatible Decan: <b>Saturn (Exaltation)</b> - Tarot: 3 of Swords (Sorrow/Pain)	<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines	Romantic and graceful lover, emotionally artistic, balances love and play Emotionally fair coworker, values pleasant routines, serves through diplomacy	Seeks constant validation in love, emotionally passive in romance, avoids creative risk Emotionally overaccommodating at work, indecisive in duties, people-pleasing in service	
			<b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Devoted partner, emotionally attuned to union, harmonious in relationship needs Balances emotional transformation, seeks harmony in crisis, emotionally just	Clings to relationships, avoids emotional confrontation, fears solitude Fears emotional intensity, avoids emotional risk, superficial connection in intimacy	
			<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure	Values spiritual and intellectual balance, seeks emotionally fulfilling truth Emotionally diplomatic leader, admired for grace, career in art, beauty, or justice	Over-rationalizes beliefs, avoids challenging spiritual questions, clings to consensus People-pleasing in public, over-identifies with image, avoids strong public stances	
<b>Moon:</b> YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	<b>Libra:</b> kidneys, loins	Zodiac: Semi-compatible Decan: <b>Jupiter</b> - Tarot: 4 of Swords (Rest from Strife)	<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Peacekeeper in groups, emotionally loyal to ideals, nurtures collective harmony Seeks inner balance, emotionally reflective, heals through solitude and beauty	Fear of rejection in social circles, avoids conflict in causes, shallow group bonds Avoids internal conflict, represses shadow emotions, over-identifies with peacekeeping role	

<b>Moon:</b> YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	<b>Scorpio:</b> genitals	Zodiac: <b>Fall</b> Decan: <b>Mars (Domicile)</b> - Tarot: 5 of Cups (Loss of Pleasure)	I: body, vitality, physical self	Intense emotional magnetism, strong instincts, commanding presence, inner power	Emotional volatility, secretive self-image, overprotective persona, brooding	The Moon is in fall in Scorpio—its emotional intensity and need for control often conflict with the Moon's natural receptivity. However, when well-aspected, this placement offers emotional depth, resilience, and transformative power. When afflicted, it may lead to jealousy, secrecy, or emotional self-destruction.
			II: resources, values, sustenance	Emotionally resourceful, emotionally connected to possessions, values transformation	Possessiveness, fear of loss, emotional control through money, obsessive with security	
			III: mind, nerves, speech, movement	Deep communicator, intuitive thinker, passionate speech, emotional insight	Manipulative words, secretive thoughts, emotionally defensive in communication	
			IV: roots, digestion, family	Protective and loyal to family, emotionally bonded to ancestral roots, home as a fortress	Power struggles at home, emotional repression in family, clinging to past pain	
		Zodiac: <b>Fall</b> Decan: <b>Sun</b> - Tarot: 6 of Cups (Pleasure)	V: expression, pleasure, reproduction	Intense romantic expression, passionate in creativity, emotionally powerful lover	Jealous in love, emotionally dramatic, possessive of children or lovers	
			VI: illness, service, work routines	Emotionally strong in crisis, persistent worker, healer through emotional depth	Overburdened in service, emotional control issues at work, secret health struggles	
			VII: relationships, contracts, harmony	Fiercely loyal partner, emotionally invested in commitment, seeks profound emotional bond	Emotionally controlling in relationships, fear of betrayal, obsessive union dynamics	
			VIII: death, sex, transformation	Master of emotional transformation, fearless in facing pain, regenerates through feeling	Overwhelmed by emotional intensity, manipulative in intimacy, fear of emotional loss	
		Zodiac: <b>Fall</b> Decan: <b>Venus (Detriment)</b> - Tarot: 7 of Cups (Illusory Success)	IX: beliefs, expansion, higher mind	Deep spiritual insight, emotionally connected to esoteric beliefs, mystical intuition	Obsessive belief patterns, emotional fanaticism, fear of alternative perspectives	
			X: career, public life, structure	Intense emotional authority, determined public image, transformational vocation	Secretive public life, emotionally obsessed with success, fear of failure	
			XI: hopes, groups, nerves	Loyal in causes, emotionally powerful in groups, fights for collective transformation	Emotional possessiveness in friendships, controlling social presence, shadow in activism	
			XII: isolation, karma, subconsciousness, hidden illness	Deep emotional solitude, powerful healing in isolation, karmic emotional strength	Repressed trauma, emotional self-destruction, hidden fears, obsessive inner world	
<b>Moon:</b> YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	<b>Sagittarius:</b> thighs	Zodiac: Incompatible Decan: <b>Mercury (Detriment)</b> - Tarot: 8 of Wands (Swiftiness)	I: body, vitality, physical self	Optimistic presence, emotionally expressive, humorous and adventurous spirit	Emotionally scattered, avoids depth, restless identity, emotionally overconfident	The Moon in Sagittarius expresses emotion through freedom, belief, optimism, and philosophical curiosity. When well-aspected, it brings emotional faith, humor, and adventure. When afflicted, it can result in restlessness, dogmatism, or emotional irresponsibility.
			II: resources, values, sustenance	Generous with money, emotionally secure in beliefs and values, philanthropic	Irresponsible with spending, values based on ideals rather than needs, emotional excess	
			III: mind, nerves, speech, movement	Inspiring communicator, passionate speaker, emotionally tied to big ideas	Dogmatic in discussion, emotionally scattered thoughts, overgeneralizes feelings	
			IV: roots, digestion, family	Warm and freedom-loving family bonds, emotionally expansive roots, home filled with ideals	Avoids emotional intimacy at home, restless domestic energy, emotional detachment from roots	
		Zodiac: Incompatible Decan: <b>Moon</b> - Tarot: 9 of Wands (Great Strength / Vigor)	V: expression, pleasure, reproduction	Playful, adventurous in romance, expressive creativity, joyful parenting	Unreliable in love, overindulgent or emotionally exaggerated expression, insensitive to others	
			VI: illness, service, work routines	Optimistic in work, emotionally energized by meaningful service, enthusiastic about routine	Scattered with tasks, avoids repetition, emotionally inconsistent in service or health	
			VII: relationships, contracts, harmony	Loyal and honest partner, seeks shared adventure, values mutual growth in union	Commitment-phobic, emotionally avoids conflict, overly idealizes partners	
			VIII: death, sex, transformation	Brave in emotional transformation, spiritualized intimacy, emotionally insightful in crisis	Avoids emotional depth, glosses over pain, moralizes vulnerability, emotionally impatient	
			IX: beliefs, expansion, higher mind	Emotionally inspired by truth, seeker of wisdom, adventurous faith	Emotional fanaticism, inflated sense of rightness, avoids emotional nuance in beliefs	

		Zodiac: Incompatible Decan: <b>Saturn</b> - Tarot: 10 of Wands (Opression)	<b>X:</b> career, public life, structure	Public warmth, optimistic ambition, admired for integrity and inspiration	Emotional arrogance in career, scattered public image, exaggerates achievements	
			<b>XI:</b> hopes, groups, nerves	Enthusiastic supporter of ideals, emotionally invested in collective vision, expansive friendships	Unreliable in friendships, emotionally idealistic to a fault, alienates with moral superiority	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Spiritually buoyant solitude, emotionally visionary, inner faith and optimism	Escapism through belief, emotional denial, ignores shadow work, detachment from internal truth	
<b>Moon:</b> YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	<b>Capricorn:</b> knees		<b>I:</b> body, vitality, physical self	Reserved dignity, emotionally composed, instinctively responsible, strong inner discipline	Cold demeanor, emotionally repressed self-image, overly cautious expression	The Moon in Capricorn expresses emotion through discipline, control, responsibility, and long-term vision. It's considered a challenging placement, as the Moon's emotional receptivity is filtered through Saturnian restraint—but when well-aspected, it brings emotional maturity, endurance, and reliability. When afflicted, it can lead to coldness, repression, or fear of vulnerability.
		Zodiac: <b>Detriment</b> Decan: <b>Jupiter (Fall)</b> - Tarot: 2 of Pentacles (Harmonious Change)	<b>II:</b> resources, values, sustenance	Steady in values, emotionally grounded in material reality, financially mature	Emotionally rigid with money, scarcity mindset, fear of emotional instability in resources	
			<b>III:</b> mind, nerves, speech, movement	Practical thinker, emotionally stable communicator, rational speech	Emotionally withdrawn in speech, guarded thoughts, avoids emotional topics	
			<b>IV:</b> roots, digestion, family	Loyal to tradition, emotionally structured family bonds, stoic in domestic matters	Emotionally distant at home, repressive upbringing, guilt over emotional needs	
		Zodiac: <b>Detriment</b> Decan: <b>Mars (Exaltation)</b> - Tarot: 3 of Pentacles (Material Works / Construction)	<b>V:</b> expression, pleasure, reproduction	Disciplined creativity, emotionally dependable in love, responsible parenting	Restrained in romance, suppresses play, emotionally inhibited expression	
			<b>VI:</b> illness, service, work routines	Emotionally responsible in service, endures difficulty with grace, values routine	Workaholic tendencies, represses emotional stress, fear of imperfection	
			<b>VII:</b> relationships, contracts, harmony	Committed partner, seeks emotionally stable relationships, loyal in union	Emotionally detached in love, avoids vulnerability, views affection as duty	
			<b>VIII:</b> death, sex, transformation	Strong emotional control in crisis, transforms through endurance, deeply private feelings	Emotional rigidity, fear of intimacy, avoids surrender or emotional death	
			<b>IX:</b> beliefs, expansion, higher mind	Steady belief system, emotionally rooted in tradition or philosophy, spiritual maturity	Overly conservative views, emotionally skeptical of new ideas, fears uncertainty in faith	
		Zodiac: <b>Detriment</b> Decan: <b>Sun</b> - Tarot: 4 of Pentacles (Earthly Power)	<b>X:</b> career, public life, structure	Respected emotional authority, ambitious and self-contained, admired for emotional discipline	Emotionally repressed public persona, career over connection, suppresses emotional truth	
			<b>XI:</b> hopes, groups, nerves	Emotionally loyal to group ideals, reserved in friendship, supports through practical care	Emotional distance in social circles, avoids emotional engagement with causes	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Emotional endurance in solitude, karmic maturity, structured inner healing	Internalized guilt, emotional isolation, repressed sorrow, burdened by past failures	
			<b>I:</b> body, vitality, physical self	Independent presence, emotionally composed, original personality, mental clarity	Emotionally aloof, detached persona, unpredictable moods, avoids emotional depth	The Moon in Aquarius expresses emotion through rationality, vision, independence, and idealism. While not traditionally strong, this placement favors emotional detachment, mental clarity, and group awareness. When negatively aspected, it can bring emotional coldness, unpredictability, and rebellious aloofness.
		Zodiac: Semi-compatible Decan: <b>Venus</b> - Tarot: 5 of Swords (Defeat)	<b>II:</b> resources, values, sustenance	Emotionally values freedom, inventive with resources, calm about material needs	Financial instability, emotionally indifferent to security, values abstraction over reality	
			<b>III:</b> mind, nerves, speech, movement	Rational communicator, emotionally objective speech, mentally inventive	Emotionally distant in conversations, avoids vulnerability, intellectualizes feelings	
			<b>IV:</b> roots, digestion, family	Unconventional home life, emotionally free-spirited, family based on ideals	Detached from family, avoids emotional intimacy at home, unpredictable domestic atmosphere	
			<b>V:</b> expression, pleasure, reproduction	Creative in unexpected ways, emotionally expressive through uniqueness, values playful intellect	Distant in love, inconsistent with children, avoids romantic vulnerability, emotionally experimental	

<b>Moon:</b> YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	<b>Aquarius:</b> shins	Zodiac: Semi-compatible Decan: <b>Mercury (Exaltation)</b> - Tarot: 6 of Swords (Earned Success)	<b>VI:</b> illness, service, work routines	Innovative in service, emotionally steady in crisis, objective about health	Cold in workplace, emotionally indifferent to routines, resists emotional intimacy with coworkers	
			<b>VII:</b> relationships, contracts, harmony	Emotionally fair partner, values intellectual connection in love, seeks non-traditional union	Emotionally unavailable, overdetached in relationships, avoids closeness, emotionally unpredictable	
			<b>VIII:</b> death, sex, transformation	Emotionally detached but insightful, seeks liberation through transformation, stable under pressure	Avoids emotional vulnerability, dissociates during crisis, fears emotional dependence	
		Zodiac: Semi-compatible Decan: <b>Moon</b> - Tarot: 7 of Swords (Unstable Effort)	<b>IX:</b> beliefs, expansion, higher mind	Emotionally inspired by ideals, values progressive truth, intuitive about collective spirituality	Rebellious beliefs, emotionally rigid ideology, avoids emotional surrender to faith	
			<b>X:</b> career, public life, structure	Known for emotional coolness and integrity, admired for emotional clarity, public innovator	Cold public persona, emotionally removed ambition, resists emotional display in leadership	
			<b>XI:</b> hopes, groups, nerves	Emotionally loyal to causes, devoted to humanitarian ideals, steady group presence	Emotionally distanced in friendships, avoids emotional intimacy in social roles	
<b>Moon:</b> YSVD (9) - stomach, fluids, womb, breasts, memory, reflection, dreams	<b>Pisces:</b> feet		<b>I:</b> body, vitality, physical self	Empathic presence, dreamy and intuitive, mystically expressive, gentle demeanor	Emotionally porous, lacks boundaries, overly passive, easily overwhelmed	The Moon in Pisces expresses emotion through intuition, compassion, imagination, and mysticism. It is deeply sensitive, empathic, and idealistic. When well-aspected, it brings emotional transcendence and spiritual depth; when afflicted, it can result in escapism, hypersensitivity, and emotional confusion.
		Zodiac: Pure Water Decan: <b>Saturn</b> - Tarot: 8 of Cups (Abandoned Success)	<b>II:</b> resources, values, sustenance	Emotionally generous, intuitive with money, values beauty and compassion	Disorganized finances, emotional spending, detachment from material reality	
			<b>III:</b> mind, nerves, speech, movement	Poetic communicator, imaginative thinker, emotionally expressive in subtle ways	Confused thoughts, emotional fog in communication, difficulty focusing	
			<b>IV:</b> roots, digestion, family	Spiritually nurturing home, deeply emotional roots, intuitive family bonds	Emotional entanglement, family guilt, chaotic domestic energy, avoidance of reality	
		Zodiac: Pure Water Decan: <b>Jupiter (Domicile)</b> - Tarot: 9 of Cups (Material Happiness)	<b>V:</b> expression, pleasure, reproduction	Romantic dreamer, emotionally creative, expressive in art and love, intuitive with children	Fantasy-driven romance, emotional idealization, drama in love life, escapism through pleasure	
			<b>VI:</b> illness, service, work routines	Healing presence at work, emotionally compassionate in service, ritualistic devotion	Victim mentality, emotionally overwhelmed by service, disorganized routines	
			<b>VII:</b> relationships, contracts, harmony	Emotionally idealistic partner, soulful union, spiritually bonded relationships	Codependency, emotional escapism in love, delusional expectations in union	
			<b>VIII:</b> death, sex, transformation	Mystic in emotional transformation, fearless in surrender, deeply regenerative	Fear of letting go, emotional drowning, manipulative passivity, boundary dissolution in intimacy	
		Zodiac: Pure Water Decan: <b>Mars</b> - Tarot: 10 of Cups (Perfected Success)	<b>IX:</b> beliefs, expansion, higher mind	Deeply spiritual beliefs, emotionally guided by dreams and symbols, universal compassion	Confused ideology, delusional spiritualism, emotionally swayed by false beliefs	
			<b>X:</b> career, public life, structure	Publicly compassionate, admired for emotional depth, brings vision to vocation	Emotionally passive in ambition, unclear public identity, reputation for vagueness	
			<b>XI:</b> hopes, groups, nerves	Emotionally devoted to ideals, spiritual connection to collective vision, poetic in causes	Unrealistic social hopes, emotional projection onto groups, avoids grounding ideals	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Profound mysticism, intuitive solitude, deep emotional healing, connection to the Divine	Emotional martyrdom, hidden suffering, self-pity, karmic emotional confusion	
			<b>I:</b> body, vitality, physical self	Bold communicator, fast thinker, assertive expression, sharp intellect	Argumentative persona, impatient self-expression, rash words	Mercury in Aries expresses the mind with directness, boldness, and speed. It is passionate and assertive in communication. When well-aspected, this placement gives mental courage, decisiveness, and leadership in speech. When afflicted, it can result in impulsiveness, arguments, and impatience in thought.

<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	<b>Aries: Head</b>	Zodiac: Compatible Decan: <b>Mars (Domicile)</b> - Tarot: 2 of Wands (Dominion)	<b>II:</b> resources, values, sustenance <b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Quick with finances, assertive in defending values, strategic with possessions Decisive speaker, persuasive, mentally agile, energetic in learning Defender of family ideas, assertive communicator at home, clear about origins	Impulsive spending, poor financial planning, values based on ego Tactless in conversation, verbal aggressiveness, short attention span Combative family discussions, overly dominant in household opinions		
		Zodiac: Compatible Decan: <b>Sun (Exaltation)</b> - Tarot: 3 of Wands (Virtue)	<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines <b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Expressive and witty in love, bold creative voice, quick romantic gestures Fast problem-solver, commanding in service, assertive in tasks Direct in communication with partners, debates fairly, assertive negotiator Sharp mind in crisis, quick to assess emotional depth, courageous with secrets	Brash or reckless in flirting, impulsive artistic direction, prideful arguments Intolerant of inefficiency, mental burnout, impatience with detail Sharp-tongued in relationships, argumentative, verbally dominating Harsh words in intimacy, rash decisions about shared resources, verbal manipulation		
		Zodiac: Compatible Decan: <b>Venus (Detriment)</b> - Tarot: 4 of Wands (Completion)	<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure <b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Direct philosophical views, mentally adventurous, quick understanding of big ideas Commanding speech in public, decisive communicator in career, sharp strategic mind Leader in group discussions, passionate about ideals, persuasive in social settings Mentally brave in solitude, bold inner voice, intuitive insight through instinct	Dogmatic, hasty judgment in beliefs, impatient with learning depth Blunt reputation, rash decisions under pressure, clashes with authority Overbearing with causes, harsh with friends, argumentative about ideals Hidden mental aggression, impulsive thoughts turned inward, unconscious verbal sabotage		
	<b>Taurus: Neck/Throat</b>	Zodiac: Incompatible Decan: <b>Mercury</b> - Tarot: 5 of Pentacles (Worry)	<b>I:</b> body, vitality, physical self <b>II:</b> resources, values, sustenance <b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Calm communicator, thoughtful speaker, grounded expression, clear self-concept Financially intelligent, practical thinker about value, communicates about wealth or possessions Patient and steady learner, practical communicator, persistent in study Communicates family values, honors ancestral wisdom, speaks with emotional stability	Stubborn persona, slow to adapt ideas, fixed opinions about identity Overly focused on material gain, resistant to changing values, greedy rationale Mental rigidity, slow response, fixed mindset, resists new perspectives Traditionalist mind, resistant to emotional dialogue, inflexible domestic views		Mercury in Taurus communicates with patience, practicality, and sensual clarity. It values stable thought, deliberate speech, and lasting ideas. When well-aspected, it offers mental persistence, eloquence, and financial acumen. When afflicted, it may manifest as stubborn thinking, mental inertia, or materialistic reasoning.
			<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines <b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Sensual and poetic speaker, calm romantic communication, values artistic clarity Reliable communicator at work, practical in service, grounded in routine thinking Fair and measured in partnership dialogue, values peaceful communication in union Deep thinker about values and transformation, persistent in uncovering truth	Emotionally reserved in love letters, possessive in creative thought, lacks spontaneity Rigid routines, overly cautious in speech, resistance to innovation at work Slow to discuss issues in relationships, avoids confrontation, stubborn in compromise Possessive with shared resources, mental attachment to control, fear of mental vulnerability		
			<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure <b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Philosophical realism, stable moral thinking, practical in higher learning Public speaker with gravity, strategic thinker, career grounded in logic and reliability Steady mind for collective goals, loyal friend in dialogue, values stable ideals Quiet persistence in thought, private intellectual depth, steady spiritual reflection	Conservative beliefs, narrow worldview, dismissive of abstract or unfamiliar ideas Rigid career choices, resists public change, overly concerned with reputation Inflexible ideals, avoids new ideas in groups, overly materialistic in causes Silent stubbornness, mental stagnation in solitude, fears letting go of fixed ideas		
		Zodiac: Incompatible Decan: <b>Saturn</b> - Tarot: 7 of Pentacles (Success Unfulfilled)					

<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	<b>Gemini:</b> arms, lungs	Zodiac: <b>Domicile (Diurnal)</b> Decan: <b>Jupiter (Detriment)</b> - Tarot: 8 of Swords (Shortened Force) <i>Influences</i>	I: body, vitality, physical self	Quick thinker, witty speaker, lively persona, adaptable self-expression	Talkative to excess, scattered identity, restless demeanor, superficial persona		Mercury is in domicile in Gemini, one of its rulerships, giving it speed, clarity, and adaptability. It excels in communication, curiosity, and mental flexibility. When well-aspected, it brings sharp intellect, eloquence, and versatility. When afflicted, it can cause scattered thinking, superficiality, or nervous tension.
			II: resources, values, sustenance	Intelligent with money, versatile income sources, values intellect and clarity	Inconsistent with finances, ties self-worth to intellect, restless with material focus		
			III: mind, nerves, speech, movement	Gifted writer and speaker, eloquent, mentally agile, master of communication	Overactive mind, gossipy, easily distracted, mentally overextended		
			IV: roots, digestion, family	Curious about family history, intelligent emotional communicator, strong memory	Nervous domestic energy, overly rational in emotional matters, unfocused at home		
		Zodiac: <b>Domicile (Diurnal)</b> Decan: <b>Marte- Tarot: 9 of Swords</b> (Despair and Cruelty)	V: expression, pleasure, reproduction	Playful and witty in love, mentally expressive in art and romance, clever creativity	Flirtatious but shallow, fickle in romance, emotionally detached in affection		
			VI: illness, service, work routines	Mentally efficient, multi-tasker in work, sharp communicator in service roles	Nervous under pressure, scattered focus in routines, mentally fatigued by repetition		
			VII: relationships, contracts, harmony	Communicative in partnership, enjoys intellectual connection in union, fair debater	Verbally inconsistent, indecisive in union, rationalizes emotional distance		
			VIII: death, sex, transformation	Curious about secrets, mentally investigative, sharp insights into the psyche	Mental anxiety in intimacy, obsessive thoughts, manipulative or evasive speech		
		Zodiac: <b>Domicile (Diurnal)</b> Decan: <b>Sun</b> - Tarot: 10 of Swords (Ruin)	IX: beliefs, expansion, higher mind	Seeks knowledge broadly, enjoys languages and travel, curious philosophy	Superficial beliefs, impatient with depth, confused or fragmented worldview		
			X: career, public life, structure	Career communicator, known for intellect, versatile public image	Lacks follow-through in ambition, scattered career focus, reputation for inconsistency		
			XI: hopes, groups, nerves	Socially clever, articulate with ideals, mentally engaged in group causes	Flits between social groups, lacks firm ideals, distracted by popularity		
			XII: isolation, karma, subconsciousness, hidden illness	Deep mental insight, verbalizes inner world, sharp in spiritual contemplation	Racing thoughts in solitude, mental restlessness, fragmented inner voice		
<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	<b>Cancer:</b> chest, breasts	Zodiac: Semi-compatible Decan: <b>Venus</b> - Tarot: 2 of Cups (Love)	I: body, vitality, physical self	Emotionally intelligent speaker, thoughtful expression, nurturing communicator	Over-identifies with thoughts, moody speech, emotionally reactive self-expression		Mercury in Cancer blends thought with feeling—it communicates through emotion, memory, empathy, and intuition. When well-aspected, it brings sensitive speech, intuitive understanding, and poetic intelligence. When afflicted, it may produce subjectivity, mental defensiveness, or overemotional reasoning.
			II: resources, values, sustenance	Intuitive about finances, remembers values, speaks about emotional security	Emotionally spends, overprotective of possessions, values based on sentiment		
			III: mind, nerves, speech, movement	Sentimental and poetic communicator, strong memory, speaks from the heart	Defensive in speech, overly subjective, clings to past conversations		
			IV: roots, digestion, family	Deep ancestral wisdom, communicates family stories, values emotional dialogue	Mentally stuck in the past, emotionally overinvolved with family narrative		
		Zodiac: Semi-compatible Decan: <b>Mercury</b> - Tarot: 3 of Cups (Abundance)	V: expression, pleasure, reproduction	Sensitive and affectionate in love letters, expressive with creative emotion	Overdramatic in romantic communication, emotionally manipulative in affection		
			VI: illness, service, work routines	Compassionate coworker, emotionally tuned to daily needs, intuitive problem-solver	Mentally drained by service, emotionally preoccupied in routine, worry-prone in work		
			VII: relationships, contracts, harmony	Gentle communicator in relationships, speaks with care and affection, emotionally fair	Passive-aggressive speech in partnerships, avoids direct conflict, overly sentimental		
			VIII: death, sex, transformation	Intuitive depth in psychology, speaks about emotions with power, healing communicator	Mental entanglement in emotional control, manipulative in speech, repressed thoughts		
		Zodiac: Semi-compatible	IX: beliefs, expansion, higher mind	Emotionally resonant beliefs, intuitive philosophy, spiritual and poetic thinker	Clings to emotional dogma, avoids challenging ideas, confused emotional logic		
			X: career, public life, structure	Public speaker with heart, communicates nurturing authority, career in writing or counseling	Reputation for emotional bias, overly concerned with public opinion, mental defensiveness		

		Decan: <b>Moon (Domicile)</b> - Tarot: 4 of Cups (Blended Pleasure)	XI: hopes, groups, nerves	Expressive about ideals, emotionally loyal to groups, nurturing in social causes	Subjective in social reasoning, avoids challenging group ideas, emotionally swayed by peers		
			XII: isolation, karma, subconsciousness, hidden illness	Deep emotional insight, symbolic and inner-oriented thought, spiritually poetic mind	Repressed thoughts, nostalgic escapism, victim mentality in self-talk		
<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	<b>Leo:</b> heart, spine	Zodiac: <b>Fall</b> Decan: <b>Saturn (Detriment)</b> - Tarot: 5 of Wands (Strife, battles)	I: body, vitality, physical self	Bold speaker, confident communicator, expressive thinker, radiant mental style	Boastful persona, talks over others, prideful self-expression, fixed opinions		Mercury in Leo expresses the mind with confidence, creativity, and charisma. It brings a dramatic and persuasive voice, focused on personal pride and expression. When well-aspected, it offers inspirational speech, mental leadership, and expressive clarity. When afflicted, it may become dogmatic, boastful, or self-centered in communication.
			II: resources, values, sustenance	Values knowledge and prestige, speaks about wealth confidently, dramatic in financial planning	Material pride, talks about wealth to impress, stubborn financial views		
			III: mind, nerves, speech, movement	Charismatic speaker, storyteller, persuasive, authoritative in discussion	Dogmatic tone, over-dramatizes, seeks attention through speech, mental arrogance		
		Zodiac: <b>Fall</b> Decan: <b>Jupiter</b> - Tarot: 6 of Wands (Victory)	IV: roots, digestion, family	Proud of heritage, expressive in family dialogue, speaks protectively about roots	Overbearing in family discussions, emotionally dominating speech at home		
			V: expression, pleasure, reproduction	Creative mind, romantic communicator, dramatic artistic flair, loves verbal play	Over-the-top expression in love, theatrical speech, emotionally needy in communication		
			VI: illness, service, work routines	Takes pride in intellectual service, inspiring in routines, confident problem-solver	Condescending tone at work, overly concerned with being right, pride blocks collaboration		
		Zodiac: <b>Fall</b> Decan: <b>Mars</b> - Tarot: 7 of Wands (Excess)	VII: relationships, contracts, harmony	Loyal and passionate communicator in relationships, values mutual admiration	Prideful in partnership discussions, talks down to partner, resists criticism		
			VIII: death, sex, transformation	Mentally courageous in emotional depth, persuasive in crisis, passionate in psychological insight	Controlling speech in intimacy, manipulative pride, fears vulnerability		
			IX: beliefs, expansion, higher mind	Inspired teacher, expressive in belief systems, theatrical philosopher	Arrogant worldview, refuses alternative ideas, dramatic intellectual bias		
			X: career, public life, structure	Leader through speech, admired for intellect, dignified communicator in career	Reputation for arrogance, authoritative tone blocks collaboration, pride-driven ambition		
			XI: hopes, groups, nerves	Visionary mind for ideals, passionate about causes, persuasive in social movements	Dominates group dialogue, needs admiration for ideas, resistant to shared thought		
			XII: isolation, karma, subconsciousness, hidden illness	Reflective inner voice, proud of solitude, powerful symbolic thinking	Secret pride, self-glorification, isolates due to wounded ego, inner dramatic monologue		
<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	<b>Virgo:</b> abdomen	Zodiac: <b>Domicile (Nocturnal), Exaltation</b> Decan: <b>Sun</b> - Tarot: 8 of Pentacles (Prudence)	I: body, vitality, physical self	Precise self-expression, intelligent persona, practical communicator	Self-critical tone, anxious thoughts, overanalyzes identity		Mercury is in both domicile and exaltation in Virgo—this is its strongest placement. It brings clarity, precision, logic, and analytical excellence. When well-aspected, Mercury in Virgo offers brilliant analysis, practical intelligence, and refined speech. When afflicted, it may become overcritical, anxious, or nitpicky.
			II: resources, values, sustenance	Disciplined with money, logical about values, earns through technical skills	Overly focused on financial details, critical about self-worth, material worry		
			III: mind, nerves, speech, movement	Sharp intellect, clear and efficient speech, mentally thorough	Pedantic, overly analytical in conversation, anxious thinking		
		Zodiac: <b>Domicile (Nocturnal), Exaltation</b> Decan: <b>Venus (Fall)</b> - Tarot: 9 of Pentacles (Material Gain)	IV: roots, digestion, family	Logical about family matters, communicates through duty, practical about roots	Overanalyzes emotional issues at home, critical of family, emotionally withdrawn speech		
			V: expression, pleasure, reproduction	Carefully worded romance, meticulous creativity, rational affection	Critical of romantic partners, emotionally restrained speech, inhibited artistic flow		
			VI: illness, service, work routines	Master of routines, efficient communicator in service, rational health awareness	Obsessive with details, perfectionist, anxious over minor flaws in work or wellness		
			VII: relationships, contracts, harmony	Precise and fair communicator in partnerships, clarity in agreements	Overcritical of partners, nitpicks in discussion, avoids emotional nuance		
			VIII: death, sex, transformation	Analytical in emotional depth, sharp in psychological insight, logical in crisis	Overanalyzes emotions, avoids surrender, manipulates through logic		

			<b>Zodiac: Domicile (Nocturnal), Exaltation</b> <b>Decan: Mercury (Domicile &amp; Exaltation)</b> - Tarot: 10 of Pentacles (Wealth)	<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure <b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Rational thinker in philosophy, structured belief system, technical spirituality Professional communicator, precise strategist, known for intellect Intellectually loyal to ideals, precise in planning social causes Deep analytical insight, internalized logic, silent perfectionism	Dogmatic rationalism, dismisses intuitive wisdom, overly skeptical worldview Critical public image, overly detail-oriented in ambition, fear of error Overcritical in group dynamics, intellectual elitism, mental rigidity about ideals Mental self-criticism, rumination, hidden anxiety, fear of mental imperfection		
<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	<b>Libra:</b> kidneys, loins	<b>Zodiac: Compatible</b> <b>Decan: Moon</b> - Tarot: 2 of Swords (Peace Restored)	<b>I:</b> body, vitality, physical self   <b>II:</b> resources, values, sustenance  <b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Diplomatic communicator, pleasant tone, refined intellect, tactful expression	Indecisive speech, overly concerned with others’ opinions, conflict-avoidant persona			Mercury in Libra expresses thought through grace, diplomacy, balance, and aesthetic harmony. It seeks intellectual fairness and beauty in speech. When well-aspected, it brings eloquence, mediation, and refined logic. When afflicted, it can cause indecisiveness, people-pleasing, or passive-aggressive communication.
				Fair-minded with money, rational about possessions, values beauty and mental clarity	Hesitates in financial decisions, influenced by others’ values, idealizes wealth			
				Eloquent speaker, graceful thinker, skilled at negotiation and discussion	Overly balanced to a fault, avoids firm positions, passive in intellectual debate			
				Harmonious family dialogue, communicates to keep peace, tactful with tradition	Suppresses difficult family truths, overly agreeable at home, avoids emotional realism			
		<b>Zodiac: Compatible</b> <b>Decan: Saturn (Exaltation)</b> - Tarot: 3 of Swords (Sorrow/Pain)	<b>V:</b> expression, pleasure, reproduction  <b>VI:</b> illness, service, work routines	Romantic expression, poetic mind, charming creative voice, graceful in flirtation	Flattery without depth, intellectual idealization of love, indecisiveness in romance			
				Pleasant in workplace communication, diplomatic with coworkers, graceful routines	Avoids direct feedback, overthinks small tasks, people-pleasing in service			
				Excellent communicator in relationships, fair negotiator, values equality in union	Over-accommodating, cannot assert opinion, avoids necessary conflict in love			
				Emotionally balanced logic, graceful in psychological matters, mediator in crisis	Fear of emotional depth, avoids transformative truth, intellectualizes intimacy			
		<b>Zodiac: Compatible</b> <b>Decan: Jupiter</b> - Tarot: 4 of Swords (Rest from Strife)	<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure <b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Philosophically fair, seeks harmony in belief, refined moral discourse	Reluctant to take a stand, intellectually superficial, avoids moral challenge			
				Career in law, beauty, or communication, fair public voice, admired diplomacy	Public indecision, career stagnation due to over-accommodation, superficial reputation			
				Idealistic in speech, eloquent group voice, socially graceful, promotes justice	Avoids controversial causes, people-pleasing in social activism, indecisive in ideals			
				Meditative mind, inner balance, subconscious refinement, symbolic thinker	Repressed thoughts, self-silencing for peace, internalized indecision, guilt over intellect			
<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect,	<b>Scorpio:</b> genitals	<b>Zodiac: Semi-compatible</b> <b>Decan: Mars (Domicile)</b> - Tarot: 5 of Cups (Loss of Pleasure)	<b>I:</b> body, vitality, physical self  <b>II:</b> resources, values, sustenance <b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Intense intellect, magnetic communicator, instinctive mind, penetrating speech	Secretive persona, manipulative tone, intimidating speaker, obsessive thoughts			Mercury in Scorpio expresses thought with intensity, secrecy, focus, and emotional depth. It excels at research, investigation, and psychological insight. When well-aspected, it gives mental resilience, strategic thinking, and transformative speech. When afflicted, it may become suspicious, manipulative, or obsessive.
				Strategic with money, mentally persistent, values hidden power and depth	Possessive of resources, secretive with income, financial control through intellect			
				Penetrating thinker, deep communicator, insightful learner, sharp speech	Mentally suspicious, sarcastic or biting in dialogue, brooding thought patterns			
		<b>Zodiac: Semi-compatible</b>	<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines	Speaks powerfully about family and ancestry, strong emotional logic at home	Hidden resentments in domestic life, manipulative family speech, brooding in silence			
				Passionate artistic mind, deeply romantic communication, emotional creativity	Overly intense in romance, jealous expression, manipulates for affection			
				Analytical in service, sharp intellect in routine, strong mental endurance	Critical to excess, manipulates at work, anxious over control of health or tasks			

communication, trickster		Decan: <b>Sun</b> - Tarot: 6 of Cups (Pleasure)	<b>VII:</b> relationships, contracts, harmony	Emotionally intelligent partner, communicates with depth and loyalty	Secretive in union, verbal power struggles, manipulates through words in relationships	
			<b>VIII:</b> death, sex, transformation	Master of psychological insight, transformational speech, fearless communicator	Mentally controlling, obsesses over secrets, uses words for power or emotional leverage	
		Zodiac: Semi-compatible Decan: <b>Venus (Detriment)</b> - Tarot: 7 of Cups (Illusory Success)	<b>IX:</b> beliefs, expansion, higher mind	Mystical thinker, profound beliefs, occult wisdom, speaks of deeper truths	Dogmatic, emotionally attached to ideology, manipulates philosophy to control others	
			<b>X:</b> career, public life, structure	Strategic career thinker, respected intellect, deep public voice, influential speaker	Public secrecy, controlling image, known for intensity or mental manipulation	
<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	<b>Sagittarius:</b> thighs	Zodiac: <b>Detriment</b> Decan: <b>Mercury (Detriment)</b> - Tarot: 8 of Wands (Swiftiness)	<b>XI:</b> hopes, groups, nerves	Insightful about ideals, deeply loyal to causes, emotionally driven social speech	Emotionally fixed in social thought, manipulative within groups, hidden group agendas	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Penetrating subconscious insight, mentally powerful in solitude, secret knowledge	Hidden obsessions, repressed thoughts, psychic guilt, internalized manipulation	
			<b>I:</b> body, vitality, physical self	Bold thinker, visionary communicator, honest and outspoken presence	Dogmatic tone, tactless speech, impatient intellect, overstates facts	Mercury is in detriment in Sagittarius—its quick, detailed logic is challenged by the sign's expansive and broad vision. However, when well-aspected, it produces visionary thinking, eloquent teaching, and philosophical expression. When afflicted, it may become careless, dogmatic, or superficial.
			<b>II:</b> resources, values, sustenance	Values truth and freedom, communicates about wealth with optimism, teaches about resources	Financially careless, over-promises, idealizes wealth, distracted by big ideas	
		Zodiac: <b>Detriment</b> Decan: <b>Moon</b> - Tarot: 9 of Wands (Great Strength / Vigor)	<b>III:</b> mind, nerves, speech, movement	Curious learner, philosophical speaker, quick thinker, gifted with languages	Scattered thoughts, exaggeration, avoids detail, forgetful in conversation	
			<b>IV:</b> roots, digestion, family	Wise family voice, speaks from experience, values legacy and moral roots	Self-righteous in family, imposes beliefs at home, preaches over dialogue	
			<b>V:</b> expression, pleasure, reproduction	Enthusiastic in romantic speech, creative and philosophical mind, teaches through art	Flamboyant or boastful in love, emotionally evasive, inconsistent expression	
			<b>VI:</b> illness, service, work routines	Expansive in work ideas, moral thinker in service, enthusiastic about routines	Disorganized in tasks, ignores practical detail, moralizes coworkers	
		Zodiac: <b>Detriment</b> Decan: <b>Saturn</b> - Tarot: 10 of Wands (Opression)	<b>VII:</b> relationships, contracts, harmony	Honest partner, values intellectual growth in union, direct in communication	Opinionated in love, avoids nuanced discussion, imposes beliefs on partner	
			<b>VIII:</b> death, sex, transformation	Truth-seeker in crisis, speaks with emotional courage, transforms through belief	Avoids emotional depth, oversimplifies psychological issues, careless with secrets	
			<b>IX:</b> beliefs, expansion, higher mind	Inspirational teacher, philosophical thinker, spiritual communicator	Fanatical speech, idealistic dogma, dismissive of doubt or opposing views	
			<b>X:</b> career, public life, structure	Public speaker or educator, communicates ideals through vocation, visionary planner	Career inflated by ego, known for overconfidence, scattered ambition	
<b>Mercury:</b> HVD (8) - nervous system, lungs		Zodiac: Incompatible Decan: <b>Jupiter (Fall)</b> - Tarot: 2 of Pentacles (Harmonious Change)	<b>XI:</b> hopes, groups, nerves	Idealistic about groups, communicates freely in causes, promotes big-picture ideals	Restless in groups, dogmatic about causes, speaks without grounding	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Deep inner faith, intuitive moral insight, philosophical solitude	Escapes into beliefs, ignores shadow thoughts, spiritual superiority complex	
			<b>I:</b> body, vitality, physical self	Serious thinker, disciplined speaker, practical communicator, thoughtful presence	Cold or rigid speech, self-critical inner voice, suppresses spontaneous expression	Mercury in Capricorn expresses thought with discipline, precision, and long-range strategy. It is structured, realistic, and focused on results. When well-aspected, it offers serious intellect, methodical speech, and wise counsel. When afflicted, it may become rigid, pessimistic, or overly controlling.
			<b>II:</b> resources, values, sustenance	Strategic with money, logical about value, structured thinking about possessions	Fear-based mindset, material obsession, conservative or inflexible financial ideas	
			<b>III:</b> mind, nerves, speech, movement	Methodical thinker, excellent planner, reliable communicator, focused mind	Narrow views, critical tone, rigid learning habits, discourages creativity in thought	
			<b>IV:</b> roots, digestion, family	Communicates with maturity at home, honors ancestral wisdom, preserves traditions	Emotionally distant in family dialogue, controlling in domestic thought, tradition-bound	

nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	Capricorn: knees		V: expression, pleasure, reproduction	Serious creativity, disciplined artistic mind, structured romantic communication	Emotionally restrained in expression, overly rational in romance, suppresses joy	
		Zodiac: Incompatible	VI: illness, service, work routines	Master of routines, precise work ethic, communicates efficiently in service	Overworks mentally, harsh with coworkers, perfectionistic, resists change	
		Decan: <b>Mars (Exaltation)</b> - Tarot: 3 of Pentacles (Material Works / Construction)	VII: relationships, contracts, harmony	Communicates responsibly in partnerships, values contracts and structure	Talks down to partner, avoids vulnerability in dialogue, rigid in disagreements	
			VIII: death, sex, transformation	Strategically handles crisis, emotionally reserved in speech, mentally resilient	Fears loss of control, suppresses emotional thought, manipulates through logic	
			IX: beliefs, expansion, higher mind	Realistic philosopher, traditional beliefs, rational spiritual thought	Intolerant of abstract thinking, dogmatic worldview, denies emotional depth in belief	
		Zodiac: Incompatible	X: career, public life, structure	Authoritative speaker, career strategist, respected intellect, communicates legacy	Public coldness, reputation for harsh speech, status-focused communication	
		Decan: <b>Sun</b> - Tarot: 4 of Pentacles (Earthly Power)	XI: hopes, groups, nerves	Responsible social thinker, planner for group causes, loyal in speech to ideals	Social rigidity, intellectually inflexible in causes, cold in friendships	
			XII: isolation, karma, subconsciousness, hidden illness	Thoughtful inner planner, reflective mind, mental solitude with discipline	Repressed thought patterns, guilt-ridden thinking, burdened by inner judgment	
Mercury: HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	Aquarius: shins		I: body, vitality, physical self	Independent thinker, forward-looking speech, progressive mind, original expression	Emotionally detached tone, unpredictable communication style, contrarian mindset	Mercury in Aquarius expresses thought through innovation, detachment, objectivity, and idealism. It is logical yet unconventional, with a gift for visionary communication. When well-aspected, this placement brings original thinking, humanitarian insight, and intellectual clarity. When afflicted, it can become aloof, contrarian, or emotionally disconnected.
			II: resources, values, sustenance	Innovative with finances, values intellectual freedom, rational about possessions	Unconventional or unstable financial planning, devalues tradition, distracted by ideas	
		Zodiac: <b>Exaltation</b>	III: mind, nerves, speech, movement	Brilliant and original speaker, visionary learner, quick and inventive mind	Erratic thinking, rebellious speech, inconsistent or shocking statements	
		Decan: <b>Venus</b> - Tarot: 5 of Swords (Defeat)	IV: roots, digestion, family	Forward-thinking family communicator, detached yet loyal, mentally objective at home	Cold domestic dialogue, avoids emotional connection with roots, inflexible family ideals	
			V: expression, pleasure, reproduction	Creative intellectual, eccentric in romance and art, playful and original speech	Detached in love expression, erratic communication in romance, lack of emotional warmth	
			VI: illness, service, work routines	Innovator in the workplace, logical about health, reformer of routines	Emotionally indifferent to coworkers, unpredictable with routines, over-rationalizes stress	
		Zodiac: <b>Exaltation</b>	VII: relationships, contracts, harmony	Intellectual in partnership, values mental connection, communicates fairly	Aloof in discussions with partner, avoids emotional depth, debates instead of feels	
		Decan: <b>Mercury (Exaltation)</b> - Tarot: 6 of Swords (Earned Success)	VIII: death, sex, transformation	Detached logic in crisis, sharp mind for psychology or occult, fearless communicator	Avoids emotional intimacy, intellectualizes fear, dissociates from emotional truth	
			IX: beliefs, expansion, higher mind	Visionary thinker, futurist philosopher, teacher of radical truth	Dogmatic idealism, disconnected belief systems, overattaches to mental abstractions	
			X: career, public life, structure	Reformer in speech, known for brilliance, communicates revolutionary career ideas	Reputation for aloofness, unpredictable career logic, emotionally removed leadership	
		Zodiac: <b>Exaltation</b>	XI: hopes, groups, nerves	Champion of new ideas, brilliant contributor to causes, socially idealistic	Rebellious in groups, detached in friendships, resists compromise for innovation	
		Decan: <b>Moon</b> - Tarot: 7 of Swords (Unstable Effort)	XII: isolation, karma, subconsciousness, hidden illness	Mentally attuned to the collective unconscious, original inner logic, visionary solitude	Internalized alienation, fragmented thought patterns, mental detachment from self or Spirit	
			I: body, vitality, physical self	Dreamy communicator, imaginative thinker, soft-spoken, poetic presence	Vague speech, mentally scattered self-expression, easily confused identity	Mercury in Pisces brings poetic speech, imaginative brilliance, and spiritual insight. When afflicted, it may become vague, overly impressionable, or mentally disoriented.
		Zodiac: <b>Fall, Detriment</b>	II: resources, values, sustenance	Intuitive about money, values beauty and compassion, artistic income ideas	Financial escapism, emotional spending, values based on fantasy rather than need	

<b>Mercury:</b> HVD (8) - nervous system, lungs, speech, arms, shoulders, fingers, intellect, communication, trickster	<b>Pisces:</b> feet	Decan: <b>Saturn</b> - Tarot: 8 of Cups (Abandoned Success)	<b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Poetic speaker, intuitive mind, symbolic thinker, gifted storyteller Emotionally intuitive in family matters, nurtures with words, remembers symbolically	Disorganized thoughts, forgetful in speech, difficulty with linear reasoning Emotionally clouded memories, avoids confrontation at home, confusion about roots	
		Zodiac: <b>Fall, Detriment</b> Decan: <b>Jupiter (Domicile)</b> - Tarot: 9 of Cups (Material Happiness)	<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines	Romantic in speech, artistic mind, creative and spiritually inspired expression Compassionate coworker, gentle in service, spiritually guided routines	Fantasy in love communication, easily misled in romance, inconsistent expression Mentally overwhelmed by tasks, avoids structure, disorganized communication at work	
		Zodiac: <b>Fall, Detriment</b> Decan: <b>Mars</b> - Tarot: 10 of Cups (Perfected Success)	<b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Sensitive communicator in relationships, speaks with empathy, soulful dialogue Mystical thinker, intuitive in crisis, emotionally transformative speech	Avoids hard truths in partnership, passive-aggressive tone, idealizes partner's words Fear of truth, evasion in intimacy, mental merging with emotional wounds	
			<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure	Spiritual philosopher, visionary teacher, inspired speech about belief and morality Compassionate public voice, mystical vocation, creative career communicator	Escapist ideology, delusional thinking, emotionally biased belief system Vague career direction, misunderstood in public speech, emotionally driven decisions	
			<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Empathic group voice, idealistic about social change, dreams of unity Mystic mind, deeply symbolic thought, visionary solitude, hidden poetic insight	Lost in collective fantasies, avoids group conflict, mentally merges with ideals Confused inner dialogue, mental escapism, victim mentality in thought, hidden distortions	
			<b>I:</b> body, vitality, physical self	Bold charm, magnetic personality, confident style, attractive presence	Attention-seeking, self-indulgent, impulsive with self-image, flirtatious for validation	Venus in Aries expresses love, beauty, and attraction with boldness, directness, and passion. Since Venus is in detriment in Aries (opposite its rulership in Libra), it functions with fiery independence. When well-aspected, it brings magnetic charm, romantic courage, and artistic energy. When afflicted, it can be impulsive, selfish in love, or attention-seeking.
	<b>Aries:</b> Head	Zodiac: <b>Detriment</b> Decan: <b>Mars (Domicile)</b> - Tarot: 2 of Wands (Dominion)	<b>II:</b> resources, values, sustenance <b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Quick to attract money, values independence, passionate about possessions Flirtatious communicator, romantic writer, charming speech, persuasive voice Passionate about family, beautifies the home boldly, defends loved ones fiercely	Impulsive spending, values attention, wasteful with resources, greed for admiration Argumentative in love talk, brash communication in romance, impatient with dialogue Self-centered in family matters, clashes at home, controlling or reactive with roots

		Zodiac: <b>Detriment</b> Decan: <b>Venus (Detriment)</b> - Tarot: 4 of Wands (Completion)	<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure	Loves boldly across cultures, romantic explorer, passionate about ideals and beauty Publicly attractive, ambitious in beauty and love, admired for bold style	Idealizes passion over depth, imposes values, impulsive with beliefs in love Seeks status through charm, competitive in career image, prideful in affection	
			<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Charismatic in groups, attracts adventurous friends, passionate for ideals Secretly passionate, spiritually romantic, burns with hidden desire	Self-serving in causes, flirtatious in group dynamics, dramatic in social life Repressed romantic frustration, hidden love affairs, self-undoing through impulse in love	

<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Taurus:</b> Neck/Throat	Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Mercury</b> - Tarot: 5 of Pentacles (Worry)	I: body, vitality, physical self	Natural beauty, grounded charm, graceful presence, calm and attractive demeanor	Vain, stubborn in personal image, slow to change, overly attached to appearance		Venus is in domicile (rulership) in Taurus, one of its strongest placements. It expresses love, attraction, and beauty through sensuality, loyalty, stability, and appreciation of the physical world. When well-aspected, Venus in Taurus brings lasting affection, artistic richness, and magnetic charm. When afflicted, it may become possessive, indulgent, or stubborn in relationships.
			II: resources, values, sustenance	Financial magnetism, values luxury and comfort, loyal to possessions and values	Materialistic, possessive, indulgent in spending, self-worth tied to wealth		
			III: mind, nerves, speech, movement	Pleasant speech, soothing voice, graceful writing, affectionate communicator	Slow to adapt mentally, possessive in conversation, inflexible opinions		
			IV: roots, digestion, family	Harmonious home life, beautifies space, loyal to family, sensual domestic energy	Resistant to emotional change, clings to comfort at home, possessive in family ties		
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Moon (Exaltation)</b> - Tarot: 6 of Pentacles (Material Success)	V: expression, pleasure, reproduction	Passionate and sensual lover, fertile creativity, deep appreciation of art and pleasure	Jealous in love, indulgent in sensual pleasures, romantically possessive		
			VI: illness, service, work routines	Pleasure in service, harmonious routines, aesthetic attention to health and work	Lazy in habits, indulgent in routine, expects appreciation without effort		
			VII: relationships, contracts, harmony	Loyal and sensual partner, stable and affectionate union, seeks beauty in relationship	Clings to comfort in love, possessive partner, resistant to growth in relationships		
			VIII: death, sex, transformation	Sensual depth in intimacy, magnetic sexual energy, stable through emotional transformation	Emotionally possessive, fear of emotional loss, indulgent in taboo desires		
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Saturn</b> - Tarot: 7 of Pentacles (Success Unfulfilled)	IX: beliefs, expansion, higher mind	Romantic about nature and beauty, loves travel and cultural richness, aesthetic beliefs	Overindulgent in belief systems, romanticizes ideals, avoids challenge to comfort		
			X: career, public life, structure	Attractive public image, graceful in authority, earns admiration through steadiness	Career stagnation due to comfort, prideful image, overly focused on appearance or status		
			XI: hopes, groups, nerves	Loyal to social ideals, brings harmony to groups, graceful with friends	Possessive in friendships, resistant to group change, expects admiration in social settings		
			XII: isolation, karma, subconsciousness, hidden illness	Hidden romantic devotion, spiritually sensual, secret artistic longing	Secret attachments, suppressed desire, hidden indulgences, emotional self-sabotage through inertia		
<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Gemini:</b> arms, lungs	Zodiac: Pure Air Decan: <b>Jupiter (Detriment)</b> - Tarot: 8 of Swords (Shortened Force) <i>Influences</i>	I: body, vitality, physical self	Playful charm, expressive beauty, witty persona, attractive and curious presence	Inconsistent self-presentation, superficial charm, overly flirtatious identity		Venus in Gemini expresses affection and attraction through wit, intellect, variety, and playfulness. It is curious in love, values communication and mental stimulation. When well-aspected, it brings charm, flirtation, and clever artistry. When afflicted, it can become inconsistent, superficial, or emotionally restless.
			II: resources, values, sustenance	Loves variety in possessions, creative with money, values cleverness and adaptability	Scattered finances, impulse spending on pleasures, restless sense of value		
			III: mind, nerves, speech, movement	Romantic speaker, graceful writer, witty communicator, artistic in language	Flirtatious in conversation, talks without feeling, emotionally scattered speech		
			IV: roots, digestion, family	Communicative home life, witty family bonds, playfully affectionate at home	Emotionally detached in domestic settings, restless home dynamics, family gossip		
		Zodiac: Pure Air Decan: <b>Marte</b> - Tarot: 9 of Swords (Despair and Cruelty)	V: expression, pleasure, reproduction	Flirty and clever in love, witty creative expression, playful with children or art	Emotionally inconsistent in romance, boredom in long-term love, romantic duality		
			VI: illness, service, work routines	Brings levity to routines, sociable at work, graceful multitasker, charming in service	Distracted by social pleasures, emotionally superficial at work, avoids detail		
			VII: relationships, contracts, harmony	Romantic through words, values intelligent partners, mentally affectionate in union	Flirts outside the relationship, avoids emotional intimacy, indecisive in partnership		
			VIII: death, sex, transformation	Curious about intimacy, expressive in emotional depth, witty seduction	Avoids emotional intensity, shallow in intimacy, manipulates through charm		
		Zodiac: Pure Air	IX: beliefs, expansion, higher mind	Playful with beliefs, romantic about ideas and travel, witty philosopher	Inconsistent or dualistic beliefs in love, flippant about moral commitment		
			X: career, public life, structure	Publicly charming, known for intellectual appeal, success in beauty or communication	Reputation for shallowness, dual career interests, career affected by flirtation		

<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Cancer:</b> chest, breasts	Decan: <b>Sun</b> - Tarot: 10 of Swords (Ruin)	<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Sociable and witty friend, values mental freedom in groups, graceful in idealism Secret poetic expression, hidden charm, mysterious communicator, emotionally curious in solitude	Emotionally distracted in causes, fickle in group loyalty, avoids social commitment Escapism through fantasy, secret affairs, emotionally scattered thoughts turned inward	
		Zodiac: Semi-compatible Decan: <b>Venus</b> - Tarot: 2 of Cups (Love)	<b>I:</b> body, vitality, physical self	Soft charm, nurturing presence, emotionally radiant, gentle beauty	Overly sensitive self-image, seeks affection through self-pity, emotionally reactive persona	Venus in Cancer expresses love through nurturing, protection, and emotional bonding. It is sensitive, devoted, and loyal in affection. When well-aspected, this placement brings tenderness, warmth, and heartfelt artistry. When afflicted, it may become clingy, passive-aggressive, or emotionally manipulative.
			<b>II:</b> resources, values, sustenance	Values emotional security, attracts comfort and abundance, generous with resources	Clings to possessions, spends for emotional reassurance, insecurity tied to wealth	
			<b>III:</b> mind, nerves, speech, movement	Affectionate in speech, poetic writer, emotionally expressive communicator	Talks in circles, overly sentimental words, manipulates with gentle tone	
			<b>IV:</b> roots, digestion, family	Creates a loving home, emotionally attached to family, beautifies sacred space	Overprotective in family, clings to past, passive-aggressive in domestic matters	
		Zodiac: Semi-compatible Decan: <b>Mercury</b> - Tarot: 3 of Cups (Abundance)	<b>V:</b> expression, pleasure, reproduction	Romantic nurturer, emotionally rich creativity, deeply loving in pleasure and art	Jealous in love, emotionally over-attached in romance, fears loss of affection	
			<b>VI:</b> illness, service, work routines	Devoted to caregiving, emotionally attentive to routines, finds beauty in service	Self-sacrificing to excess, emotionally drained in work, avoids conflict at cost of health	
			<b>VII:</b> relationships, contracts, harmony	Emotionally bonded partner, affectionate in union, protective in love	Codependent, emotionally manipulative, avoids confrontation in partnership	
			<b>VIII:</b> death, sex, transformation	Deeply sensual and loyal, transformative in intimacy, emotional healing through love	Clings to emotional pain, fear of abandonment in intimacy, possessive passion	
		Zodiac: Semi-compatible Decan: <b>Moon (Domicile)</b> - Tarot: 4 of Cups (Blended Pleasure)	<b>IX:</b> beliefs, expansion, higher mind	Romantic idealist, emotionally attached to beliefs, spiritual in affection	Sentimental worldview, emotionally bound to traditions, idealizes love to an unrealistic degree	
			<b>X:</b> career, public life, structure	Publicly nurturing, admired for compassion, career in care, art, or family guidance	Emotionally dependent on public opinion, reputation tied to emotional labor	
			<b>XI:</b> hopes, groups, nerves	Loyal friend, emotionally devoted to groups, seeks harmony in shared ideals	Emotionally withdrawn from group tension, overly sentimental in causes, fears social rejection	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Hidden romantic longing, spiritual love, compassionate in solitude	Repressed love, secret yearning, emotionally burdensome dreams, martyrdom in silence	
<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Leo:</b> heart, spine	Zodiac: Compatible Decan: <b>Saturn (Detriment)</b> - Tarot: 5 of Wands (Strife, battles)	<b>I:</b> body, vitality, physical self	Radiant charm, regal presence, passionate beauty, magnetic and confident	Vain persona, dramatic self-expression, seeks admiration, emotionally dominant	Venus in Leo expresses love and attraction through boldness, devotion, creativity, and dramatic flair. It is proud and passionate in affection. When well-aspected, this placement brings radiant charm, generous love, and artistic grandeur. When afflicted, it may become vain, possessive, or attention-seeking in matters of the heart.
			<b>II:</b> resources, values, sustenance	Attracts luxury, generous with money, values loyalty and refinement	Lavish spending, self-worth tied to admiration or possessions, prideful indulgence	
			<b>III:</b> mind, nerves, speech, movement	Creative speaker, eloquent and charming communicator, expressive in writing	Dominates conversations, boastful in speech, uses charm to manipulate dialogue	
			<b>IV:</b> roots, digestion, family	Proud of ancestry, warm and loving family ties, beautifies home with flair	Controlling in family, emotionally dramatic at home, craves attention from loved ones	
		Zodiac: Compatible Decan: <b>Jupiter</b> - Tarot: 6 of Wands (Victory)	<b>V:</b> expression, pleasure, reproduction	Passionate lover, radiant artistic creativity, playful and romantic	Demands to be adored, theatrical in love, emotionally reactive in pleasure or romance	
			<b>VI:</b> illness, service, work routines	Brings pride to service, artistically inclined at work, devoted in caretaking	Needs recognition for help, resentful if unappreciated, dramatic about minor routines	
			<b>VII:</b> relationships, contracts, harmony	Loyal and passionate partner, proud to love, dramatic in devotion	Possessive in union, prideful in disagreement, seeks admiration more than harmony	
			<b>VIII:</b> death, sex, transformation	Intense romantic loyalty, sensual and regal in intimacy, transformational passion	Emotional control through affection, pride in seduction, dramatic in crisis	

		Zodiac: Compatible Decan: <b>Mars</b> - Tarot: 7 of Wands (Excess)	<b>IX:</b> beliefs, expansion, higher mind	Loves truth and drama in belief, passionate teacher or seeker, expressive ideals	Self-righteous in love, dramatizes beliefs, emotional attachment to moral image				
			<b>X:</b> career, public life, structure	Charismatic public image, admired for grace and power, artistic vocation	Needs public admiration, pride-driven ambition, reputation tied to romantic drama				
			<b>XI:</b> hopes, groups, nerves	Inspires love in groups, devoted to ideals, attracts warm friendships	Seeks attention from social circles, dominating in causes, emotionally rigid ideals				
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Private romantic fire, spiritually generous, creative in solitude	Hidden need for attention, secret pride, romantic repression, dramatic internal longing				
<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Virgo:</b> abdomen	Zodiac: <b>Fall</b> Decan: <b>Sun</b> - Tarot: 8 of Pentacles (Prudence)	<b>I:</b> body, vitality, physical self	Graceful presence, refined beauty, intelligent charm, elegant demeanor	Overly self-critical, emotionally restrained, downplays attractiveness, modest to a fault		Venus is in fall in Virgo—its desire for pleasure and indulgence is filtered through modesty, practicality, and refinement. When well-aspected, Venus in Virgo brings devoted love, artistic skill, and graceful service. When afflicted, it may become overly critical, emotionally reserved, or perfectionistic in love.		
			<b>II:</b> resources, values, sustenance	Careful with money, values simplicity and quality, earns through detail and artistry	Overly frugal, ties self-worth to productivity, critical of material comfort				
			<b>III:</b> mind, nerves, speech, movement	Polite speech, articulate and thoughtful in love, skilled writer or communicator	Overanalyzes words, avoids emotional topics, self-conscious in expression				
			<b>IV:</b> roots, digestion, family	Cares deeply for family, creates a serene home, devoted in private life	Emotionally withdrawn at home, critical of family, over-controlled emotional expression				
		Zodiac: <b>Fall</b> Decan: <b>Venus (Fall)</b> - Tarot: 9 of Pentacles (Material Gain)	<b>V:</b> expression, pleasure, reproduction	Gentle in romance, artistically talented, loves through small, meaningful acts	Emotionally reserved in love, overly cautious in affection, romantic perfectionism				
			<b>VI:</b> illness, service, work routines	Finds beauty in routine, loves through service, graceful in health and daily tasks	Emotionally overwhelmed by duty, neglects pleasure, seeks validation through perfection				
			<b>VII:</b> relationships, contracts, harmony	Loyal and attentive partner, values harmony through service and communication	Critical of partners, over-fixes relationships, struggles to express affection openly				
			<b>VIII:</b> death, sex, transformation	Precise and loyal in intimacy, healing love, analytical about emotional depth	Emotionally repressed in intimacy, fears vulnerability, over-controls in relationships				
		Zodiac: <b>Fall</b> Decan: <b>Mercury (Domicile &amp; Exaltation)</b> - Tarot: 10 of Pentacles (Wealth)	<b>IX:</b> beliefs, expansion, higher mind	Practical lover of philosophy and learning, seeks beauty in truth and logic	Over-intellectualizes beliefs, emotionally dry spirituality, critical of romantic ideals				
			<b>X:</b> career, public life, structure	Professional grace, admired for refined charm, service-oriented career	Emotionally tied to image, overworks for love or approval, critical public demeanor				
			<b>XI:</b> hopes, groups, nerves	Loyal to ideals, supports through action, dependable in social bonds	Overcritical of group dynamics, emotionally distant in friendships, fears social exposure				
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Quiet devotional love, finds beauty in solitude, spiritual refinement	Self-sacrificing in silence, hidden emotional repression, denies own pleasure or desire				
		<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Libra:</b> kidneys, loins	Zodiac: <b>Domicile (Diurnal)</b> Decan: <b>Moon</b> - Tarot: 2 of Swords (Peace Restored)	<b>I:</b> body, vitality, physical self	Harmonious presence, graceful and attractive, poised and charming	Dependent on approval, vain, suppresses authenticity to please others		Venus is in domicile (rulership) in Libra, making this one of its most graceful placements. Venus in Libra expresses affection through beauty, harmony, fairness, and partnership. When well-aspected, it brings refined love, diplomatic charm, and aesthetic brilliance. When afflicted, it can become vain, overly accommodating, or dependent on others for validation.
					<b>II:</b> resources, values, sustenance	Attracts wealth through grace, values beauty and balance, fair with money	Overspends on luxury or image, values appearances over substance, indecisive with finances		
					<b>III:</b> mind, nerves, speech, movement	Charming speaker, poetic writer, diplomatic communicator, gracious in dialogue	Superficial in conversation, avoids intellectual tension, flatters without sincerity		
					<b>IV:</b> roots, digestion, family	Creates a serene home, values peace in family, beautifies the domestic space	Avoids family conflict, sacrifices authenticity for harmony, emotionally detached at home		
Zodiac: <b>Domicile (Diurnal)</b>	<b>V:</b> expression, pleasure, reproduction			Romantic idealist, artistic elegance, graceful lover and playful flirt	Overly idealizes love, depends on romance for identity, dramatic about fairness in affection				
	<b>VI:</b> illness, service, work routines			Brings harmony to workplace, pleasant routines, graceful and cooperative service	Avoids necessary confrontation, too focused on appearances at work, passive in problem-solving				

<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Scorpio:</b> genitals	Decan: <b>Saturn (Exaltation)</b> - Tarot: 3 of Swords (Sorrow/Pain)	VII: relationships, contracts, harmony	Seeks perfect partnership, loving, balanced, and fair in union, diplomatic in love	Over-accommodating, codependent, avoids asserting needs, obsessed with image of the relationship	
			VIII: death, sex, transformation	Harmonious in emotional depth, seeks fair intimacy, sensual and poised in transformation	Avoids emotional intensity, fears messy vulnerability, overly polished in deep connection	
		Zodiac: <b>Domicile (Diurnal)</b> Decan: <b>Jupiter</b> - Tarot: 4 of Swords (Rest from Strife)	IX: beliefs, expansion, higher mind	Believes in love and justice, philosophical about beauty and truth, graceful moral vision	Idealistic to a fault, avoids challenging beliefs, emotionally shallow ideals	
			X: career, public life, structure	Known for grace and charm, admired public image, success through beauty or diplomacy	Obsessed with status and appearance, fear of public disharmony, vanity in ambition	
			XI: hopes, groups, nerves	Friendly and idealistic, nurtures social balance, loyal in friendships	Overly reliant on group harmony, avoids taking sides, values popularity over principles	
			XII: isolation, karma, subconsciousness, hidden illness	Secret romantic idealism, love of beauty in solitude, hidden devotion	Sacrifices too much for unattainable love, hidden emotional longing, avoids confronting sorrow	
		Zodiac: <b>Detriment</b> Decan: <b>Mars (Domicile)</b> - Tarot: 5 of Cups (Loss of Pleasure)	I: body, vitality, physical self	Intense allure, magnetic beauty, passionate self-expression, mysterious charm	Possessive persona, seductive for control, emotionally reactive identity	Venus is in detriment in Scorpio, where its gentle, harmonizing nature is challenged by Scorpio's intensity, secrecy, and desire for depth and control. When well-aspected, Venus in Scorpio brings fierce loyalty, magnetic passion, and transformative love. When afflicted, it may become possessive, jealous, emotionally manipulative, or obsessed.
			II: resources, values, sustenance	Deeply values loyalty, emotionally attached to possessions, attracts resources through intensity	Overly possessive of material goods, uses money to control, emotional spending	
			III: mind, nerves, speech, movement	Passionate and persuasive communicator, emotionally rich writer, voice of psychological insight	Manipulative in speech, suspicious of others' words, intense and brooding tone	
			IV: roots, digestion, family	Protects family fiercely, emotionally powerful in the home, intimate domestic bonds	Power struggles at home, emotional enmeshment, secrecy in family dynamics	
		Zodiac: <b>Detriment</b> Decan: <b>Sun</b> - Tarot: 6 of Cups (Pleasure)	V: expression, pleasure, reproduction	Seductive romantic style, passionate creativity, loyal and emotionally intense in love	Jealous and obsessive lover, uses drama for attention, destructive in romantic expression	
			VI: illness, service, work routines	Devoted in service, emotionally transformative in daily work, sensual discipline	Over-controlling in work roles, emotionally manipulative in routine interactions	
			VII: relationships, contracts, harmony	Deeply loyal and magnetic partner, craves emotional union, loves through transformation	Controlling in relationships, jealous, fears abandonment, possessive love patterns	
			VIII: death, sex, transformation	Intensely sensual, emotionally regenerating through love, powerfully attractive	Love as control, manipulates intimacy, addicted to emotional extremes in relationships	
		Zodiac: <b>Detriment</b> Decan: <b>Venus (Detriment)</b> - Tarot: 7 of Cups (Illusory Success)	IX: beliefs, expansion, higher mind	Believes in emotional truth, passionate about deep wisdom and occult beauty	Fanatical about love beliefs, emotional dogmatism, clings to psychological ideology	
			X: career, public life, structure	Intense public presence, admired for depth and magnetism, career in healing, art, or power	Public drama in love life, manipulates image for control, emotional ambition	
			XI: hopes, groups, nerves	Fiercely loyal friend, emotionally driven in social causes, loves with intensity in groups	Jealous of friends, manipulative in group dynamics, hidden agendas in idealism	
			XII: isolation, karma, subconsciousness, hidden illness	Secret romantic passion, mystical love, transformational emotional solitude	Hidden obsessions, emotionally self-destructive, repressed desire, private manipulation	
			I: body, vitality, physical self	Playful and radiant, cheerful charm, adventurous beauty, inspiring presence	Restless image, overly flirtatious, attention-seeking, emotionally inconsistent persona	Venus in Sagittarius expresses affection through freedom, idealism, adventure, and philosophical joy. Love is expansive, sincere, and guided by belief and exploration. When well-aspected, this placement brings romantic optimism, magnetic humor, and joyful artistic flair. When afflicted, it may become restless, overidealizing, blunt, or emotionally inconsistent.

<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Sagittarius:</b> thighs	Zodiac: Compatible Decan: <b>Mercury (Detriment)</b> - Tarot: 8 of Wands (Swiftiness)	<b>II:</b> resources, values, sustenance <b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Attracts wealth through vision and belief, values generosity, spends on travel and philosophy Inspiring and humorous communicator, storyteller in love, joyful writing and speech Creates an open, optimistic home, protects family with faith, welcomes cultural richness into domestic life	Overconfident with money, reckless spending, ties self-worth to idealistic standards Talks too much about love, flippant with words, avoids emotional nuance Emotionally restless at home, avoids vulnerability with family, inconsistent domestic ties		
		Zodiac: Compatible Decan: <b>Moon</b> - Tarot: 9 of Wands (Great Strength / Vigor)	<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines <b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Romantic explorer, flirtatious and fun-loving, playful creativity, enthusiastic passion Brings enthusiasm to daily work, joyful service, artistically productive routines Seeks adventure in love, open-minded partner, fair and generous in relationship Emotionally brave, explores deep intimacy with passion and honesty, sensual philosopher	Fear of commitment, emotionally unreliable, idealizes partners, avoids depth Inconsistent in routines, disorganized at work, overextends in effort, tires easily of structure Avoids emotional intimacy, exaggerates affection, craves too much space in love Avoids emotional vulnerability, clings to abstract ideals, escapes emotional depth		
		Zodiac: Compatible Decan: <b>Saturn</b> - Tarot: 10 of Wands (Opression)	<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure <b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Romantic idealist, believes in love's higher purpose, joy in cultural or spiritual connection Publicly admired for warmth and joy, career in teaching, travel, art, or belief systems Loyal to ideals, socially generous, attracts wide and diverse friendships, loving toward causes Secret romantic idealism, spiritually passionate, mystically joyful in solitude	Unrealistic love philosophy, avoids critical examination, superficial moralizing in relationships Overreliance on charm for success, inflated self-image, emotionally erratic public persona Distracted by too many groups, superficial involvement, emotionally inconsistent in causes Escapes into fantasy, hidden emotional overindulgence, romanticizes suffering, idealizes unavailable love		
	<b>Capricorn:</b> knees	Zodiac: Incompatible Decan: <b>Jupiter (Fall)</b> - Tarot: 2 of Pentacles (Harmonious Change)	<b>I:</b> body, vitality, physical self <b>II:</b> resources, values, sustenance <b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Elegant presence, dignified beauty, composed charm, attractive reserve Steady in finances, values tradition and quality, loyal with possessions Reserved but respectful speaker, thoughtful writer, traditional communication style Loyal to family, builds stable home, honors ancestral love and duty	Emotionally repressed persona, love as duty, cold or formal expression Materialistic, withholds affection, equates love with money or status Emotionally distant tone, rigid thinking in relationships, restrained expression Emotionally unavailable at home, duty over affection, burdened by family obligations		
		Zodiac: Incompatible Decan: <b>Mars (Exaltation)</b> - Tarot: 3 of Pentacles (Material Works / Construction)	<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines <b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Serious romantic, refined artistic sense, loyal in love and creativity Dutiful lover, graceful in routine, hardworking and committed in service Loyal and responsible partner, seeks stable union, respectful and traditional love Powerful yet contained intimacy, steady emotional transformation, structured sensuality	Emotionally cautious in romance, avoids spontaneity, repressive in pleasure Serves out of guilt, feels unloved unless useful, emotionally dry daily life Marries for status or safety, fears emotional openness, sees love as contract Cold passion, controlling in intimacy, suppresses vulnerability, transactional emotions		
		Zodiac: Incompatible Decan: <b>Sun</b> - Tarot: 4 of Pentacles (Earthly Power)	<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure <b>XI:</b> hopes, groups, nerves	Loves wisdom and tradition, structured spiritual ideals, committed to moral beauty Publicly admired for poise, career in beauty, art, or diplomacy, respectful love Reliable friend, values tradition in causes, steady and devoted to social ideals	Dogmatic beliefs in love, emotionally rigid philosophy, love limited by propriety Cold or distant public image, uses charm to ascend, emotional restraint in ambition Emotionally stiff in groups, fears creative risk, avoids social spontaneity		
							Venus in Capricorn expresses love through commitment, dignity, structure, and long-term loyalty. It values maturity and builds relationships on respect and stability. When well-aspected, this placement brings lasting love, graceful ambition, and elegant self-control. When afflicted, it can become emotionally distant, status-driven, or cold in affection.

			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Secret loyalty, hidden romantic endurance, private and karmic devotion	Represses emotional needs, love bound to guilt or shame, suffers in silence for love		
<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Aquarius:</b> shins	Zodiac: Decan: <b>Venus</b> - Tarot: 5 of Swords (Defeat)	<b>I:</b> body, vitality, physical self	Unconventional charm, magnetic individuality, friendly beauty, radiant uniqueness	Emotionally aloof, rebellious in expression, detached charm, difficult to read emotionally		Venus in Aquarius expresses love through intellect, freedom, idealism, and originality. It values friendship in romance, loves the unconventional, and seeks beauty through individuality and truth. When well-aspected, it brings inspired love, social grace, and unique artistic vision. When afflicted, it can become emotionally detached, aloof, or rebellious in relationships.
			<b>II:</b> resources, values, sustenance	Attracts income through innovation, values freedom and intellect, generous with ideals	Financial inconsistency, values eccentricity over stability, emotionally disconnected from material needs		
			<b>III:</b> mind, nerves, speech, movement	Original thinker, poetic yet logical speech, charming communicator	Emotionally cool in dialogue, erratic communication, resistant to emotional closeness in conversation		
			<b>IV:</b> roots, digestion, family	Open-minded family bonds, beautifies home with innovation, emotionally fair at home	Emotionally detached in family, cold or unpredictable domestic environment, avoids family intimacy		
		Zodiac: Decan: <b>Mercury (Exaltation)</b> - Tarot: 6 of Swords (Earned Success)	<b>V:</b> expression, pleasure, reproduction	Creative genius, flirtatious and witty, romantically experimental	Detached in romance, emotionally unpredictable in love, avoids vulnerability in affection		
			<b>VI:</b> illness, service, work routines	Brings originality to service, helpful through intellect and care, graceful in routines	Unemotional in service, disconnected from coworkers, avoids emotional labor		
			<b>VII:</b> relationships, contracts, harmony	Loves through friendship and freedom, values equality in relationships, attracts unusual partners	Fears emotional intimacy, distant in union, noncommittal or rebellious in love		
			<b>VIII:</b> death, sex, transformation	Intellectually curious in intimacy, explores emotion through truth and rebellion	Avoids emotional surrender, emotionally erratic, fear of losing independence in intimacy		
		Zodiac: Decan: <b>Moon</b> - Tarot: 7 of Swords (Unstable Effort)	<b>IX:</b> beliefs, expansion, higher mind	Loves through truth-seeking, philosophical romance, broad-minded values	Emotionally idealistic, avoids depth for ideas, impractical in belief-driven love		
			<b>X:</b> career, public life, structure	Publicly admired for uniqueness, elegant but futuristic in style, known for fairness	Emotionally cold in public, aloof career persona, may prioritize ideals over people		
			<b>XI:</b> hopes, groups, nerves	Devoted to group ideals, graceful in friendship, idealistic in causes	Emotionally distant in social bonds, overly theoretical in love, values ideas over hearts		
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Secret love for humanity, mystical longing for union beyond the self, transcendent beauty	Detached longing, love without embodiment, unacknowledged emotional wounds, private emotional detachment		
<b>Venus:</b> NTzCH (7) - kidneys, reproductive organs, lower back, skin, throat	<b>Pisces:</b> feet	Zodiac: <b>Exaltation</b> Decan: <b>Saturn</b> - Tarot: 8 of Cups (Abandoned Success)	<b>I:</b> body, vitality, physical self	Ethereal charm, mystical beauty, compassionate presence, artistic aura	Overly idealized self-image, emotionally porous, passive or confused in expression		Venus is exalted in Pisces, meaning it expresses its highest ideals—universal love, spiritual beauty, compassion, and artistic inspiration. When well-aspected, this placement brings divine affection, romantic mysticism, and selfless creativity. When afflicted, it can become escapist, overly idealizing, or emotionally ungrounded.
			<b>II:</b> resources, values, sustenance	Values compassion and beauty, spiritually generous with resources, artistic income	Disorganized with finances, spends on fantasy or illusion, emotionally tied to possessions		
			<b>III:</b> mind, nerves, speech, movement	Poetic speaker, artistic writer, intuitive and gentle communication	Emotionally vague, avoids clarity in speech, prone to daydreaming in conversation		
			<b>IV:</b> roots, digestion, family	Creates dreamy, peaceful home, deeply loving family bonds, emotionally devoted	Escapes into nostalgia, emotionally enmeshed with family, avoids confrontation at home		
		Zodiac: <b>Exaltation</b>	<b>V:</b> expression, pleasure, reproduction	Romantic dreamer, artistically gifted, deeply affectionate in love and creativity	Idealizes love, emotionally escapist in romance, ungrounded or overly dramatic in expression		
			<b>VI:</b> illness, service, work routines	Gentle and healing in service, brings art and compassion to work, poetic routine	Overwhelmed by duties, emotionally drained in service, avoids structure in daily life		

		Decan: <b>Jupiter (Domicile)</b> - Tarot: 9 of Cups (Material Happiness)	<b>VII:</b> relationships, contracts, harmony	Soulful and empathic partner, loving and romantic, seeks spiritual union	Overidealizes partner, codependent, avoids emotional truth in relationship conflict	
			<b>VIII:</b> death, sex, transformation	Deep emotional surrender, sensual mysticism, spiritually transformative intimacy	Escapes from emotional reality, boundary issues in intimacy, emotional martyrdom	
		Zodiac: <b>Exaltation</b> Decan: <b>Mars</b> - Tarot: 10 of Cups (Perfected Success)	<b>IX:</b> beliefs, expansion, higher mind	Believes in divine love, romantic about higher truth, poetic and spiritual ideals	Delusional about love or faith, confused moral compass, clings to fantasy over wisdom	
			<b>X:</b> career, public life, structure	Inspires through beauty, admired for grace and compassion, vocation in art or healing	Escapes responsibility through dreams, unclear public image, emotionally idealized reputation	
			<b>XI:</b> hopes, groups, nerves	Mystic in group causes, compassionate toward humanity, graceful social influence	Emotionally vulnerable in groups, naive about collective ideals, overly sacrificial in causes	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Transcendent love, divine romantic devotion, mystical creativity, secret compassion	Self-denial in love, hidden longing, romantic illusions, emotional self-undoing through fantasy	
<b>Mars:</b> GBVRH (5) - muscles, blood, strength, will, conflict, purification	<b>Aries:</b> Head	Zodiac: <b>Domicile (Diurnal)</b> Decan: <b>Mars (Domicile)</b> - Tarot: 2 of Wands (Dominion)	<b>I:</b> body, vitality, physical self	Assertive personality, fearless self-expression, energetic and bold presence	Aggressive, rash, hot-tempered, acts without reflection	Mars is in domicile (rulership) in Aries—this is its most natural and powerful placement. It expresses energy through action, courage, initiative, and assertiveness. When well-aspected, Mars in Aries brings leadership, drive, and fearlessness. When afflicted, it can become impulsive, aggressive, or destructive.
			<b>II:</b> resources, values, sustenance	Driven to earn, assertive with resources, initiates action for material goals	Impulsive spender, overly forceful with values, ties self-worth to conquest	
			<b>III:</b> mind, nerves, speech, movement	Quick thinker, direct speaker, confident in communication, assertive intellect	Argumentative, impatient listener, combative in speech, mentally reactive	
			<b>IV:</b> roots, digestion, family	Protective of family, initiates action at home, energetic household leader	Domineering in family, emotional volatility, angry ancestral ties	
		Zodiac: <b>Domicile (Diurnal)</b> Decan: <b>Sun (Exaltation)</b> - Tarot: 3 of Wands (Virtue)	<b>V:</b> expression, pleasure, reproduction	Passionate in romance, bold creative force, courageous and competitive in play	Jealous in love, aggressive in expression, risky or selfish pleasure-seeking	
			<b>VI:</b> illness, service, work routines	Energetic worker, takes charge of tasks, thrives in physical or martial service	Overbearing with coworkers, prone to burnout, combative routines	
			<b>VII:</b> relationships, contracts, harmony	Passionate and direct partner, assertive in union, fights for relationship fairness	Argumentative in love, controlling, rushes into or dominates relationships	
			<b>VIII:</b> death, sex, transformation	Courageous in crisis, assertive in transformation, intense sexual energy	Destructive impulses, manipulative in intimacy, repressed rage and emotional extremes	
		Zodiac: <b>Detriment</b> Decan: <b>Venus (Detriment)</b> - Tarot: 4 of Wands (Completion)	<b>IX:</b> beliefs, expansion, higher mind	Bold beliefs, passionate about truth, takes action based on philosophy or faith	Fanatical, argumentative about ideology, overassertive in moral matters	
			<b>X:</b> career, public life, structure	Ambitious, self-starting career force, natural leader in vocation	Ruthless for success, overbearing public image, burns bridges professionally	
			<b>XI:</b> hopes, groups, nerves	Champion of causes, initiates group action, courageous with ideals	Aggressive with friends, domineering in groups, clashes over social vision	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Secret strength, spiritual warrior, internalized drive for transcendence	Repressed anger, self-sabotage through aggression, hidden destructive impulses	
		Zodiac: <b>Detriment</b> Decan: <b>Mercury</b> - Tarot: 5 of Pentacles (Worry)	<b>I:</b> body, vitality, physical self	Steady presence, composed strength, calm but determined demeanor	Stubborn persona, emotionally unmovable, acts only when forced, passive-aggressive	Mars in Taurus expresses drive through persistence, sensuality, and determination. It is slow to act but deeply enduring. When well-aspected, this placement brings stamina, grounded ambition, and loyal strength. When afflicted, it may become stubborn, lazy, possessive, or prone to explosive anger when provoked.
			<b>II:</b> resources, values, sustenance	Strong drive for material security, works hard for possessions, disciplined with finances	Greedy, overly attached to resources, sluggish financial action, hoards for control	
			<b>III:</b> mind, nerves, speech, movement	Practical thinker, deliberate communicator, assertive in useful ideas	Inflexible opinions, slow to change mentally, forceful in speech when challenged	
			<b>IV:</b> roots, digestion, family	Protector of home, determined family leader, provides lasting domestic security	Domineering in family roles, emotionally rigid at home, fear of change in roots	

Mars: GBVRH (5) - muscles, blood, strength, will, conflict, purification	Taurus: Neck/Throat	Zodiac: <b>Detriment</b> Decan: <b>Moon (Exaltation)</b> - Tarot: 6 of Pentacles (Material Success)	V: expression, pleasure, reproduction	Steady romantic passion, sensual creativity, loyal in love and play	Jealous lover, possessive in affection, slow to forgive, indulgent or resistant to joy	
			VI: illness, service, work routines	Hardworking, slow and thorough in service, persistent with routines	Resists change at work, lazy in unmotivating environments, inflexible habits	
			VII: relationships, contracts, harmony	Steady and loyal partner, fights for relationship stability, long-term passion	Possessive in union, slow to compromise, controls partner through routine or resources	
		Zodiac: <b>Detriment</b> Decan: <b>Saturn</b> - Tarot: 7 of Pentacles (Success Unfulfilled)	VIII: death, sex, transformation	Controlled but intense sensuality, strong regenerative will, persistence through emotional storms	Sexual possessiveness, emotionally vengeful, slow-burning anger, fear of surrender	
			IX: beliefs, expansion, higher mind	Strong conviction in beliefs, determined philosopher, acts on stable ideals	Rigid worldview, slow to accept new truths, confrontational with opposing beliefs	
			X: career, public life, structure	Steady ambition, determined career path, builds long-term success with effort	Career rigidity, slow advancement due to fear of change, overly focused on security	
Mars: GBVRH (5) - muscles, blood, strength, will, conflict, purification	Gemini: arms, lungs	Zodiac: Decan: <b>Jupiter (Detriment)</b> - Tarot: 8 of Swords (Shortened Force) <i>Influences</i>	XI: hopes, groups, nerves	Loyal to causes, persistent in group efforts, grounded idealism	Social stubbornness, possessive of friends, resists evolving ideals	
			XII: isolation, karma, subconsciousness, hidden illness	Quiet strength, spiritual perseverance, determined inner healing	Repressed frustration, fear of release, slow-burning karmic anger, passive resistance to growth	
			I: body, vitality, physical self	Energetic speaker, witty and alert, mentally driven, sharp presence	Verbally aggressive, scattered identity, restless energy, impatient demeanor	Mars in Gemini expresses energy through thought, speech, and versatility. It acts quickly through communication, curiosity, and intellect. When well-aspected, it brings mental agility, persuasive drive, and witty ambition. When afflicted, it can become argumentative, scattered, impulsive, or mentally aggressive.
			II: resources, values, sustenance	Resourceful with ideas, mentally active in earning, quick with practical action	Impulsive spending, values tied to intellect alone, talks about money more than acts	
		Zodiac: Decan: <b>Marte</b> - Tarot: 9 of Swords (Despair and Cruelty)	III: mind, nerves, speech, movement	Quick thinker, persuasive communicator, driven learner, energetic in study	Argumentative, hasty speech, mentally reactive, impatient in dialogue	
			IV: roots, digestion, family	Communicates with passion at home, energetic household leader, sharp family intellect	Tension in domestic life, harsh speech in family, overly critical of roots	
			V: expression, pleasure, reproduction	Playful in love, clever and flirtatious, expressive in art and romance	Emotionally detached in romance, flits between lovers, dramatizes affection	
			VI: illness, service, work routines	Mentally sharp at work, multi-tasks with energy, verbally productive in service	Nervous overwork, scattered routines, argumentative in workplace dynamics	
		Zodiac: Decan: <b>Sun</b> - Tarot: 10 of Swords (Ruin)	VII: relationships, contracts, harmony	Debates fiercely in union, values intellectual exchange, fights with words	Combative partner, verbally dominating, talks over others in love	
			VIII: death, sex, transformation	Mentally intense, sharp in emotional analysis, confronts taboos through intellect	Manipulative language in intimacy, mentally obsessed, weaponizes words emotionally	
			IX: beliefs, expansion, higher mind	Driven to learn and teach, sharp in philosophy, passionate about belief systems	Dogmatic in beliefs, intellectually self-righteous, talks over other perspectives	
			X: career, public life, structure	Known for intellect and speech, career in writing or communication, ambitious talker	Scattered career path, argumentative public presence, unfocused ambition	
		Zodiac: <b>Fall</b> Decan: <b>Venus</b> - Tarot: 2 of Cups (Love)	XI: hopes, groups, nerves	Sharp social instincts, energized by ideas in groups, persuasive in causes	Socially combative, opinionated in group settings, restless in friendships	
			XII: isolation, karma, subconsciousness, hidden illness	Inner mental restlessness, sharp subconscious insight, secret intellectual activity	Repressed verbal aggression, anxious internal monologue, sabotaging through overthinking	
			I: body, vitality, physical self	Protective and emotionally driven, loyal presence, fights for self and loved ones	Mood-driven actions, emotionally reactive persona, passive-aggressive tendencies	Mars is in fall in Cancer, meaning its assertive nature is challenged by Cancer's emotional, protective, and inward nature. Mars in Cancer acts through emotion, protection, and loyalty. When well-aspected, it brings emotional courage, fierce loyalty, and protective strength. When afflicted, it can become passive-aggressive, moody, repressed, or reactive.
			II: resources, values, sustenance	Emotionally motivated to earn, defends possessions fiercely, values material security	Hoards resources, acts from financial fear, manipulates through emotional value	
			III: mind, nerves, speech, movement	Passionate speaker, emotionally expressive in words, protective of siblings	Argumentative when hurt, defensive in speech, overly sensitive in communication	

<b>Mars: GBVRH (5)</b> - muscles, blood, strength, will, conflict, purification	<b>Cancer:</b> chest, breasts		<b>IV:</b> roots, digestion, family	Defender of family, emotionally tenacious, builds security through effort	Suppressed anger at home, manipulative family dynamics, clings to past wounds	
			<b>V:</b> expression, pleasure, reproduction	Emotionally expressive in romance, protective of lovers and children, passionate creativity	Jealous in love, emotionally demanding, overreacts in romantic drama	
		<b>Zodiac: Fall</b>	<b>VI:</b> illness, service, work routines	Cares deeply in service, fights for those in need, emotionally invested in routine	Martyrdom in daily life, emotionally overwhelmed by work, clings to unhealthy habits	
		<b>Decan: Mercury</b> - Tarot: 3 of Cups (Abundance)	<b>VII:</b> relationships, contracts, harmony	Protective in union, passionate in love, fights for fairness in relationship	Emotionally controlling, passive-aggressive with partner, reacts from wounded pride	
			<b>VIII:</b> death, sex, transformation	Strong emotional courage, fights through crisis, passionate intimacy	Clings to emotional wounds, manipulative in emotional depth, fears vulnerability	
			<b>IX:</b> beliefs, expansion, higher mind	Defends personal beliefs with passion, emotionally inspired by spiritual truth	Over-identifies with belief, defensive worldview, emotionally triggered by ideology	
		<b>Zodiac: Fall</b>	<b>X:</b> career, public life, structure	Publicly protective, emotionally driven ambition, nurtures through achievement	Controls image emotionally, mood-driven reputation, resents authority	
		<b>Decan: Moon (Domicile)</b> - Tarot: 4 of Cups (Blended Pleasure)	<b>XI:</b> hopes, groups, nerves	Loyal to causes, emotionally connected to friends, defends group ideals	Overprotective in groups, reacts to criticism, emotional power struggles in social circles	
<b>Mars: GBVRH (5)</b> - muscles, blood, strength, will, conflict, purification	<b>Leo:</b> heart, spine		<b>I:</b> body, vitality, physical self	Confident and charismatic, bold presence, self-assured action	Arrogant, demands attention, acts out of pride or ego, theatrical in conflict	Mars in Leo expresses will and desire through pride, passion, courage, and dramatic action. It thrives on creative leadership and bold self-expression. When well-aspected, it brings charismatic strength, heroic ambition, and passionate energy. When afflicted, it can become domineering, attention-seeking, or quick to anger when pride is wounded.
		<b>Zodiac: Compatible</b>	<b>II:</b> resources, values, sustenance	Ambitious with money, earns through creative power, values control and status	Overspends for show, emotionally tied to wealth, prideful about possessions	
		<b>Decan: Saturn (Detriment)</b> - Tarot: 5 of Wands (Strife, battles)	<b>III:</b> mind, nerves, speech, movement	Dramatic and persuasive speech, confident thinker, bold ideas and communication	Argumentative, boastful in speech, mentally stubborn, exaggerates for effect	
			<b>IV:</b> roots, digestion, family	Protector of family, proud ancestry, fierce emotional loyalty at home	Controlling domestic energy, emotionally dramatic at home, ego clashes with relatives	
			<b>V:</b> expression, pleasure, reproduction	Passionate lover, expressive in romance, commanding artistic energy	Attention-seeking in love, jealous, domineering in play or with children	
		<b>Zodiac: Compatible</b>	<b>VI:</b> illness, service, work routines	Proud of service, energetic at work, driven in daily tasks, generous in duty	Needs recognition for effort, resentful if unappreciated, dramatic about small tasks	
		<b>Decan: Jupiter</b> - Tarot: 6 of Wands (Victory)	<b>VII:</b> relationships, contracts, harmony	Passionate and loyal partner, courageous in relationships, fights for love	Possessive in union, prideful in disputes, needs control in partnership	
			<b>VIII:</b> death, sex, transformation	Intensely passionate in intimacy, courageous in emotional transformation, fiery sensuality	Controlling in sex or emotional closeness, uses power to dominate, repressed pride wounds	
			<b>IX:</b> beliefs, expansion, higher mind	Driven by belief, passionate about truth, heroic philosophical ideals	Intolerant of opposing views, ego-driven ideology, self-righteous in moral causes	
		<b>Zodiac: Compatible</b>	<b>X:</b> career, public life, structure	Ambitious leader, admired for drive and charisma, bold career achiever	Career ruled by ego, needs admiration, reacts poorly to public criticism	
		<b>Decan: Mars</b> - Tarot: 7 of Wands (Excess)	<b>XI:</b> hopes, groups, nerves	Leads in social causes, passionate about ideals, commands respect in groups	Needs attention in groups, egotistical about vision, clashes with social equals	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Private strength, secret ambition, spiritual willpower, heroic inner struggle	Hidden pride wounds, self-sabotage through ego, dramatic internal battles, repressed anger	
			<b>I:</b> body, vitality, physical self	Disciplined drive, sharp mind, refined action, focused and methodical persona	Nervous demeanor, overly self-critical, repressed will, compulsive habits	Mars in Virgo acts through precision, analysis, service, and routine. It is efficient, focused, and task-driven. When well-aspected, this placement brings disciplined energy, technical skill, and dedication. When afflicted, it can become hypercritical, anxious, nitpicky, or overly controlling.

<b>Mars:</b> GBVRH (5) - muscles, blood, strength, will, conflict, purification	<b>Virgo:</b> abdomen	Zodiac:	<b>II:</b> resources, values, sustenance	Diligent earner, practical about money, works hard for stability	Overworks for material gain, stingy, obsessed with financial control or perfection	
		Decan: <b>Sun</b> - Tarot: 8 of Pentacles (Prudence)	<b>III:</b> mind, nerves, speech, movement	Analytical speaker, fast learner, practical in communication, detail-driven mind	Argumentative over details, mentally anxious, nitpicky in conversation	
			<b>IV:</b> roots, digestion, family	Serves family loyally, improves domestic life, emotionally focused on order	Hyper-controlling at home, rigid family expectations, emotionally restrained	
		Zodiac:	<b>V:</b> expression, pleasure, reproduction	Devoted in romance, skillful in creative work, expresses affection through service	Emotionally withdrawn in love, critical in romance, inhibited passion	
		Decan: <b>Venus (Fall)</b> - Tarot: 9 of Pentacles (Material Gain)	<b>VI:</b> illness, service, work routines	Tireless worker, excellent in service roles, strives for perfection in tasks	Obsessed with flaws, burnout from overwork, controlling routines	
			<b>VII:</b> relationships, contracts, harmony	Loyal and practical partner, acts with fairness, serves relationship patiently	Critical of partner, needs control in union, emotionally distant in love	
			<b>VIII:</b> death, sex, transformation	Precise in emotional healing, analytical in intimacy, brave in crisis	Over-analyzes emotions, fears losing control, emotionally rigid in transformation	
		Zodiac:	<b>IX:</b> beliefs, expansion, higher mind	Structured belief system, diligent in philosophy and learning, serves higher truth	Dogmatic in thinking, hypercritical worldview, suppresses intuitive understanding	
		Decan: <b>Mercury (Domicile &amp; Exaltation)</b> - Tarot: 10 of Pentacles (Wealth)	<b>X:</b> career, public life, structure	Respected for work ethic, builds success steadily, excels in technical careers	Career perfectionism, obsessive about reputation, overworks for validation	
			<b>XI:</b> hopes, groups, nerves	Organized in groups, detail-oriented activist, helpful to causes	Rigid about ideals, critical in social circles, controlling of collective goals	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Quiet endurance, serves in silence, devoted to spiritual refinement	Suppresses anger, self-critical to a fault, sabotages through guilt or anxiety	
<b>Mars:</b> GBVRH (5) - muscles, blood, strength, will, conflict, purification	<b>Libra:</b> kidneys, loins		<b>I:</b> body, vitality, physical self	Diplomatic drive, charming willpower, strategic presence, balanced initiative	Indecisive action, passive-aggressive demeanor, seeks approval before acting	Mars is in detriment in Libra, where its direct action is filtered through the sign of balance, diplomacy, and aesthetic harmony. Mars in Libra fights for justice, partnership, and idealism, but may struggle with indecision or passive aggression. When well-aspected, it brings graceful assertion, strategic action, and courage for fairness. When afflicted, it may become conflict-avoidant, manipulative, or easily provoked when harmony is threatened.
		Zodiac: <b>Detriment</b>	<b>II:</b> resources, values, sustenance	Earns through partnerships, values fairness in finances, artistic work ethic	Insecure about income, overspends to maintain image, avoids financial risk	
		Decan: <b>Moon</b> - Tarot: 2 of Swords (Peace Restored)	<b>III:</b> mind, nerves, speech, movement	Tactful debater, graceful speaker, defends ideals in communication	Avoids confrontation, talks around problems, argues to please rather than resolve	
			<b>IV:</b> roots, digestion, family	Mediates family disputes, acts to preserve peace at home, beautifies domestic life	Suppresses emotions to avoid conflict, avoids deep issues in family life	
		Zodiac: <b>Detriment</b>	<b>V:</b> expression, pleasure, reproduction	Romantic and flirtatious energy, creative initiative, passionate about beauty	Seeks validation in love, manipulates with charm, indecisive in creative direction	
		Decan: <b>Saturn (Exaltation)</b> - Tarot: 3 of Swords (Sorrow/Pain)	<b>VI:</b> illness, service, work routines	Cooperative in work, tactful in service, harmonizes routines	Avoids direct feedback, resentful of imbalance, passive-aggressive in duty	
			<b>VII:</b> relationships, contracts, harmony	Fights for justice in union, assertive yet fair partner, brave in love	Starts conflicts under the guise of peace, manipulates emotionally, defers too much to partner	
			<b>VIII:</b> death, sex, transformation	Courageous in emotional union, passionate diplomacy, graceful transformation	Emotionally calculating, avoids emotional intensity, passive in deep change	
		Zodiac: <b>Detriment</b>	<b>IX:</b> beliefs, expansion, higher mind	Acts on ideals, moral courage, seeks truth through aesthetics and justice	Morally conflicted, avoids intellectual challenge, indecisive beliefs	
		Decan: <b>Jupiter</b> - Tarot: 4 of Swords (Rest from Strife)	<b>X:</b> career, public life, structure	Known for diplomacy, fights gracefully for career goals, admired tact and ambition	Reputation for passivity, career blocked by indecision, image overly curated	
			<b>XI:</b> hopes, groups, nerves	Harmonizes group energy, takes initiative for social justice, inspires collective peace	People-pleaser in causes, avoids necessary confrontation, stagnant idealism	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Seeks inner peace through service, spiritual warrior for balance, acts with silent grace	Represses conflict, internal guilt over anger, sabotages self to maintain false peace	

<b>Mars:</b> GBVRH (5) - muscles, blood, strength, will, conflict, purification	<b>Scorpio:</b> genitals	Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Mars (Domicile)</b> - Tarot: 5 of Cups (Loss of Pleasure)	I: body, vitality, physical self	Intense presence, strong-willed, emotionally controlled, magnetic and determined	Secretive aggression, intimidating aura, suppresses emotion until eruption		Mars is in domicile (rulership) in Scorpio—this is one of its most potent and focused placements. Mars in Scorpio channels energy through willpower, secrecy, emotional depth, and transformation. When well-aspected, it brings fearless determination, sexual power, and strategic focus. When afflicted, it can become manipulative, vengeful, or obsessed with control.
			II: resources, values, sustenance	Drives to secure resources, emotionally attached to wealth, disciplined with money	Possessive, controlling with finances, hoards for power, manipulates through material means, fantasies of death		
			III: mind, nerves, speech, movement	Sharp and intuitive communicator, strategic thinker, persuasive and probing mind	Secretive in speech, mentally obsessive, argumentative and cutting in language		
			IV: roots, digestion, family	Protector of deep family bonds, transforms home environment, emotionally anchored	Resentful toward family, emotionally manipulative at home, clings to ancestral pain		
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Sun</b> - Tarot: 6 of Cups (Pleasure)	V: expression, pleasure, reproduction	Passionate lover, intense in creativity and play, fearless in romantic expression	Jealous in love, controlling with children or partners, emotionally volatile in affection		
			VI: illness, service, work routines	Powerful in service roles, focused in health routines, thrives in intense work	Overworks in secrecy, obsessed with efficiency, manipulates workplace dynamics		
			VII: relationships, contracts, harmony	Intensely loyal partner, passionate in relationships, transforms through union	Controlling in love, manipulative in argument, fears betrayal and domination		
			VIII: death, sex, transformation	Fearless in emotional depth, strong sexual energy, transformative will	Power-hungry in intimacy, emotionally destructive, obsession with control and revenge		
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Venus (Detriment)</b> - Tarot: 7 of Cups (Illusory Success)	IX: beliefs, expansion, higher mind	Deep seeker of truth, fearless in belief, spiritually intense explorer	Fixated on dogma, fanatical worldview, uses ideology to dominate others		
			X: career, public life, structure	Ambitious strategist, determined career builder, admired for intensity	Ruthless reputation, manipulative in public life, emotionally driven ambition		
			XI: hopes, groups, nerves	Fiercely devoted to causes, transforms group energy, emotionally strong in social bonds	Overbearing in group dynamics, dominates ideals, manipulates friendships		
			XII: isolation, karma, subconsciousness, hidden illness	Secret spiritual warrior, master of inner strength, transforms self through solitude	Self-destructive tendencies, repressed anger, hidden obsessions, internalized control issues		
<b>Mars:</b> GBVRH (5) - muscles, blood, strength, will, conflict, purification	<b>Sagittarius:</b> thighs	Zodiac: Compatible Decan: <b>Mercury (Detriment)</b> - Tarot: 8 of Wands (Swiftiness)	I: body, vitality, physical self	Adventurous will, bold spirit, optimistic drive, confident presence	Overbearing persona, tactless expression, restless energy, acts without foresight		Mars in Sagittarius channels energy through exploration, belief, optimism, and action through philosophy or freedom. It is bold, adventurous, and inspired by ideals. When well-aspected, it brings visionary action, passionate learning, and moral courage. When afflicted, it can become reckless, self-righteous, impulsive, or fanatical.
			II: resources, values, sustenance	Works hard for freedom, values truth and movement, entrepreneurial effort	Wasteful with resources, gambles impulsively, values inflated by pride		
			III: mind, nerves, speech, movement	Inspiring speaker, fast thinker, fiery communicator, verbal explorer	Argumentative, exaggerates, unfocused thoughts, overextends in speech		
			IV: roots, digestion, family	Expands the family horizon, protects with ideals, teaches through emotional roots	Emotionally preachy at home, escapes domestic responsibilities, inconsistent stability		
		Zodiac: Compatible Decan: <b>Moon</b> - Tarot: 9 of Wands (Great Strength / Vigor)	V: expression, pleasure, reproduction	Romantic adventurer, playful and passionate, creative with ideals and humor	Emotionally unreliable in love, flirts excessively, overidealizes partners		
			VI: illness, service, work routines	Energetic worker, motivated by purpose, passionate about meaningful service	Impatient with routine, disorganized efforts, chases novelty over discipline		
			VII: relationships, contracts, harmony	Bold and honest partner, loves freely and fiercely, seeks truth in relationships	Blunt or arrogant in union, fears confinement, argues moral superiority		
			VIII: death, sex, transformation	Fearless in emotional depth, passionately transformative, spiritual in intimacy	Avoids emotional vulnerability, imposes ideals in intimacy, obsessive moral control		
		Zodiac: Compatible	IX: beliefs, expansion, higher mind	Courageous belief system, acts on philosophy, travels for truth	Fanatical about ideology, imposes beliefs, acts rashly in defense of dogma		
			X: career, public life, structure	Ambitious and idealistic, leader by principle, seeks honor in career	Self-righteous public image, overpromises, emotionally untethered career moves		

<b>Mars:</b> GBVRH (5) - muscles, blood, strength, will, conflict, purification		Decan: <b>Saturn</b> - Tarot: 10 of Wands (Oppression)	<b>XI:</b> hopes, groups, nerves	Driven by vision, pursues causes with passion, energizes collective ideals	Forces views on others, domineers in groups, zealotry masked as idealism	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Hidden fire for truth, spiritual warrior, inner drive for liberation	Self-righteous repression, blinds self to flaws, internal chaos through belief	
	<b>Capricorn:</b> knees	Zodiac: <b>Exaltation</b> Decan: <b>Jupiter (Fall)</b> - Tarot: 2 of Pentacles (Harmonious Change)	<b>I:</b> body, vitality, physical self	Ambitious and composed, steady energy, determined and serious presence	Emotionally stiff, overly controlling, represses spontaneity, rigid identity	Mars is exalted in Capricorn—this is one of its most effective and disciplined placements. Mars in Capricorn acts with strategy, endurance, ambition, and control. When well-aspected, it brings focused power, reliable effort, and commanding leadership. When afflicted, it can become cold, ruthless, repressive, or obsessed with control.
			<b>II:</b> resources, values, sustenance	Works tirelessly for security, disciplined with money, values long-term investment	Overly materialistic, hoards for control, fears financial vulnerability	
			<b>III:</b> mind, nerves, speech, movement	Calculated thinker, precise communicator, structured speech and logic	Harsh tone, rigid thought patterns, overly serious in discussion, lacks humor	
			<b>IV:</b> roots, digestion, family	Responsible family protector, builds lasting foundations, emotionally restrained leader at home	Emotionally repressed in family, imposes structure on others, cold domestic control	
		Zodiac: <b>Exaltation</b> Decan: <b>Mars (Exaltation)</b> - Tarot: 3 of Pentacles (Material Works / Construction)	<b>V:</b> expression, pleasure, reproduction	Loyal and serious in romance, disciplined creativity, ambitious artistic projects	Restrained in pleasure, joyless in affection, controlling in romance or with children	
			<b>VI:</b> illness, service, work routines	Tireless in work, efficient in routine, strategic in service and health	Workaholic tendencies, cold to coworkers, driven by fear of inadequacy	
			<b>VII:</b> relationships, contracts, harmony	Loyal and committed partner, steady in conflict, fights for structured relationships	Dominates partner, overly contractual love, avoids vulnerability in union	
			<b>VIII:</b> death, sex, transformation	Strategic in crisis, emotionally controlled in intimacy, endures deep transformation	Emotionally repressive, fears losing control, cold in emotional surrender	
		Zodiac: <b>Exaltation</b> Decan: <b>Sun</b> - Tarot: 4 of Pentacles (Earthly Power)	<b>IX:</b> beliefs, expansion, higher mind	Belief-driven action, steady seeker of truth, disciplined philosophical will	Intolerant worldview, moral rigidity, suppresses spiritual exploration	
			<b>X:</b> career, public life, structure	Powerful public ambition, structured career strategy, natural authority	Ruthless image, seeks control through status, overly concerned with reputation	
			<b>XI:</b> hopes, groups, nerves	Loyal to causes, practical in activism, reliable in social structures	Rigid ideals, cold in group roles, imposes order on collective vision	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Silent discipline, inner strength under pressure, karmic endurance	Burdened by guilt, represses anger, self-sabotage through control or withdrawal	
	<b>Aquarius:</b> shins	Zodiac: Decan: <b>Venus</b> - Tarot: 5 of Swords (Defeat)	<b>I:</b> body, vitality, physical self	Independent force, inventive drive, mentally sharp and visionary	Rebellious for its own sake, emotionally detached, unpredictable actions	Mars in Aquarius expresses action through innovation, rebellion, idealism, and mental clarity. It fights for freedom, truth, and collective progress. When well-aspected, this placement brings strategic originality, intellectual courage, and revolutionary energy. When afflicted, it can become erratic, defiant, cold, or dogmatic.
			<b>II:</b> resources, values, sustenance	Earns through innovation, values originality and fairness, strategic with resources	Financial instability, erratic value system, careless or aloof about money	
			<b>III:</b> mind, nerves, speech, movement	Brilliant speaker, quick intellect, bold and inventive in communication	Argumentative over ideals, mentally scattered, contrarian for pride	
			<b>IV:</b> roots, digestion, family	Freethinking family leader, detached but just, brings innovation to home life	Emotionally cold at home, distant from roots, clashes with family tradition	
		Zodiac: Decan: <b>Mercury (Exaltation)</b> - Tarot: 6 of Swords (Earned Success)	<b>V:</b> expression, pleasure, reproduction	Unconventional in romance, playful innovator, creatively electric	Detached in love, unpredictable with affection, rebels against romantic norms	
			<b>VI:</b> illness, service, work routines	Unique work ethic, reforms routines, serves through progressive ideals	Resistant to routine, erratic service, cold or impersonal in duty	
			<b>VII:</b> relationships, contracts, harmony	Attracts unconventional partners, fights for equality, intellectual passion in union	Emotionally distant in love, argumentative with partner, avoids traditional commitment	
			<b>VIII:</b> death, sex, transformation	Bold in emotional experimentation, transformative through intellect, seeks liberated intimacy	Avoids emotional surrender, manipulates through ideals, sexual detachment	
			<b>IX:</b> beliefs, expansion, higher mind	Acts on progressive truth, fearless in ideas, pursues high ideals boldly	Zealous ideology, acts rashly on belief, disregards nuance in moral questions	

		Zodiac:	X: career, public life, structure	Innovator in career, admired for bold ideas, disrupts outdated structures	Unpredictable public image, clashes with authority, reputation for rebellion		
		Decan: <b>Moon</b> - Tarot: 7 of Swords (Unstable Effort)	XI: hopes, groups, nerves	Leader in causes, energizes groups, devoted to reform and collective goals	Clashes in groups, imposes vision, emotionally cold in friendships or activism		
			XII: isolation, karma, subconsciousness, hidden illness	Inner rebel, mental visionary in solitude, spiritual defiance of limitation	Isolated in ideology, represses anger into detachment, sabotages through inner rebellion		
Mars: GBVRH (5) - muscles, blood, strength, will, conflict, purification	Pisces: feet	Zodiac: Decan: <b>Saturn</b> - Tarot: 8 of Cups (Abandoned Success)	I: body, vitality, physical self	Gentle warrior, quietly determined, intuitive presence, mystical aura	Passive-aggressive behavior, unclear intentions, emotional inconsistency		Mars in Pisces acts through intuition, emotion, imagination, and spiritual drive. It is subtle yet powerful, channeled through dreams, ideals, and empathy. When well-aspected, it brings compassionate action, mystical endurance, and visionary creativity. When afflicted, it may become passive-aggressive, escapist, confused, or self-sabotaging.
			II: resources, values, sustenance	Earns through imagination or healing, values compassion and subtle power	Disorganized with money, financial escapism, acts on illusion or fantasy		
			III: mind, nerves, speech, movement	Poetic speaker, acts through empathy, expressive and symbolic communication	Confused thinking, vague speech, indirect arguments, mentally avoidant		
		Zodiac: Decan: <b>Jupiter (Domicile)</b> - Tarot: 9 of Cups (Material Happiness)	IV: roots, digestion, family	Devoted family protector, acts from emotional roots, mystical sense of home	Represses family anger, avoids domestic responsibility, emotionally lost at home		
			V: expression, pleasure, reproduction	Romantic dreamer, artistic and emotionally expressive, compassionate lover	Unreliable in romance, overly idealistic, emotionally overwhelmed in play or creativity		
			VI: illness, service, work routines	Compassionate in service, sacrifices for others, spiritually focused routine	Martyr complex, overextends emotionally, avoids structure or clarity in duty		
		Zodiac: Decan: <b>Mars</b> - Tarot: 10 of Cups (Perfected Success)	VII: relationships, contracts, harmony	Sensitive and selfless in love, intuitive partner, acts in union with spiritual ideals	Avoids conflict in union, self-sacrifices to a fault, unclear boundaries in love		
			VIII: death, sex, transformation	Emotionally transcendent in intimacy, spiritually regenerative, mystic in transformation	Lost in emotional entanglement, victim of manipulation, disempowered in intimacy		
			IX: beliefs, expansion, higher mind	Acts on dreams and visions, guided by faith, mystical warrior of belief	Deluded moral action, blind idealism, lacks discernment in spiritual causes		
		Zodiac: Decan: <b>Mars</b> - Tarot: 10 of Cups (Perfected Success)	X: career, public life, structure	Quiet power in vocation, admired for spiritual strength, serves higher purpose	Confused public image, passive ambition, reputation tied to escapism or illusion		
			XI: hopes, groups, nerves	Devoted to utopian ideals, mystic activist, emotionally attuned in collective work	Emotionally overwhelmed by group energy, lost in idealistic causes, lacks clarity of purpose		
			XII: isolation, karma, subconsciousness, hidden illness	Spiritual warrior, channels anger into transcendence, fights hidden battles	Repressed rage, emotional martyrdom, inner chaos, self-sabotaging through avoidance		
Jupiter: ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	Aries: Head	Decan: <b>Mars (Domicile)</b> - Tarot: 2 of Wands (Dominion)	I: body, vitality, physical self	Bold and confident presence, inspiring enthusiasm, natural leader	Inflated ego, overconfidence, impatient and reckless self-image		Jupiter in Aries expands through courage, initiative, independence, and bold conviction. It seeks growth by taking risks, leading with vision, and acting with faith. When well-aspected, it brings enthusiastic leadership, moral bravery, and pioneering optimism. When afflicted, it may become reckless, arrogant, impatient, or self-righteous.
			II: resources, values, sustenance	Financial risk-taker, attracts abundance through initiative, values independence	Wasteful, overly optimistic with money, attaches self-worth to conquest		
			III: mind, nerves, speech, movement	Energetic speaker, inspiring teacher, expansive and passionate mind	Brash opinions, talks over others, mental arrogance, impatient with detail		
		Decan: <b>Sun (Exaltation)</b> - Tarot: 3 of Wands (Virtue)	IV: roots, digestion, family	Expands family legacy, energetic in home life, protects with faith and force	Overdominates family space, reactive domestic energy, impatient with roots		
			V: expression, pleasure, reproduction	Bold romantic, exuberant creativity, expressive and joyful lover	Seeks attention excessively, drama in love life, inflated romantic expectations		
			VI: illness, service, work routines	Enthusiastic in service, grows through action, bold and independent work ethic	Overextends in effort, overworks without rest, resists collaboration		
			VII: relationships, contracts, harmony	Courageous and fair partner, expands through union, confident in love	Self-righteous in partnership, domineering in union, reacts hastily in conflict		

			VIII: death, sex, transformation	Fearless in transformation, passionate spiritual growth, generous in emotional depth	Overpowers in intimacy, pushes emotional boundaries, avoids shared vulnerability		
			IX: beliefs, expansion, higher mind	Acts on faith, pioneering beliefs, philosophical adventurer	Dogmatic, overly assertive in moral debates, leaps before learning		
			X: career, public life, structure	Ambitious and expansive in career, bold leader, growth through authority	Inflated status-seeking, prideful ambition, reckless professional risks		
		Decan: <b>Venus (Detriment)</b> - Tarot: 4 of Wands (Completion)	XI: hopes, groups, nerves	Bold reformer, leads in causes, energizes collective progress	Pushes personal agenda in groups, domineering in vision, impatient with process		
Jupiter: ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	Taurus: Neck/Throat		XII: isolation, karma, subconsciousness, hidden illness	Spiritual warrior, secret strength in belief, inner faith through trials	Internalized pride, avoids humility, self-sabotage through recklessness or righteousness		
			I: body, vitality, physical self	Calm confidence, steady optimism, attractive and dignified demeanor	Inflexible self-view, pride in comfort, sluggish initiative, self-indulgence		Jupiter in Taurus expands through stability, sensuality, patience, and material growth. It seeks abundance through practical effort, appreciation of beauty, and consistency. When well-aspected, this placement brings steady wealth, loyal generosity, and lasting wisdom. When afflicted, it may become indulgent, stubborn, materialistic, or slow to adapt.
			II: resources, values, sustenance	Attracts wealth steadily, values generosity and security, prosperous through patience	Overindulgent, hoards possessions, equates self-worth with material success		
		Decan: <b>Mercury</b> - Tarot: 5 of Pentacles (Worry)	III: mind, nerves, speech, movement	Thoughtful communicator, grounded learner, wise and deliberate in speech	Slow to process or adapt ideas, fixed opinions, overly simplistic reasoning		
			IV: roots, digestion, family	Builds lasting family foundations, abundant domestic life, loyal to roots	Possessive of family traditions, emotionally immovable, resists change at home		
			V: expression, pleasure, reproduction	Sensual lover, joyful artist, expansive in romantic and creative pursuits	Overly indulgent in pleasure, vanity in creativity, possessive in romance		
			VI: illness, service, work routines	Dutiful and reliable worker, generous in service, expands slowly through routine	Resistant to new methods, lazy if unmotivated, clings to comfort in duty		
		Decan: <b>Moon (Exaltation)</b> - Tarot: 6 of Pentacles (Material Success)	VII: relationships, contracts, harmony	Loyal and stable partner, grows through commitment, values harmony in union	Stubborn in relationships, avoids change in love, equates love with possession		
			VIII: death, sex, transformation	Emotionally steadfast in crisis, generous in intimacy, grounded in transformation	Overly attached in intimacy, resists emotional depth, blocks vulnerability with control		
			IX: beliefs, expansion, higher mind	Philosophically rooted, expands beliefs through experience and sensual truth	Clings to material worldview, dogmatic in practical ideology, fears abstract concepts		
			X: career, public life, structure	Builds reputation slowly and surely, admired for steady ambition and grace	Stagnates in career, obsessed with prestige, overly cautious in advancement		
		Decan: <b>Saturn</b> - Tarot: 7 of Pentacles (Success Unfulfilled)	XI: hopes, groups, nerves	Loyal to social causes, expands ideals through practical action, attracts stable friendships	Narrow in group thinking, resists progressive vision, clings to familiar ideals		
			XII: isolation, karma, subconsciousness, hidden illness	Inner serenity, spiritual patience, faith through endurance and grounded mysticism	Emotional inertia, avoidance through indulgence, karmic material attachments		
Jupiter: ChSD (4), liver, fat, growth, thighs, expansion, mercy	Gemini: arms, lungs		I: body, vitality, physical self	Curious and engaging, witty confidence, speaks with breadth and enthusiasm	Over-talkative, scattered presence, restless self-image, exaggerates personality		Jupiter is in detriment in Gemini (opposite its rulership in Sagittarius), so it can function with dispersed energy and inconsistency if not disciplined. Still, it offers growth through learning, communication, curiosity, and social engagement. When well-aspected, it brings mental expansion, witty eloquence, and a love of teaching and ideas. When afflicted, it may become scattered, boastful, superficial, or argumentative.
			II: resources, values, sustenance	Versatile income sources, quick-witted with money, values ideas and cleverness	Inconsistent with finances, equates self-worth with intellect, impulsive spending		
		Zodiac: <b>Detriment</b>	III: mind, nerves, speech, movement	Gifted communicator, expansive mind, teacher and storyteller, multi-talented	Talks too much, mentally overextended, shallow ideas, exaggerates or misleads		
		Decan: <b>Jupiter (Detriment)</b> - Tarot: 8 of Swords (Shortened Force) <i>Influences</i>	IV: roots, digestion, family	Intellectually rich family life, wide-ranging roots, brings ideas into the home	Mentally restless at home, disconnects from family depth, spreads energy too thin		
			V: expression, pleasure, reproduction	Playful romantic, creative thinker, joyful in expression and wit	Flirtatious without commitment, superficial in love, dramatizes intellectual games		

expansion, mercy, rulership	lungs	Zodiac: <b>Detriment</b> Decan: <b>Marte</b> - Tarot: 9 of Swords (Despair and Cruelty)	<b>VI: illness, service, work routines</b>	Sharp problem-solver, helpful communicator, thrives in multitasking work	Spreads self thin in service, avoids routine, mentally scattered in duty				
			<b>VII: relationships, contracts, harmony</b>	Charismatic and verbal partner, builds union through shared ideas	Avoids depth in love, argumentative, promises more than delivers in relationships				
			<b>VIII: death, sex, transformation</b>	Explores emotional depth through ideas, speaks truth in crisis, witty in intimacy	Talks around real emotion, fears vulnerability, gossips in trust				
			<b>IX: beliefs, expansion, higher mind</b>	Loves language and study, expansive beliefs, philosophical teacher	Jack-of-all-trades but master of none, confused worldview, impractical moral logic				
			<b>X: career, public life, structure</b>	Public speaker, admired intellect, success through writing or communication	Unreliable public image, inconsistent in ambition, career distracted by too many interests				
			Zodiac: <b>Detriment</b> Decan: <b>Sun</b> - Tarot: 10 of Swords (Ruin)	<b>XI: hopes, groups, nerves</b>	Witty social leader, networker for causes, intellectual in group dynamics	Scattered idealism, inconsistent in activism, overpromises in group settings			
			<b>XII: isolation, karma, subconsciousness, hidden illness</b>	Secret scholar, wide-ranging inner thoughts, mystical communicator	Restless inner world, scattered spiritual focus, guilt from misused intellect				
	Jupiter: ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	Cancer: chest, breasts		<b>I: body, vitality, physical self</b>	Kind and wise presence, emotionally generous, nurturing charisma	Overly sentimental, takes on others' burdens, emotionally overextends self		Jupiter is exalted in Cancer, where its expansive, benevolent nature harmonizes with emotional wisdom, nurturing energy, and protective instincts. Jupiter in Cancer brings growth through compassion, family, memory, and spiritual devotion. When well-aspected, it gives emotional generosity, intuitive abundance, and protective leadership. When afflicted, it may become overprotective, emotionally indulgent, or clingy.	
			Zodiac: <b>Exaltation</b> Decan: <b>Venus</b> - Tarot: 2 of Cups (Love)	<b>II: resources, values, sustenance</b>	Attracts wealth through care and protection, values security and comfort	Hoards resources emotionally, over-identifies with possessions, fears financial change			
				<b>III: mind, nerves, speech, movement</b>	Intuitive speaker, emotionally wise communicator, warm and poetic thought	Over-personalizes ideas, avoids rational debate, emotionally reactive in speech			
				<b>IV: roots, digestion, family</b>	Abundant family blessings, strong roots, protective and generous home	Smothering relatives, clings to emotional past, over-identifies with family roles			
			<b>V: expression, pleasure, reproduction</b>	Tender and devoted in love, creative nurturer, joyful romantic	Sentimental in love, emotionally dependent on praise, overindulgent with children				
Zodiac: <b>Exaltation</b> Decan: <b>Mercury</b> - Tarot: 3 of Cups (Abundance)			<b>VI: illness, service, work routines</b>	Caring and protective in service, brings healing to routine, generous in work	Emotionally entangled in work roles, avoids conflict, overly sacrificial in duty				
			<b>VII: relationships, contracts, harmony</b>	Deeply devoted partner, emotionally wise in union, grows through nurturing love	Over-attached in relationships, overly accommodating, emotionally manipulative in union				
			<b>VIII: death, sex, transformation</b>	Expands emotional resilience, generous in intimacy, transforms through nurturing	Clings to emotional wounds, avoids letting go, uses nurturing to control				
			<b>IX: beliefs, expansion, higher mind</b>	Spiritual seeker, emotionally inspired beliefs, motherly wisdom in faith	Clings to religious upbringing, overly sentimental worldview, lacks detachment in belief				
			Zodiac: <b>Exaltation</b> Decan: <b>Moon (Domicile)</b> - Tarot: 4 of Cups (Blended Pleasure)	<b>X: career, public life, structure</b>	Publicly admired for care and wisdom, respected for nurturing leadership	Emotionally tied to status, dependent on public validation, over-caretaking in career			
			<b>XI: hopes, groups, nerves</b>	Devoted to causes, emotionally bonded to groups, supports collective healing	Overemotional in group dynamics, sacrifices too much for ideals, avoids leadership challenge				
		<b>XII: isolation, karma, subconsciousness, hidden illness</b>	Deep emotional faith, inner spiritual generosity, healer of karmic wounds	Martyr complex, emotional guilt, self-sacrifice to unhealthy extremes, carries ancestral burdens					
			<b>I: body, vitality, physical self</b>	Radiant presence, confident and generous, inspiring personal strength	Inflated ego, demands admiration, dramatic self-image, pride-driven behavior		Jupiter in Leo expands through creativity, pride, self-expression, and leadership. It seeks greatness through generosity, noble action, and passionate belief. When well-aspected, it brings inspiring charisma, artistic power, and magnanimous joy. When afflicted, it may become arrogant, boastful, self-righteous, or domineering.		
		Zodiac: Compatible	<b>II: resources, values, sustenance</b>	Attracts wealth through creativity and charm, values loyalty and grandeur	Spends to impress, ties worth to praise, indulges in material display				

<b>Jupiter:</b> ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	<b>Leo:</b> heart, spine	Decan: <b>Saturn (Detriment)</b> - Tarot: 5 of Wands (Strife, battles)	<b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Powerful speaker, eloquent and expressive, charismatic mind Protects and uplifts family, proud of ancestry, generous in the home	Talks to dominate, boasts in dialogue, intellectually self-important Controlling at home, emotionally performative, imposes vision on family	
		Zodiac: Compatible Decan: <b>Jupiter</b> - Tarot: 6 of Wands (Victory)	<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines	Glorious romantic, theatrical artist, joyfully creative and passionate Leads with purpose in service, noble in work ethic, elevates daily tasks	Craves attention in love, romantic pride, overly dramatic with affection Needs recognition in service, overextends to feel worthy, vain about usefulness	
		Zodiac: Compatible Decan: <b>Mars</b> - Tarot: 7 of Wands (Excess)	<b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Loyal and noble partner, generous in union, leads with love and honor Bold in intimacy, transforms through passion, powerful emotional regeneration	Controlling in relationships, seeks admiration more than connection, prideful in conflict Emotionally controlling, manipulates through seduction, suppresses vulnerability with pride	
			<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure	Believes in heroic ideals, passionate spiritual path, teaches through storytelling Public leader, admired for vision and authority, rises through charisma and honor	Dogmatic, arrogant in beliefs, imposes moral superiority Fame-seeking, overly image-focused, inflated career ego	
			<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Inspires in group settings, champions ideals with heart, leads social causes Hidden spiritual fire, noble inner faith, proud service to higher ideals	Demands to be center of attention, dominates groups, vanity in activism Repressed ego pride, hidden craving for glory, spiritual arrogance, martyr complex for admiration	
<b>Jupiter:</b> ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	<b>Virgo:</b> abdomen	Zodiac: <b>Detriment</b> Decan: <b>Sun</b> - Tarot: 8 of Pentacles (Prudence)	<b>I:</b> body, vitality, physical self	Humble confidence, grounded wisdom, thoughtful presence, refined charisma	Self-critical, overanalyzes motives, modest to a fault, nervous demeanor	Jupiter in Virgo expands through service, detail, humility, and practicality. It seeks growth by perfecting, analyzing, and offering intelligent aid. When well-aspected, it brings disciplined wisdom, healing knowledge, and sacred service. When afflicted, it may become overly critical, anxious, rigid, or dogmatic in detail.
			<b>II:</b> resources, values, sustenance	Gains wealth through effort, values precision and usefulness, financially methodical	Miserly tendencies, overly cautious with resources, self-worth tied to productivity	
			<b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Wise speaker, articulate and discerning, sharp and logical mind Creates orderly home, family-oriented wisdom, builds strong emotional roots	Nitpicky in conversation, mentally rigid, overcomplicates simple ideas Overcontrols domestic life, judgmental of family, anxious attachment to order	
			<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines	Meticulous creative expression, thoughtful romance, joy in detail and craft Master of service, healer through work, efficient and loyal in routine	Emotionally restrained in love, overly analytical in passion, difficulty expressing affection Perfectionist to a fault, anxious over flaws, overly critical of coworkers or tasks	
		Zodiac: <b>Detriment</b> Decan: <b>Venus (Fall)</b> - Tarot: 9 of Pentacles (Material Gain)	<b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Supportive and dependable partner, fair and discerning in love Precise in emotional transformation, discerning in intimacy, healer in crisis	Overanalyzes the relationship, emotionally reserved, seeks flawlessness in others Controls emotional depth, fears surrender, avoids vulnerability through analysis	
			<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure	Seeks truth through reason, spiritual logic, practical philosophy Admired for work ethic, rises through skill and service, honored for refined mastery	Dogmatic about facts, dismisses mysticism, overly rigid belief systems Career anxiety, delays from perfectionism, overly concerned with appearances	
			<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Loyal to practical causes, serves groups with precision, supports humanitarian work Devoted spiritual servant, heals in solitude, sacrifices through sacred order	Inflexible ideals, judgmental in social settings, resists visionary progress Self-sacrificing to the point of guilt, represses joy, spiritual anxiety or martyrdom	
		Zodiac: <b>Detriment</b> Decan: <b>Mercury (Domicile &amp; Exaltation)</b> - Tarot: 10 of Pentacles (Wealth)	<b>I:</b> body, vitality, physical self	Charming and diplomatic presence, balanced confidence, gracious and refined	Overly concerned with image, indecisive identity, seeks validation through likability	Jupiter in Libra expands through partnership, beauty, diplomacy, and justice. It seeks growth through harmony, social grace, and moral balance. When well-aspected, it brings fair-minded wisdom, artistic refinement, and peaceful leadership. When afflicted, it may become indecisive, people-pleasing, vain, or overly idealistic.

<b>Jupiter:</b> ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	<b>Libra:</b> kidneys, loins		<b>II:</b> resources, values, sustenance	Attracts wealth through aesthetics, partnership, and diplomacy, values fairness	Spends to please others, avoids financial decisions, ties self-worth to social status	
		Decan: <b>Moon</b> - Tarot: 2 of Swords (Peace Restored)	<b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Eloquent communicator, persuasive speaker, gifted in rhetoric and reasoning Creates a harmonious home, peacekeeper in family, emotional fairness in private life	Talks to appease, avoids intellectual conflict, mentally scattered by indecision Suppresses conflict at home, overly idealizes family, avoids deep emotional truth	
			<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines	Romantic and graceful in love, refined creativity, joyful and just lover Cooperative in service, ethical in work, brings peace and grace to routine	Overridealizes romance, craves admiration, emotionally dependent on approval Avoids confrontation at work, passive in duty, resents imbalance but won't express it	
		Decan: <b>Saturn (Exaltation)</b> - Tarot: 3 of Swords (Sorrow/Pain)	<b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Just and loving partner, expands through union, fair and loyal in relationships Deep emotional balance, graceful in transformation, generous in intimacy	Codependent, fears disapproval, sacrifices authenticity for peace in union Avoids emotional confrontation, superficial emotional bonds, idealizes connection	
			<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure	Moral philosopher, teacher of harmony and ethics, belief in higher justice Known for diplomacy, success through charm and fairness, artistic or legal career	Overidealizes beliefs, avoids opposing views, hesitant to act without consensus Reputation depends on approval, sacrifices ambition for appearances, avoids hard truths	
		Decan: <b>Jupiter</b> - Tarot: 4 of Swords (Rest from Strife)	<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Popular and fair in groups, idealistic supporter of causes, socially graceful Inner harmony, spiritual justice, peaceful solitude, karmic wisdom through balance	People-pleaser in activism, avoids taking stands, dependent on group affirmation Self-denial for the sake of peace, hidden resentment, spiritual avoidance through pleasantries	
<b>Jupiter:</b> ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	<b>Scorpio:</b> genitals		<b>I:</b> body, vitality, physical self	Magnetic presence, powerful will, fearless charisma, passionate confidence	Intense self-righteousness, intimidating demeanor, emotionally controlling behavior	Jupiter in Scorpio expands through depth, power, transformation, and emotional intensity. It seeks growth through psychological insight, hidden knowledge, and spiritual regeneration. When well-aspected, it brings fearless wisdom, emotional resilience, and mystical abundance. When afflicted, it may become manipulative, secretive, obsessive, or morally rigid.
			<b>II:</b> resources, values, sustenance	Attracts wealth through strategy, values secrecy and mastery, invests with vision	Hoards resources, uses money for control, fear-driven financial habits	
		Decan: <b>Mars (Domicile)</b> - Tarot: 5 of Cups (Loss of Pleasure)	<b>III:</b> mind, nerves, speech, movement <b>IV:</b> roots, digestion, family	Deep thinker, persuasive communicator, insightful speaker, psychologically astute Emotionally protective of home, transforms family legacy, powerful ancestral roots	Manipulates with words, suspicious thoughts, speaks in veiled or controlling tones Holds emotional grudges, dominates family, clings to inherited pain	
			<b>V:</b> expression, pleasure, reproduction <b>VI:</b> illness, service, work routines	Intense lover, powerful creative drive, emotionally transformative art or romance Master of healing arts, transformational in service, strategic worker	Obsessive in love, possessive of attention, dramatic or controlling in affection Workaholic with control issues, emotional rigidity in routines, obsessive about flaws	
		Decan: <b>Sun</b> - Tarot: 6 of Cups (Pleasure)	<b>VII:</b> relationships, contracts, harmony <b>VIII:</b> death, sex, transformation	Loyal and passionate partner, seeks soul-deep union, fair in emotional intensity Spiritually expansive, sexually regenerative, transforms through emotional power	Jealous or manipulative in union, emotionally secretive, fears betrayal Obsessive with power or intimacy, hidden emotional agendas, manipulates vulnerability	
			<b>IX:</b> beliefs, expansion, higher mind <b>X:</b> career, public life, structure	Seeker of occult truth, spiritually fearless, mystical philosophy Commands respect through intensity, succeeds with inner power, respected strategist	Fanatical worldview, rigid dogma, imposes beliefs with intensity Power-hungry, manipulates public image, feared more than admired	
		Decan: <b>Venus (Detriment)</b> - Tarot: 7 of Cups (Illusory Success)	<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Intense loyalty to causes, bonds deeply with social movements, transforms groups Deep spiritual insight, mystical rebirth, fearless in solitude, hidden strength	Secret agendas in group work, dominant over social ideals, emotional manipulation in circles Emotional repression, karmic guilt, hidden obsessions, sabotages with secrecy	

<b>Jupiter:</b> ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	<b>Sagittarius:</b> thighs	Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Mercury (Detriment)</b> - Tarot: 8 of Wands (Swiftess)	I: body, vitality, physical self	Inspiring presence, confident and bold, radiates optimism and purpose	Self-righteous, inflated ego, reckless behavior masked as freedom	Jupiter is in domicile (rulership) in Sagittarius—this is its natural and most expansive placement. It expresses growth through truth, faith, freedom, exploration, and moral purpose. When well-aspected, it brings visionary optimism, inspired wisdom, and spiritual leadership. When afflicted, it may become fanatical, arrogant, dogmatic, or overindulgent.
			II: resources, values, sustenance	Abundant with resources, earns through teaching or travel, values expansion	Overspends, careless with finances, overestimates material security	
			III: mind, nerves, speech, movement	Philosophical thinker, wise speaker, teaches through words and stories	Talks over others, arrogant in discussion, exaggerates knowledge	
			IV: roots, digestion, family	Spiritually rich roots, moral family values, expansive emotional base	Dogmatic family views, moral superiority at home, restlessness in domestic life	
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Moon</b> - Tarot: 9 of Wands (Great Strength / Vigor)	V: expression, pleasure, reproduction	Passionate lover, adventurous artist, joyful and generous with affection	Romantic excess, emotionally unreliable, seeks attention through preaching or drama	
			VI: illness, service, work routines	Visionary in service, teaches through work, values ethical labor	Overextends in duty, neglects detail, believes they're "too big" for menial tasks	
			VII: relationships, contracts, harmony	Moral and idealistic partner, grows through honest relationships, loyal in principle	Preaches in partnership, blind to partner's needs, avoids compromise	
			VIII: death, sex, transformation	Expands through deep emotional bonds, courageous in crisis, spiritually regenerative	Morally forceful in intimacy, invades emotional boundaries, avoids emotional responsibility	
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Saturn</b> - Tarot: 10 of Wands (Oppression)	IX: beliefs, expansion, higher mind	Master of philosophy, travels for truth, teacher and guide of spiritual law	Fanatical beliefs, blind to nuance, inflated sense of spiritual authority	
			X: career, public life, structure	Publicly admired for ethics and vision, achieves through wisdom and honor	Career inflated by ego, disregards hierarchy, assumes moral superiority in public life	
			XI: hopes, groups, nerves	Leader in social vision, attracts diverse allies, expands through collective ideals	Overpromises in groups, imposes beliefs on others, pride in activism without action	
			XII: isolation, karma, subconsciousness, hidden illness	Inner faith and moral clarity, spiritual pilgrim, devotion in solitude	Escapes into dogma, avoids inner faults, blind to hidden arrogance or guilt	
<b>Jupiter:</b> ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	<b>Capricorn:</b> knees	Zodiac: <b>Fall</b> Decan: <b>Jupiter (Fall)</b> - Tarot: 2 of Pentacles (Harmonious Change)	I: body, vitality, physical self	Commanding presence, quiet confidence, dignified authority	Emotionally reserved, proud but rigid, limits self-expression out of fear of failure	Jupiter is in fall in Capricorn—its expansive nature is constrained by discipline, duty, and structure. This placement seeks growth through responsibility, perseverance, and worldly achievement. When well-aspected, it brings wise leadership, ethical ambition, and patient success. When afflicted, it may become rigid, pessimistic, opportunistic, or overly status-driven.
			II: resources, values, sustenance	Earns through discipline and long-term vision, values stability and tradition	Miserly with money, fear-based wealth hoarding, equates worth with status	
			III: mind, nerves, speech, movement	Practical thinker, disciplined speaker, wise in planning and structure	Pessimistic in ideas, overly conventional, suppresses mental spontaneity	
			IV: roots, digestion, family	Responsible in family roles, honors tradition, builds legacy through care	Emotionally cold at home, burdened by duty, avoids intimacy in domestic matters	
		Zodiac: <b>Fall</b> Decan: <b>Mars (Exaltation)</b> - Tarot: 3 of Pentacles (Material Works / Construction)	V: expression, pleasure, reproduction	Loyal and committed in love, serious about creativity, expresses through craftsmanship	Reserved in romance, afraid of vulnerability, inhibits joy and spontaneity	
			VI: illness, service, work routines	Dedicated in service, ethical in work, slow and steady in routine	Overburdened with duty, moralizes routine, fear of failure in daily tasks	
			VII: relationships, contracts, harmony	Faithful and mature partner, honors commitment, seeks stable and respectful union	Seeks status through relationships, avoids passion, overly transactional in love	
			VIII: death, sex, transformation	Emotionally contained, transforms through discipline, regenerates with structure	Fears intimacy, emotionally cold in crisis, uses control as defense mechanism	
		Zodiac: <b>Fall</b>	IX: beliefs, expansion, higher mind	Practical philosopher, grounded beliefs, faith in structure and law	Dogmatic worldview, rigid morality, suppresses spiritual growth through legalism	
			X: career, public life, structure	Ambitious and respected leader, rises through merit, success through wisdom and time	Career-obsessed, sacrifices ethics for power, burdens self with legacy	

<b>Jupiter:</b> ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	<b>Aquarius:</b> shins	Decan: <b>Sun</b> - Tarot: 4 of Pentacles (Earthly Power)	<b>XI:</b> hopes, groups, nerves <b>XII:</b> isolation, karma, subconsciousness, hidden illness	Loyal to structured ideals, dependable ally in causes, builds institutions Enduring inner strength, spiritual responsibility, karma through discipline	Resistant to new ideas, overly conservative in group work, clings to outdated visions Suppresses faith, repressed guilt, karmic fear of failure, isolated in silent duty	
		Zodiac: Decan: <b>Venus</b> - Tarot: 5 of Swords (Defeat)	I: body, vitality, physical self	Visionary presence, intellectually confident, unique and progressive	Aloof identity, eccentric pride, detached from feelings, arrogant independence	Jupiter in Aquarius expands through intellect, freedom, progress, and humanitarian ideals. It seeks growth through innovation, truth, and collective vision. When well-aspected, it brings philosophical brilliance, visionary leadership, and altruistic expansion. When afflicted, it may become aloof, self-righteous, rebellious, or detached from emotional nuance.
			II: resources, values, sustenance	Attracts wealth through innovation, values ideals and equality, generous with causes	Financially erratic, detached from material needs, seeks value in abstract ideals	
			III: mind, nerves, speech, movement	Brilliant communicator, loves knowledge and abstract thought, teacher of new ideas	Over-intellectualizes, talks in circles, disconnected from emotional communication	
			IV: roots, digestion, family	Detached but ethical family bonds, forward-thinking home, fosters independent roots	Emotionally distant at home, lacks warmth, stubborn in unconventional beliefs	
		Zodiac: Decan: <b>Mercury (Exaltation)</b> - Tarot: 6 of Swords (Earned Success)	V: expression, pleasure, reproduction	Unconventional lover, creative rebel, passionate about originality in love and art	Emotionally detached in romance, avoids vulnerability, eccentric for attention	
			VI: illness, service, work routines	Serves through innovation, ethical work ethic, reformer in routine and wellness	Rebels against structure, avoids boring tasks, impatient with convention	
			VII: relationships, contracts, harmony	Values equality in partnership, mentally stimulating union, fair and rational lover	Cold in love, overly intellectualized relationships, rejects traditional commitment	
			VIII: death, sex, transformation	Transforms through truth, visionary in intimacy, fearless with emotional experimentation	Emotionally unavailable, manipulates through detachment, avoids surrender in depth	
		Zodiac: Decan: <b>Moon</b> - Tarot: 7 of Swords (Unstable Effort)	IX: beliefs, expansion, higher mind	Philosopher of progress, student of humanity, teacher of liberating truths	Dogmatic about ideals, imposes abstract beliefs, avoids emotional morality	
			X: career, public life, structure	Public visionary, ethical leader, innovates systems and careers	Cold public image, defies structure without aim, unpredictable ambition	
			XI: hopes, groups, nerves	Champion of collective freedom, loyal to group evolution, expands through social ideals	Rigid in utopian vision, alienates others with intellectual superiority, detached in group work	
			XII: isolation, karma, subconsciousness, hidden illness	Inner liberation, spiritual awareness through detachment, mystical reformer	Isolated in vision, internalizes arrogance, repressed idealism, spiritual coldness	
<b>Jupiter:</b> ChSD (4), liver, fat, growth, thighs, expansion, mercy, rulership	<b>Pisces:</b> feet	Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Saturn</b> - Tarot: 8 of Cups (Abandoned Success)	I: body, vitality, physical self	Gentle and wise, compassionate presence, spiritually radiant	Self-effacing to a fault, confused self-image, escapist identity, overly idealistic	Jupiter is co-ruler of Pisces in traditional astrology, making this a natural and spiritually expansive placement. It expresses growth through faith, intuition, imagination, and compassion. When well-aspected, it brings divine inspiration, inner peace, mystical wisdom, and universal love. When afflicted, it may become escapist, delusional, overly sacrificial, or emotionally ungrounded.
			II: resources, values, sustenance	Attracts abundance through intuition and art, values spiritual wealth	Emotionally spends, unclear financial values, unrealistic about security	
			III: mind, nerves, speech, movement	Poetic thinker, inspired communicator, intuitive and visionary speech	Mentally foggy, avoids direct expression, easily influenced by emotional bias	
			IV: roots, digestion, family	Spiritually nourishing home, deeply empathetic family life, protective roots	Escapist family dynamics, guilt-bound loyalty, emotional enmeshment	
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Jupiter (Domicile)</b> - Tarot: 9 of Cups (Material Happiness)	V: expression, pleasure, reproduction	Romantic dreamer, inspired artist, loving and imaginative in joy	Overidealizes love, emotionally dependent on fantasy, detached from reality in romance	
			VI: illness, service, work routines	Heals through compassion, spiritually guided in service, devoted in routine	Martyrdom in work, poor boundaries in service, avoids practical responsibilities	
			VII: relationships, contracts, harmony	Selfless and mystical partner, deep soul bonds, love as spiritual path	Codependent, overly forgiving, avoids confrontation, deceives self in union	
			VIII: death, sex, transformation	Emotionally transcendent, merges soulfully in intimacy, regenerates through surrender	Avoids truth in emotional crisis, seduced by illusions, passive in transformation	

		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Mars</b> - Tarot: 10 of Cups (Perfected Success)	<b>IX:</b> beliefs, expansion, higher mind	Mystical philosopher, inspired seeker, believes in universal truth	Unclear or contradictory beliefs, overly passive in thought, evades challenging truths	
			<b>X:</b> career, public life, structure	Visionary reputation, admired for empathy and creativity, spiritual or artistic vocation	Reputation clouded by idealism, lacks ambition clarity, used by others professionally	
			<b>XI:</b> hopes, groups, nerves	Devoted to universal ideals, healer in collective spaces, loves humanity	Overwhelmed in groups, loses self in causes, manipulated through compassion	
Saturn: BYNH (3) - bones, structure, knees, joints, limitations	Aries: Head	Zodiac: <b>Fall</b> Decan: <b>Mars (Domicile)</b> - Tarot: 2 of Wands (Dominion)	<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Profound mystic, deeply intuitive, spiritually surrendered in solitude	Escapes through fantasy, internalizes guilt, loses self in martyrdom or self-pity	
			<b>I:</b> body, vitality, physical self	Disciplined will, composed assertiveness, strong personal boundaries	Inhibited self-expression, fear of initiative, harsh self-judgment	Saturn is in fall in Aries, where its disciplined and constrictive nature struggles with Aries' fiery impulsiveness. It seeks structure in a sign that values speed and initiative. When well-aspected, Saturn in Aries brings disciplined courage, calculated initiative, and focused ambition. When afflicted, it may become fearful of self-assertion, harsh, repressive, or overly rigid in leadership.
			<b>II:</b> resources, values, sustenance	Earns steadily through effort, cautious with money, values self-reliance	Hoards resources, equates worth with productivity, fears poverty or loss	
		Zodiac: <b>Fall</b> Decan: <b>Sun (Exaltation)</b> - Tarot: 3 of Wands (Virtue)	<b>III:</b> mind, nerves, speech, movement	Structured thinker, careful communicator, sharp and focused mind	Harsh tone, rigid thoughts, fear of speaking out, pessimism in learning	
			<b>IV:</b> roots, digestion, family	Builds a secure and disciplined home, honors ancestral responsibility	Emotionally distant family ties, burdened by tradition, feels trapped at home	
			<b>V:</b> expression, pleasure, reproduction	Restrained but loyal lover, precise creative expression, serious in romance	Fears vulnerability in love, represses joy, critical with children or partners	
		Zodiac: <b>Fall</b> Decan: <b>Venus (Detriment)</b> - Tarot: 4 of Wands (Completion)	<b>VI:</b> illness, service, work routines	Hardworking and thorough, efficient routines, enduring servant or healer	Overworked, burdened by duty, fearful of imperfection, rigid in habits	
			<b>VII:</b> relationships, contracts, harmony	Loyal and serious partner, values commitment, structured union	Cold or overly formal in love, fears closeness, chooses duty over passion	
			<b>VIII:</b> death, sex, transformation	Deep emotional endurance, power through restraint, responsible in intimacy	Fears loss of control in intimacy, represses desire, emotional rigidity	
		Zodiac: <b>Fall</b> Decan: <b>Venus (Detriment)</b> - Tarot: 4 of Wands (Completion)	<b>IX:</b> beliefs, expansion, higher mind	Disciplined beliefs, seeks structured truth, philosophical endurance	Dogmatic worldview, rigid morality, fears new ideas, self-limiting philosophy	
			<b>X:</b> career, public life, structure	Ambitious leader, strategic success, climbs with effort and focus	Status-obsessed, harsh authority figure, fears public failure, cold reputation	
			<b>XI:</b> hopes, groups, nerves	Steadfast in causes, disciplined idealist, loyal and structured friend	Social detachment, isolated in groups, rigid about ideology, avoids collaboration	
Saturn: BYNH (3) - bones, structure, knees, joints, limitations	Taurus: Neck/Throat	Decan: <b>Mercury</b> - Tarot: 5 of Pentacles (Worry)	<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Silent strength, karmic endurance, spiritually disciplined in solitude	Guilt-driven repression, emotional isolation, self-sabotage through avoidance of action	
			<b>I:</b> body, vitality, physical self	Grounded presence, slow-burning confidence, patient and stable	Rigid self-image, resistant to change, emotionally immovable, overly cautious	Saturn in Taurus brings structure and restraint to a sign focused on stability, security, and sensuality. It seeks to manifest lasting value through discipline, patience, and practical endurance. When well-aspected, it brings material mastery, responsible stewardship, and enduring strength. When afflicted, it can become stubborn, overly materialistic, emotionally rigid, or fearful of change.
			<b>II:</b> resources, values, sustenance	Builds wealth slowly and surely, cautious with money, values durability and discipline	Greedy, fearful of loss, hoards resources, self-worth tied too tightly to possessions	
		Decan: <b>Mercury</b> - Tarot: 5 of Pentacles (Worry)	<b>III:</b> mind, nerves, speech, movement	Methodical thinker, steady communicator, serious in thought and speech	Mentally stubborn, slow to process new ideas, rigid or repetitive in communication	
			<b>IV:</b> roots, digestion, family	Strong family provider, stable home builder, loyal to traditions	Emotionally stagnant home life, clings to outdated family roles, resistant to growth	
			<b>V:</b> expression, pleasure, reproduction	Patient in romance, committed lover, refined creative craftsmanship	Emotionally reserved in love, repressed pleasure, hesitant to express affection	
			<b>VI:</b> illness, service, work routines	Dutiful worker, steady routines, resilient in service and health	Workaholic tendencies, fears health decline, stubborn in inefficient habits	

		Decan: <b>Moon (Exaltation)</b> - Tarot: 6 of Pentacles (Material Success)	VII: relationships, contracts, harmony VIII: death, sex, transformation	Committed and loyal partner, stable in union, values lasting relationships Enduring emotional depth, controls desire with wisdom, regenerates slowly	Fear of vulnerability in partnership, emotionally cold, overly traditional in love Represses emotional release, fears surrender, clings to control in transformation	
		Decan: <b>Saturn</b> - Tarot: 7 of Pentacles (Success Unfulfilled)	IX: beliefs, expansion, higher mind X: career, public life, structure	Grounded philosophy, values tradition and truth through lived experience Patiently builds status, respected for reliability, steady vocational growth	Rigid belief system, clings to dogma, skeptical of abstraction, fears spiritual openness Ambitious but inflexible, over-identified with success, blocks creative risks	
			XI: hopes, groups, nerves XII: isolation, karma, subconsciousness, hidden illness	Loyal to social ideals, dependable ally in causes, grounded group contributions Karmic strength, private endurance, quiet inner stability, grounded spiritual insight	Emotionally detached in group dynamics, clings to outdated ideals, lacks social spontaneity Guilt from material attachment, emotional isolation, blocked intuition through rigidity	
<b>Saturn:</b> BYNH (3) - bones, structure, knees, joints, limitations	<b>Gemini:</b> arms, lungs		I: body, vitality, physical self II: resources, values, sustenance	Reserved but intelligent presence, serious and thoughtful expression Earns through intellect, values practicality and logic, stable mental resourcefulness	Shy or overly controlled self-image, anxious in communication, fearful of being misunderstood Fear of poverty, overworks for mental security, undervalues intuition	Saturn in Gemini brings structure to the realm of communication, thought, language, and learning. It seeks control through mental precision, verbal discipline, and careful analysis. When well-aspected, this placement brings focused intellect, mature speech, and responsible learning. When afflicted, it may become rigid, anxious, overly skeptical, or fearful of expression.
		Decan: <b>Jupiter (Detriment)</b> - Tarot: 8 of Swords (Shortened Force) <i>Influences</i>	III: mind, nerves, speech, movement IV: roots, digestion, family	Disciplined mind, organized thought, structured communicator, serious student Thoughtful family traditions, quiet home life, mentally engaged domesticity	Mental rigidity, fearful of new ideas, overly critical, difficulty expressing self Emotionally distant family bonds, cold communication at home, repressed feelings	
			V: expression, pleasure, reproduction VI: illness, service, work routines	Careful lover, thoughtful creative expression, structured artistic voice Efficient in tasks requiring intellect, practical with words, strong work ethic	Inhibited romance, fear of vulnerability in love, rigid or awkward with affection Overcritical of coworkers, anxious over tasks, mentally drained by overwork	
		Decan: <b>Marte</b> - Tarot: 9 of Swords (Despair and Cruelty)	VII: relationships, contracts, harmony VIII: death, sex, transformation	Intellectual partner, values mental connection, structured communication in love Cautiously curious, analyzes intimacy, explores emotional truth through logic	Cold or distant in union, avoids emotional expression, over-analyzes relationships Suppresses vulnerability, mental blocks around sexuality or trust, distrustful of others' motives	
			IX: beliefs, expansion, higher mind X: career, public life, structure	Skeptical philosopher, disciplined belief system, studies spiritual law Builds career through intellect, strategic thinker, gains respect through speech or education	Dogmatic worldview, fear of abstract ideas, over-reliance on logic to explain belief Cold professional persona, fears public error, inhibits creativity for reputation	
		Decan: <b>Sun</b> - Tarot: 10 of Swords (Ruin)	XI: hopes, groups, nerves XII: isolation, karma, subconsciousness, hidden illness	Loyal to intelligent causes, serious about group goals, plans social progress Structured inner thoughts, disciplined reflection, hidden scholar	Detached in groups, socially anxious, skeptical of community, suppresses idealism Internalized guilt for expression, obsessive self-criticism, karmic fear of speaking truth	
		<b>Zodiac: Detriment</b>	I: body, vitality, physical self II: resources, values, sustenance	Quiet strength, emotionally composed, nurturing yet serious presence Saves diligently, values emotional security, protective with resources	Represses emotions, fear of vulnerability, overly cautious self-expression Clings to possessions for comfort, equates safety with material control, fear of loss	Saturn is in detriment in Cancer (opposite its rulership in Capricorn), where its need for structure and control clashes with Cancer's emotional sensitivity and nurturing nature. It seeks growth through emotional discipline, protective boundaries, and inner resilience. When well-aspected, it brings loyalty, emotional wisdom, and long-term care. When afflicted, it may become emotionally repressive, guilt-ridden, avoidant, or overly rigid in matters of the heart.

Saturn: BYNH (3) - bones, structure, knees, joints, limitations	Cancer: chest, breasts	Decan: Venus - Tarot: 2 of Cups (Love)	III: mind, nerves, speech, movement IV: roots, digestion, family	Sensitive thinker, careful speaker, emotionally grounded communication Responsible family figure, loyal to heritage, protector of home	Withholds expression, fears emotional honesty, mental guilt, repressed memory Emotionally withdrawn at home, family duty becomes burden, clings to past pain		
		Zodiac: Detriment Decan: Mercury - Tarot: 3 of Cups (Abundance)	V: expression, pleasure, reproduction VI: illness, service, work routines	Loyal in love, reserved romantic, disciplined creative effort Cares through action, responsible in service, emotionally steady routines	Fear of romantic rejection, difficulty expressing affection, suppressed joy Self-sacrificing to a fault, martyr complex, emotional heaviness in daily life		
			VII: relationships, contracts, harmony VIII: death, sex, transformation	Emotionally dependable partner, committed in union, loyal through hardship Deep emotional endurance, mature in crisis, transforms through inner resilience	Fear of abandonment, avoids emotional risk, overly cautious in love Fears surrender, repressed emotional trauma, clings to pain or fear of loss		
			IX: beliefs, expansion, higher mind X: career, public life, structure	Emotionally grounded faith, respectful of tradition, slow but sincere spiritual growth Career built on compassion, steady leadership, known for emotional integrity	Emotionally rigid beliefs, guilt-ridden worldview, afraid of spiritual vulnerability Reputation for coldness, work as emotional escape, fear of public exposure of emotions		
		Zodiac: Detriment Decan: Moon (Domicile) - Tarot: 4 of Cups (Blended Pleasure)	XI: hopes, groups, nerves XII: isolation, karma, subconsciousness, hidden illness	Cares deeply for social causes, stable friendships, emotionally loyal to ideals Inner resilience, emotional discipline in solitude, karmic healer	Emotionally isolated in groups, slow to trust, guilt when detached from collective Suppressed emotional needs, self-punishing guilt, fear of emotional abandonment, hidden sorrow		
			Zodiac: Detriment Decan: Saturn (Detriment) - Tarot: 5 of Wands (Strife, battles)	I: body, vitality, physical self II: resources, values, sustenance	Commanding presence, dignified self-expression, strong personal discipline Earns through creative structure, values dignity and control, builds steady wealth	Insecure beneath pride, fear of being seen, suppresses authentic self Clings to possessions for validation, material pride, fears lack of status	Saturn in Leo is in Detriment but brings structure and discipline to creativity, leadership, and self-expression. It seeks growth through mature authority, dignified passion, and responsible individuality. When well-aspected, it brings noble restraint, focused ambition, and earned recognition. When afflicted, it can become prideful, emotionally repressed, attention-starved, or controlling in expression.
				III: mind, nerves, speech, movement IV: roots, digestion, family	Serious thinker, focused communicator, expressive in disciplined ways Loyal to family tradition, dignified emotional base, structured private life	Authoritarian tone, suppresses humor, overly proud of intellect Controlling at home, emotionally cold, demands respect rather than nurtures it	
		V: expression, pleasure, reproduction VI: illness, service, work routines		Restrained but loyal lover, masterful creative expression, serious about joy Proud in service, leads by example at work, stable and organized routines	Represses passion, fears ridicule in love or art, struggles with playfulness Needs recognition for effort, rigid in roles, over-identifies with usefulness		
Saturn: BYNH (3) - bones, structure, knees, joints, limitations	Leo: heart, spine	Zodiac: Detriment Decan: Jupiter - Tarot: 6 of Wands (Victory)	VII: relationships, contracts, harmony VIII: death, sex, transformation	Committed partner, values integrity in love, loyal and responsible in union Emotionally courageous, resilient in transformation, honorable in intimacy	Dominates relationship, fears vulnerability, withholds warmth Fear of emotional surrender, pride in secrecy, emotionally controlling		
			IX: beliefs, expansion, higher mind X: career, public life, structure	Noble belief system, moral authority, dignified seeker of truth Earns public respect through effort, steady leadership, structured ambition	Proud in philosophy, moral superiority, inflexible spiritual ideals Career driven by ego, obsessed with recognition, authoritarian public image		
			XI: hopes, groups, nerves XII: isolation, karma, subconsciousness, hidden illness	Loyal to ideals and friends, responsible in social roles, dignified in causes Quiet inner strength, spiritual dignity, karmic lessons in pride and humility	Detached socially, fears not being admired in groups, imposes vision on others Secret shame, hidden need for validation, suppresses creative urges, spiritual pride		
		Zodiac: Detriment Decan: Mars - Tarot: 7 of Wands (Excess)	I: body, vitality, physical self	Controlled and modest presence, quiet strength, thoughtful self-discipline	Self-critical, nervous disposition, repressed spontaneity, overly cautious persona	Saturn in Virgo brings structure to the sign of analysis, service, precision, and health. It emphasizes practical mastery, disciplined thinking, and dutiful work. When well-aspected, it brings focused intellect, perfection through patience, and ethical service. When afflicted, it may become hypercritical, anxious, rigid, or guilt-ridden.	

Saturn: BYNH (3) - bones, structure, knees, joints, limitations	Virgo: abdomen		II: resources, values, sustenance	Careful with money, earns through service and precision, values integrity	Overly frugal, fears lack, material guilt, self-worth tied to productivity	
		Decan: Sun - Tarot: 8 of Pentacles (Prudence)	III: mind, nerves, speech, movement	Logical thinker, methodical communicator, disciplined learner	Overanalyzes, mental rigidity, critical speech, fear of intellectual failure	
			IV: roots, digestion, family	Dutiful in family, maintains clean and structured home, loyal to ancestral order	Emotionally distant at home, rigid routines, guilt over family roles	
			V: expression, pleasure, reproduction	Structured creativity, practical artistic expression, loyal in love	Suppresses joy, critical in romance, fear of emotional messiness or rejection	
			VI: illness, service, work routines	Master of order and service, reliable in routines, healing through discipline	Overworked, guilt-ridden, perfectionist tendencies, anxious about inadequacy	
		Decan: Venus (Fall) - Tarot: 9 of Pentacles (Material Gain)	VII: relationships, contracts, harmony	Responsible and fair partner, values structure in union, loyal in commitment	Emotionally distant in love, overly analytical in relationships, avoids vulnerability	
			VIII: death, sex, transformation	Precise emotional transformation, controls desires ethically, reserved in intimacy	Fears emotional chaos, difficulty trusting, critical in vulnerability or depth	
			IX: beliefs, expansion, higher mind	Grounded beliefs, structured philosophical thought, learns through practical effort	Skeptical of abstract ideas, dogmatic in logic, dismisses intuitive or spiritual truth	
			X: career, public life, structure	Career built on detail and precision, respected for reliability and ethical work	Fear of public failure, obsessed with order, blocks success with perfectionism	
		Decan: Mercury (Domicile & Exaltation) - Tarot: 10 of Pentacles (Wealth)	XI: hopes, groups, nerves	Loyal to causes, disciplined in group roles, values practical ideals	Judgemental of others in social circles, too rigid to adapt, critical of collective goals	
			XII: isolation, karma, subconsciousness, hidden illness	Inner strength through discipline, serves quietly, spiritual refinement through work	Repressed guilt, harsh inner critic, karmic burden of service without recognition	
Saturn: BYNH (3) - bones, structure, knees, joints, limitations	Libra: kidneys, loins	Zodiac: Exaltation	I: body, vitality, physical self	Noble presence, composed and fair, dignified self-control	Fear of self-expression, overly self-conscious, suppresses needs to please others	Saturn is exalted in Libra, where its desire for order and fairness harmonizes with Libra's sense of balance, justice, and partnership. It brings structure to relationships, diplomacy, and ethics. When well-aspected, it offers fair leadership, honorable conduct, and disciplined union. When afflicted, it may become judgmental, indecisive, emotionally withdrawn, or overly dependent on approval.
			II: resources, values, sustenance	Earns steadily through diplomacy, values justice and balance, fair with resources	Overly cautious with money, relies on material approval, fears imbalance or debt	
			III: mind, nerves, speech, movement	Logical and fair-minded, disciplined speaker, tactful communicator	Rigid opinions masked as fairness, avoids debate, seeks harmony over truth	
			IV: roots, digestion, family	Loyal to family, brings balance to home, creates harmony through tradition	Emotionally detached at home, cold in family decisions, avoids conflict resolution	
		Zodiac: Exaltation	V: expression, pleasure, reproduction	Graceful in love, committed in romance, artistic structure in creativity	Emotionally distant, avoids spontaneous affection, fears rejection in love	
			VI: illness, service, work routines	Just and dependable worker, disciplined in service, harmonious routines	People-pleaser at work, avoids criticism, perfectionism masked as helpfulness	
			VII: relationships, contracts, harmony	Committed, loyal, and respectful partner, builds strong, fair unions	Emotionally dependent on partner, fears rejection, avoids necessary confrontation	
			VIII: death, sex, transformation	Controls emotions with fairness, transforms through just surrender, loyal in intimacy	Avoids vulnerability, fears imbalance in intimacy, emotionally withheld in crisis	
		Zodiac: Exaltation	IX: beliefs, expansion, higher mind	Ethical philosopher, moral justice-seeker, fair in belief and study	Dogmatic morality, indecisive in worldview, prioritizes peace over authenticity	
			X: career, public life, structure	Respected for fairness, leads with dignity, success through justice or law	Reputation overly shaped by others' opinions, avoids visibility to prevent conflict	
			XI: hopes, groups, nerves	Loyal to ideals, committed to ethical causes, trusted friend in groups	Struggles with group identity, avoids disagreement, seeks approval in social roles	
			XII: isolation, karma, subconsciousness, hidden illness	Karmic balance, solitude through ethical reflection, spiritual discipline through justice	Self-imposed guilt for others' actions, hides feelings to keep peace, sacrifices self unfairly	

<b>Saturn:</b> BYNH (3) - bones, structure, knees, joints, limitations	<b>Scorpio:</b> genitals		I: body, vitality, physical self	Intense self-control, emotionally composed, powerful and reserved presence	Defensive persona, suppresses vulnerability, intimidating or distant identity		Saturn in Scorpio brings discipline and structure to the realm of power, transformation, intimacy, and emotional depth. It seeks mastery through control, regeneration, and spiritual endurance. When well-aspected, this placement gives emotional resilience, strategic will, and psychic discipline. When afflicted, it can become repressive, fearful of loss, manipulative, or emotionally closed off.
			II: resources, values, sustenance	Earns through strategy and control, financially disciplined, values emotional security	Fear of poverty or loss, clings to possessions, emotionally tied to material power		
		Decan: <b>Mars (Domicile)</b> - Tarot: 5 of Cups (Loss of Pleasure)	III: mind, nerves, speech, movement	Deep thinker, focused communicator, strategic mind, insightful speaker	Secretive with ideas, fears exposure, suspicious or mentally rigid		
			IV: roots, digestion, family	Strong-willed family protector, loyal to ancestral power, emotional resilience at home	Clings to emotional wounds, repressed family trauma, controls others in private life		
			V: expression, pleasure, reproduction	Passionate but disciplined lover, crafts deep and intense art, loyalty in love	Fears romantic rejection, withholds affection, manipulates for control in love		
			VI: illness, service, work routines	Powerful healer, endures through difficulty, precise and secretive in service	Obsessive routines, emotional stress in work, mistrustful of colleagues		
		Decan: <b>Sun</b> - Tarot: 6 of Cups (Pleasure)	VII: relationships, contracts, harmony	Loyal and enduring partner, committed to deep union, controls emotions for harmony	Fears emotional intimacy, dominates in partnership, avoids openness		
			VIII: death, sex, transformation	Master of transformation, emotionally contained, fearless in crisis	Represses grief or passion, clings to power, manipulates through emotional withholding		
			IX: beliefs, expansion, higher mind	Deep spiritual discipline, occult seeker, controlled expansion of belief	Dogmatic or cynical worldview, fears letting go of control, suppresses mystical experience		
			X: career, public life, structure	Commands respect, authoritative in power, patient rise to status	Ruthless ambition, feared public image, success through manipulation or secrecy		
		Decan: <b>Venus (Detriment)</b> - Tarot: 7 of Cups (Illusory Success)	XI: hopes, groups, nerves	Loyal to collective purpose, strategist in causes, emotionally grounded friend	Distrustful in social settings, emotionally unavailable in groups, over-controlling ideals		
			XII: isolation, karma, subconsciousness, hidden illness	Karmic emotional mastery, secret endurance, disciplined spiritual transformation	Hidden fears, internalized trauma, suppresses pain, isolates emotionally to avoid collapse		
<b>Saturn:</b> BYNH (3) - bones, structure, knees, joints, limitations	<b>Sagittarius:</b> thighs		I: body, vitality, physical self	Honorable presence, self-disciplined and ethical, dignified and visionary	Morally rigid, self-righteous, suppresses joy, fearful of being wrong		Saturn in Sagittarius brings structure to the realm of philosophy, belief, exploration, and higher learning. It seeks truth with discipline, integrity, and moral endurance. When well-aspected, it brings ethical wisdom, focused knowledge, and grounded spirituality. When afflicted, it may become dogmatic, judgmental, cynical, or resistant to new perspectives.
			II: resources, values, sustenance	Earns through teaching or justice, values truth and long-term rewards	Material moralism, hoards knowledge, equates self-worth with belief systems		
		Zodiac: <b>Domicile (Nocturnal)</b>	III: mind, nerves, speech, movement	Structured thinker, serious learner, communicates with purpose and conviction	Judgmental tone, dismissive of nuance, inflexible or narrow-minded in dialogue		
		Decan: <b>Mercury (Detriment)</b> - Tarot: 8 of Wands (Swiftiness)	IV: roots, digestion, family	Upholds family beliefs, builds stable legacy through philosophy, morally rooted home life	Overly strict upbringing, imposes dogma in family, avoids emotional freedom at home		
			V: expression, pleasure, reproduction	Passionate but principled lover, joyful with restraint, creative through structured ideals	Suppresses playful expression, feels guilt in romance, afraid to follow creative impulse		
			VI: illness, service, work routines	Ethical in service, responsible with work, brings higher purpose into daily tasks	Overworks for belief, rigid routines, guilt in pleasure, judges others' work ethic		
		Zodiac: <b>Domicile (Nocturnal)</b>	VII: relationships, contracts, harmony	Fair and committed partner, seeks shared ideals in love, loyal in principle	Morally inflexible in union, uses belief to control, avoids romantic spontaneity		
		Decan: <b>Moon</b> - Tarot: 9 of Wands (Great Strength / Vigor)	VIII: death, sex, transformation	Transforms through belief, disciplined in emotional regeneration, spiritual depth	Represses emotional exploration, judges intimacy, afraid of surrender		
			IX: beliefs, expansion, higher mind	Master of sacred law, grounded philosopher, teacher of structured truths	Dogmatic, refuses spiritual growth, equates faith with control, suppresses exploration		
			X: career, public life, structure	Honored teacher or guide, admired for wisdom, climbs steadily through vision	Career rigidity, moralizes success, fears loss of control over reputation		
		Zodiac: <b>Domicile (Nocturnal)</b>					

Saturn: BYNH (3) - bones, structure, knees, joints, limitations	Capricorn: knees	Decan: <b>Saturn</b> - Tarot: 10 of Wands (Opression)	<b>XI:</b> hopes, groups, nerves	Loyal to high ideals, disciplined in causes, ethical in friendships and vision	Moral superiority in groups, judgmental activist, resists change in collective vision	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Karmic wisdom through belief, spiritual discipline in solitude, ascetic inner truth	Inner guilt over beliefs, avoids emotional insight, represses spiritual questions or doubts	
			<b>I:</b> body, vitality, physical self	Composed, serious, and strong-willed, embodies quiet authority	Cold demeanor, suppresses self-expression, rigid persona, fear of failure	Saturn is in domicile (rulership) in Capricorn—this is its strongest placement. It thrives in the sign of discipline, structure, responsibility, and worldly achievement. When well-aspected, it brings mastery, integrity, endurance, and strategic success. When afflicted, it can become cold, overly rigid, power-hungry, or repressive.
		Zodiac: <b>Fall</b>	<b>II:</b> resources, values, sustenance	Earns through persistence, values responsibility and tangible results	Greedy, fears lack, hoards resources, ties self-worth to external success	
		Decan: <b>Jupiter (Fall)</b> - Tarot: 2 of Pentacles (Harmonious Change)	<b>III:</b> mind, nerves, speech, movement	Strategic thinker, structured communicator, mentally resilient	Pessimistic thought patterns, dismissive tone, inflexible mind, fear of error	
			<b>IV:</b> roots, digestion, family	Builds a strong legacy, deeply rooted, protects family through duty	Emotionally distant at home, burdened by tradition, fear of emotional vulnerability	
			<b>V:</b> expression, pleasure, reproduction	Responsible lover, refined creator, loyal and serious in romance	Represses joy, fears emotional spontaneity, harsh inner critic of creative efforts	
		Zodiac: <b>Fall</b>	<b>VI:</b> illness, service, work routines	Master of routines, tireless in service, disciplined in health	Overworks to prove worth, emotionally detached in service, fears being “unproductive”	
		Decan: <b>Mars (Exaltation)</b> - Tarot: 3 of Pentacles (Material Works / Construction)	<b>VII:</b> relationships, contracts, harmony	Loyal and stable partner, honors commitments, long-term relationship builder	Emotionally distant, chooses duty over love, views union as obligation	
			<b>VIII:</b> death, sex, transformation	Deep emotional control, regenerates through endurance, powerful transformation	Represses emotional intimacy, fears emotional loss, controlling in shared experiences	
			<b>IX:</b> beliefs, expansion, higher mind	Builder of philosophical systems, moral strategist, dedicated to mastery of wisdom	Dogmatic beliefs, overly conservative worldview, fear of ideological uncertainty	
		Zodiac: <b>Fall</b>	<b>X:</b> career, public life, structure	Climbs through discipline, respected public figure, structured success path	Obsession with status, ruthless ambition, fear of failure drives all actions	
		Decan: <b>Sun</b> - Tarot: 4 of Pentacles (Earthly Power)	<b>XI:</b> hopes, groups, nerves	Loyal to traditional causes, structures collective goals, builds community vision	Resists social evolution, inflexible in group roles, prioritizes control over collaboration	
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Spiritual discipline, karmic endurance, hidden strength through responsibility	Carries guilt like a burden, isolates under pressure, suppresses inner truth for fear of judgment	
Saturn: BYNH (3) - bones, structure, knees, joints, limitations	Aquarius: shins		<b>I:</b> body, vitality, physical self	Thoughtful and composed, visionary presence, responsible individuality	Cold or aloof persona, rigid in identity, detached from emotional expression	Saturn is the traditional ruler of Aquarius (before Uranus was discovered), so this is one of its dignified placements. It seeks mastery through mental clarity, innovation, discipline in ideals, and responsibility to the collective. When well-aspected, it brings ethical leadership, visionary structure, and reform guided by wisdom. When afflicted, it may become emotionally detached, authoritarian, coldly intellectual, or inflexible in ideology.
			<b>II:</b> resources, values, sustenance	Earns through intellect and innovation, values structure in ideals and resources	Financially frugal to a fault, overly abstract with material values, hoards ideas	
		Zodiac:	<b>III:</b> mind, nerves, speech, movement	Logical and scientific thinker, structured communicator, mentally mature	Emotionally detached in speech, overly serious tone, rigid or fixed mindset	
		Decan: <b>Venus</b> - Tarot: 5 of Swords (Defeat)	<b>IV:</b> roots, digestion, family	Rooted in progressive values, builds stable but modern home, quietly loyal	Cold or distant family ties, rebellion hidden behind duty, emotionally inaccessible roots	
			<b>V:</b> expression, pleasure, reproduction	Structured creativity, responsible love, expresses through order and refinement	Fear of vulnerability in romance, rigid artistic expression, emotionally reserved	
		Zodiac:	<b>VI:</b> illness, service, work routines	Dutiful in service, practical and innovative in routine, responsible in health	Work as obligation only, emotionally absent in daily life, rigid habits	
		Decan: <b>Mercury (Exaltation)</b> - Tarot: 6 of Swords (Earned Success)	<b>VII:</b> relationships, contracts, harmony	Loyal and idealistic partner, committed to equality and justice in union	Detached in intimacy, overly logical in love, avoids vulnerability or passion	
			<b>VIII:</b> death, sex, transformation	Emotionally strategic, transforms through intellectual control, heals through order	Fears loss of control, avoids emotional depth, uses detachment to avoid change	

<b>Saturn:</b> BYNH (3) - bones, structure, knees, joints, limitations	<b>Pisces:</b> feet	Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Moon</b> - Tarot: 7 of Swords (Unstable Effort)	<b>IX:</b> beliefs, expansion, higher mind	Builds belief through study and reason, disciplined in philosophy, wise seeker	Cynical worldview, ideological rigidity, rejects spiritual uncertainty		
			<b>X:</b> career, public life, structure	Respected for integrity and vision, structures progress, succeeds through strategy	Reputation for coldness or control, manipulates image to maintain power		
			<b>XI:</b> hopes, groups, nerves	Steady ally in causes, builds ethical movements, reformer with structure	Inflexible ideals, judgmental in groups, sacrifices people for principles		
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Silent visionary, karmic innovator, spiritually disciplined in solitude	Isolated in beliefs, suppresses inner rebellion, hides guilt behind logic		
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Saturn</b> - Tarot: 8 of Cups (Abandoned Success)	<b>I:</b> body, vitality, physical self	Quiet dignity, mystical presence, emotionally grounded persona	Fear of expression, self-doubt, hides behind emotional armor, guilt-ridden identity		Saturn in Pisces brings structure to the realm of dreams, intuition, emotion, and mysticism. It seeks mastery through spiritual discipline, compassionate restraint, and emotional maturity. When well-aspected, it brings deep wisdom, mystical grounding, and karmic healing. When afflicted, it may become fearful of emotion, overly self-sacrificing, escapist, or spiritually burdened.
			<b>II:</b> resources, values, sustenance	Values compassion and subtle beauty, earns through service or spiritual work	Unclear financial boundaries, fears scarcity, gives away too much		
			<b>III:</b> mind, nerves, speech, movement	Intuitive yet structured thinker, communicates with poetic restraint	Suppressed speech, fearful mind, unclear expression, emotional overanalysis		
			<b>IV:</b> roots, digestion, family	Sensitive but strong roots, protects emotional heritage, mystical family wisdom	Burdened by family guilt, avoids emotional resolution, represses past pain		
			<b>V:</b> expression, pleasure, reproduction	Subtle romantic, disciplined artist, spiritual creativity with structure	Fears romantic expression, represses desire, avoids vulnerability in love and joy		
			<b>VI:</b> illness, service, work routines	Compassionate in service, spiritually grounded in routine, disciplined healing	Feels duty as burden, martyrs self at work, emotionally overwhelmed by daily life		
		Zodiac: <b>Domicile (Nocturnal)</b> Decan: <b>Jupiter (Domicile)</b> - Tarot: 9 of Cups (Material Happiness)	<b>VII:</b> relationships, contracts, harmony	Selfless partner, spiritually loyal, committed to ideal love	Over-sacrifices for others, avoids confrontation, fears emotional rejection in union		
			<b>VIII:</b> death, sex, transformation	Spiritually resilient, transforms through emotional surrender, karma-aware	Emotional repression, fear of intimacy, avoids necessary emotional release		
			<b>IX:</b> beliefs, expansion, higher mind	Seeker of divine truth, disciplined in mysticism, wise in spiritual law	Escapes into dogma or fantasy, suppresses spiritual growth, confused ethical path		
			<b>X:</b> career, public life, structure	Public healer, succeeds through devotion, career in spiritual or artistic service	Emotionally distant public image, hides pain behind poise, fears public vulnerability		
			<b>XI:</b> hopes, groups, nerves	Steady in spiritual ideals, serves the collective with compassion, builds sacred causes	Feels alienated in social groups, sacrifices self in collective, fears rejection from ideals		
			<b>XII:</b> isolation, karma, subconsciousness, hidden illness	Karmic discipline, mystical mastery, endurance in solitude, spiritual responsibility	Spiritual guilt, emotional isolation, suppresses inner calling, burdened by unseen sorrow
